## Division III — The Chronological Roll

### PASTORAL SERVICE RECORD AND CONFERENCE DIRECTORY

NOTE: The Chronological Roll, the Pastoral Service Record, and the Conference Directory are all hereby presented in a combined form, and in alphabetical order. It is our hope that we can present a more detailed as well as a more accurate record of each minister. The information in this division is compiled from my records and not from those of the Board of Pensions. I sincerely hope they are accurate, and you are asked to notify me of any discrepancies in your record. It is our plan to continue this form on a permanent basis, and we hope it meets with your approval. —The Conference Secretary.

Symbols used before each name denote the category of conference relationship and the numbers indicate place in the chronological (or other) order. Hence R—1 means the first place in the Retired category. AM—Associate Member; FC—Effective Members (Full Connection); FT—Full Time; LP—Local Pastor; PM—Probationary Member; PT—Part Time; R—Retired; S—Supply; SLP—Student Local Pastor; AFM—Affiliate Member; HM—Honorary Member.

The symbols used after the name are as follows: D—When Ordained Deacon; E—When Ordained Elder; A—When Admitted on Trial or as a Probationer; FC—When Admitted into Full Membership; T—When Transferred into this Conference; LP—When Approved as a Lay Pastor or Approved Pastor; AM—When Approved as an Associate Member; and PT—Part Time Minister (one who has other employment). \*—No Record of Attendance at Annual Conference.

NOTE—The service years listed with each person are included as INFORMATION ONLY. While every effort is made to make this accurate, it is not the secretary's responsibility to determine the ramifications of pension credit. This is the responsibility of the Board of Pensions. So, if the listed number of service years does not seem to be correct in your case, you will need to get in touch with the Board of Pensions. —The Conference Secretary.

The Order of Worship for the service shall be arranged by the conference Commission on Archives and History. A memoir of each deceased minister or surviving spouse of a minister and diaconal minister shall be provided by the Commission on Archives and History for publication in the *Journal*.

### Administrative Procedures of the Annual Conference

10. The rules of order of the preceding General Conference shall govern parliamentary procedure in this conference in all matters not covered by the rules. In order to be recognized to address the conference, each person must identify him/herself as to name and the capacity in which he/she is entitled to speak to the session.

#### 11. Reports and resolutions:

(a) All reports and resolutions shall be typewritten, double spaced, and submitted in

duplicate; and shall be placed on the conference calendar in the order in which they are filed with the assistant secretary of the *Journal*, who shall be the calendar secretary, or in the order designated by the Committee on Program. The reports and resolutions shall lie on the calendar secretary's desk for at least one business session before being acted upon by the conference.

(b) By a two-thirds vote of those present and voting a calendar item may be taken up out of order for consideration.

(c) All amendments to reports of boards and agencies as printed in the *Brochure of Reports* and all motions arising from the floor of the conference shall be made in writing on a form provided by the conference secretary.

#### 12. Election of General and Jurisdictional delegations:

(a) Delegates to the General and Jurisdictional Conferences shall be elected according to stipulations in Par. 601 and 613 respectively of the *Book of Discipline*, and they shall serve in all sessions of these conferences held during the quadrennium.

(b) In the election of delegates, four teams of tellers, two clerical teams and two laical teams, consisting of ten members each and making a total of forty persons, shall be appointed by the presiding bishop, who shall designate a member of each team as a chairman.

(c) In the election of these delegates the ballots furnished to the conference by the secretary shall be numbered consecutively, and no vote shall be valid unless cast on the ballot bearing the number designated by the presiding officer for any particular ballot. Ballots furnished to the lay delegates shall be different in color from those furnished to ministerial delegates. Sets of ballots shall be distributed to official delegates upon registration at the conference session.

(d) In an election year, the district superintendent shall call a caucus of lay delegates in the district to the upcoming Annual Conference for selection of five persons for places in the general and jurisdictional delegations. Disciplinary stipulations will be made clear on the occasion, and availability of suggested persons determined. Biographical data, business and professional identity, and church experience shall be provided by the district superintendent for publication in the *Brochure of Reports* on a standard form to be provided by the editor. The caucus shall be held prior to March 1 and data for publication shall be provided the editor no later than the 4th Monday in March. This procedure shall not preclude any lay delegate voting for any persons he or she chooses as actual balloting at conference takes place. Prior to Annual Conference, and following district caucuses, an assembly of all lay delegates shall be called by the conference lay leader to allow delegates to become acquainted with persons named at caucuses and others present who may be prospects for election. (See page 150, 1977 *Journal*.)

#### 13. Annual Conference lay delegates:

(a) Lay delegates to the Annual Conference shall be elected yearly in the Charge Conferences. Two youth delegates to the Annual Conference (ages 14-24) shall be elected from each district by a district Youth Caucus. The district caucus shall be composed of one voting delegate (ages 14-24) from each local church and shall be convened by the district coordinator of youth ministries in cooperation with the district superintendent, and under direction of the conference Council on Youth Ministry.

(b) In compliance with the disciplinary requirement (Par. 36) of lay representation in the Annual Conference session equal to the clerical membership, the following plan shall be observed to keep the two in balance: (1) On January first of each year the conference secretary shall ascertain whether the upcoming session will be in balance with respect to laical and ministerial membership, and, finding need to name added laical members will follow this procedure: (2) The conference secretary will name the needed number, taking notice of these priorities: (a) The first eighteen will be chosen alternately from the district lay leaders and district presidents of United Methodist Women. In the event that less than eighteen are needed, he will make the determination on the basis of the last reported church membership totals of the districts, moving from the largest downward in scale. (b) Next as needed he will name full-time lay workers on the staff of the conference Council on Ministries. (c) Next he will name full-time lay workers who have been consecrated. (d) Next he will name lay persons who are chairpersons of conference boards and agencies. (e) Next he will name lay members of the general and jurisdictional delegations in the order of their election. (f) Next, he will name young adult lay delegates from names submitted by the Conference Council on Young Adult Ministries. (g) All persons selected by this process shall be safeguarded to serve by notice sent

to their Charge Conferences to replace them if they have already been elected as charge delegates to the Annual Conference.

14. Other voting procedures:

(a) In all matters of voting and election other than covered in Rule 12 a team of tellers, composed of one ministerial and one laical member from each district, shall be named by the chair to serve.

(b) In certain matters, such as voting on constitutional amendments, the official ballots shall be those provided by the conference secretary.

15. All applicants for the local pastor relationship, for probationary or full membership, or for reception into our ministry from another Christian church shall present a certificate of good health on the approved form and from a physician acceptable to the Board of Ordained Ministry.

16. The character of all ministerial members of the conference shall be examined by the Conference Relations Section of the Board of Ordained Ministry, and the section's report shall be submitted to the conference for action.

17. The conference *Journal* and *Brochure of Reports*:

(a) The publication and distribution of the Annual Conference *Journal* shall be under the supervision of the assistant secretary for the *Journal*, with the assistance of an Editorial Committee, composed of the conference secretary, the statistician, the treasurer, and the executive director of the Council on Ministries. The *Journal* shall be printed in such numbers as to provide adequate copies to local churches, a copy to each retired minister and surviving spouse of a minister, to each minister on disability leave, to each minister under special appointment, to each diaconal minister, and to supply requests of boards and agencies beyond the annual conference level.

(b) The conference shall elect an assistant secretary for the *Journal* quadrennially, upon nomination by the Council on Finance and Administration.

(c) The assistant secretary for the *Journal* shall be responsible for preparation of the brochure of conference board and agency reports and for distribution of the brochures to all pastors, all regular laical delegates, conference president of United Methodist Women, conference lay leader, youth delegates, retired ministers and surviving spouses of ministers, ministers in special appointments, conference staff persons, the presiding bishop, the district superintendents, ministers on disability leave, seminary students, district lay leaders, district presidents of United Methodist Women, and diaconal ministers.

18. Board Memberships and Trusteeships:

(a) No person may serve on more than one quadrennial agency of this conference at the same time, except as provided by the *Book of Discipline*, nor for a longer period than eight consecutive years, nor for more than eight of any consecutive twelve years, except that members of the Commission on Archives and History and the Board of Directors of Pastors' Assembly may serve on another agency of this conference at the same time. Persons may be enlisted to assist boards and agencies for specific tasks in advisory and non-voting capacities and should be drawn from within the bounds of the conference.

(b) No person shall serve on more than one board of trustees or board of directors of institutions or agencies related to this Annual Conference at the same time. Nothing in this rule shall be construed to mean that persons may not serve concurrently on boards of trustees or directors and as members of quadrennial boards and agencies or ex officio trustees or directors, where disciplinary provisions apply.

(c) Persons who are inactive, that is, by failing to attend and participate in the meetings and programs of a given board or agency, for one year without legitimate excuse shall be replaced at the end of any current year.

(d) No ministerial member shall serve more than nine consecutive years (three terms) as a trustee of any agency or institution related to this Annual Conference, nor shall this person be eligible for election again to that board until three years shall have passed since termination of the nine years of service.

19. Organizational stipulations for boards and agencies:

(a) All quadrennial boards, commissions and committees, except as provided by the *Book of Discipline*, shall continue through the session of the Annual Conference immediately following the General Conference for the purpose of completing their business.

(b) Every year the Annual Conference Committee on Nominations shall complete its work four weeks before the date set for the regular conference session, in order to inform nominees

of their selection and anticipated confirmation at the session, so persons not delegates to Annual Conference may plan to be present for the organizational meeting of all boards, commissions and committees at the conference session. This will allow the secretary of the Committee on Nominations to give notice of the time and place of meeting to each nominee at least two weeks before the session opens, and to provide a list of nominees to each proposed member of a group so previous thought may be given to selection of officers. The time requirements herein shall pertain as well to nominations made to fill vacancies at other sessions of the Annual Conference.

20. There shall be nine districts in this Annual Conference.

21. A District Conference may be held annually in each district of this Annual Conference, at the discretion of the district superintendent.

22. A District Conference shall be composed of all preachers serving charges within its bounds, all retired conference members and deaconesses, ministers on disability leave, on maternity leave and diaconal ministers residing therein; the church lay leader, the church school superintendent, and the presidents of United Methodist Women, United Methodist Men, and United Methodist Youth of each local church in the district; the charge delegate to annual conference; district stewards and trustees; the district lay leader and associate leaders; district coordinators of children, youth, adult, family ministries and district secretary of education; plus six members elected by each Charge Conference, including at least one youth.

23. In harmony with Par. 710.1 of the *Book of Discipline*, the Council on Finance and Administration shall recommend an annual apportionment sufficient to provide for support of the district superintendents.

24. A district superintendent shall not serve on a quadrennial board, commission or committee, except as specifically provided by the *Book of Discipline*. Vacancies occurring by appointment of members of boards, commissions and committees to the district superintendency shall be filled by the conference session when such appointments are made. There shall be a representative of the Cabinet on each such program agency, who shall be named by the Cabinet.

25. Budget requests and the Council on Ministries.

(a) Boards and agencies requesting funding items to be included in apportionments shall present their askings to the Council on Ministries in writing on the form provided by the council; with such requests to be presented by a representative of the board or agency appearing before the Budget Committee of the council; at a time and place set by the Council on Ministries, with not less than thirty days' notice of such meetings being given by the council. The chairperson of each conference agency, or other duly authorized person, shall have opportunity to represent the chairperson's agency before the Council on Finance and Administration as provided by the *Book of Discipline* (Par. 710.3).

(b) The Council on Ministries shall present the total amount of the budget request it approves to the Council on Finance and Administration for its action as an item in the conference benevolence budget.

(c) The Council on Ministries may adjust program budget items between Annual Conference sessions if the necessity arises because of inadequate income or changing needs within the council and the Annual Conference operation; provided the total amount approved by the Annual Conference is not exceeded in such changes; and provided, further, that such changes must be accomplished by the following means: the Budget Committee of the Council on Ministries will confer with the boards and agencies involved, and, after thorough study, will present its recommendation to the Council on Ministries, which may then make adjustments approved by a two-thirds vote of members present and voting.

26. In the allocation of askings on the formula basis, the non-building budget shall not include any monies expended for the following items:

- (a) Principal and Interest on capital indebtedness.
- (b) Buildings and Improvements.
- (c) General Advance Specials and World Service Special Gifts.
- (d) Conference Advance Specials.
- (e) Remittances by United Methodist Women to the conference treasurer.
- (f) Remittances to the Pension Funding Crusade.
- (g) Remittances to the Birmingham-Southern College Scholarship Fund and/or capital gifts.

(h) Remittances to Huntingdon College Scholarship Fund and/or capital gifts.

27. The treasurer of the Annual Conference shall make final settlement and disburse all funds to the Annual Conference boards, commissions and committees or treasurers after the close of the fiscal year.

## Division VIII

# Reports Of Boards And Agencies

### BOARD OF ORDAINED MINISTRY

The Board of Ordained Ministry has sought to carry out its Disciplinary responsibilities during the 1981-82 Conference year functioning through its three working sections: Local Pastors, Membership and Ordination and Conference Relations. The Local Pastor's Section, through the District Committees on Ministry, has worked with some 120 Local Pastors. The Membership and Ordination section has assisted approximately 42 persons who are in the ordination process. The Conference Relations section has worked with persons seeking retirement, leave of absence and appointments beyond the Local Church.

Two special concerns of the Board of Ordained Ministry are contained in additional sections of this report: Ministerial Evaluation and Continuing Education. We encourage all ministers and laity to become familiar with the content of these reports. They represent major new developments in the area of the responsibilities of ministers and churches. Pastor/Parish Relations Committees need especially to be aware of these reports.

We encourage each church in the conference to make every effort to pay their Ministerial Education Fund asking in full. This fund provides scholarships for our Local Pastors as they attend their summer school training at Emory and our seminary students as they prepare for full-time ministry. It is vital that we give as much assistance to these persons as possible. We are totally dependent upon the MEF for the support we are able to give.

We encourage every minister and church to cultivate persons as candidates for the ministry. Though we do not at this point project any drastic shortage of ministers in our conference in the near future, we each need to be alert to the interest of young men and women in the ministry. God calls persons into the ministry. Our role is to cultivate and nurture that call. The booklet "So You Want To Be A United Methodist Minister" is available through your District Superintendent. It contains all of the requirements one must meet in the process of entering the United Methodist ministry.

### EVALUATING ORDAINED MINISTERS

#### A Means Of Continual Renewal And Growth

#### Alabama-West Florida Conference — The United Methodist Church

The issue of evaluation has been with us for a long time in the church. Jesus said, "You shall know them by their fruits." The United Methodist Church and its predecessor denominations have had lengthy and detailed processes for determining gifts and graces for ministry for candidates wishing to enter the annual conference. Bishops and cabinets have always evaluated effectiveness in their appointment-making responsibilities. Lay people have always told the district superintendent what they thought of their preacher.

Much of the time the criteria and methods for those evaluations have been informal, sporadic and crisis-oriented.

The hiddenness of evaluations provided a degree of comfort. The unspoken rationale was, "What you don't know doesn't hurt you." In the context of evaluation, the opposite is many times also true: What you don't know doesn't help you. To formalize and open up the evaluation process produces considerable anxiety in most of us. This is part of what it means to be human.

In both the 1976 and 1980 General Conferences, the church indicated that evaluation of ministers, district superintendents, and bishops is an item that needs to be formal and open. The renewed commitment to evaluation/continuing education indicates that the United Methodist Church believes that its leaders must be diligent and regular in analyzing their skills, knowledge, and commitment in light of the changing nature of the church and its world community.

*Par. 427 Of The 1980 Discipline of The United Methodist Church:*

EVALUATION — Evaluation is a continuous process which must take place in a

spirit of understanding, acceptance, and with a genuine desire to embody and carry forth more effectively Christ's ministry in the world lest we create defensiveness and discouragement in the Church or the person being evaluated. Pastoral effectiveness shall be evaluated annually (par. 266.2d(3)) by the Pastor-Parish Relations Committee and district superintendent by criteria and processes developed by the Board of Ordained Ministry and the Cabinet. The Board of Ordained Ministry and/or the Cabinet shall conduct an annual training program for Pastor-Parish Relations Committee members to enable them to evaluate the gifts, graces, family needs, health, and readiness for ministry of the pastor (Paragraphs 723.2 and 518.2).

To fulfill the goals and purposes of Ministerial Evaluation, the objectives and policies of the Alabama West Florida Conference shall be:

- I. *General Perspectives On Ministerial Evaluation:*
  - A. We approach Ministerial Evaluation from the general perspective of a theology of grace and a commitment to ministry as the work of the total church and not simply the work of the professional minister.
  - B. Ministerial Evaluation is to be seen as judgment that leads to the identification of goals and potentialities for the development of new skills and the fulfilling of the call of God to ministry and not judgment for the purpose of reward and punishment.
- II. *The Goals Of Ministerial Evaluation:*
  - A. The Personal Growth Of The Minister:
    1. To help pastors grow more competent in ministry.
    2. To help pastors receive clear, honest feedback on competencies in ministry, and become more deeply perceptive and productively critical of their own work.
    3. To help pastors sharpen personal goals, define areas of desired professional and personal growth, and to accept responsibility for their own growth in various areas of ministerial functioning.
    4. To help pastors experience themselves as a part of an honest, caring system of support for their ministries.
  - B. To Promote Lay Clergy Dialogue
    5. To use the insights of committed lay people in helping ministers grow in effectiveness.
    6. To help clergy and lay persons clarify their expectations of one another.
    7. To help the pastor and pastor-parish relations committee relate more effectively to one another.
    8. To encourage the churches to engage in the study of the meaning of ministry.
    9. To help administrative boards and churches clarify their self-images and goals as a church and how these relate to their ministerial leadership needs.
    10. To help ministers understand the effect their ministry is having upon the lay persons whom they serve, and the lay people understand the effect the ministry of their church is having upon the ministers who serve them.
  - C. To Provide Objective Insight To The District Superintendent's Ministry Of Supervision:
    11. To help the cabinet consult with the PPRCs in their support and advocacy roles.
    12. To give the cabinet additional information for their work with pastors, to be more helpful to pastors in their growth objectives, and to assist pastors to invest their talents in settings beyond the local church.
    13. To help cabinets and ministers develop criteria for future appointments which are compatible with each pastor's talents, interests and priorities in ministry.
    14. To help cabinets clarify with the ministers the standards of competence upon which the ministerial fellowship generally agrees.
- III. *Factors To Be Considered In Ministerial Evaluation:*

- B. After the District Superintendents have received the annual evaluations there shall be a meeting between them and the Committee on Continuing Education of the Board of Ordained Ministry to apprise that Committee of the various needs of the ministers in general for continuing education.

- C. The Committee on Continuing Education of the Board of Ordained Ministry shall be responsible for coordinating all continuing education programs in the annual conference and in seeing that the standards for continuing education set by the conference are carried out.

VII. *Time-Line For Evaluation:*

## PROPOSAL FOR MINIMUM STANDARDS FOR CONTINUING EDUCATION

### Alabama-West Florida Conference The United Methodist Church

I. *Continuing Education for the Minister*

Disciplinary statements:

"Growth in competence and effectiveness through continuing education is expected of conference members. These are professional responsibilities which ministerial members are expected to fulfill and which represent a fundamental part of their accountability and a primary basis of their guaranteed appointment. These shall include:

- a) Continuing availability for appointment.
- b) Having pastoral effectiveness evaluated annually by Pastor-Parish Relations Committees and district superintendents trained in the process of evaluation to determine the gifts, graces, health, and readiness for ministry.

c) Annual participation in continuing education programs. The Board of Ordained Ministry shall set minimal standards and specific guidelines for continuing education programs for members of their conference, and insure their availability." Par 423.1

"Ministers shall be encouraged to continue their education throughout their careers, including carefully developed personal programs of study augmented periodically by involvement in organized educational activities." Par. 441.1 See 441 & 442 concerning study leaves.

"Pastor's shall be asked\* by the district superintendents in the Charge Conference to outline their programs of continuing education for the year. The district superintendent shall also ask the local church\*\* to describe its provision for time and financial support for the pastor's program of continuing education." Par. 441.3 \*"required" 519.5 \*\*PPRC 266.2f(4).

A. Those required to meet continuing education minimum standards

- 1) Members of the conference in full connection; 2) Probationary members who have

completed educational requirements and are appointed full-time; 3) Associate members; 4) Full-time Local Pastors who have completed the course of study plus 60 hours.

*IMPLICATIONS OF THIS RULE: This rule seeks to define the boundaries of CE requirements. Those included are appointed full-time and are not pursuing any educational requirements toward advancement during the present year.*

B. The following areas are included as appropriate CE

1. Growing in professional competency.
2. Growing in the knowledge and skills of spiritual disciplines through which spiritual formation is an ongoing part of one's total life and ministry.
3. Growing in self-awareness including an understanding of life goals, strengths and weaknesses, and personal characteristics.
4. Growing in skills that enhance the selection and use of support systems. Examples are: relationship building and time management.
5. Growing in non-professional competencies that are essential for effective Christian discipleship; i.e., home of family, leisure, civic, cultural, social, health, etc.

*IMPLICATIONS OF THIS RULE: This rule seeks to define the parameters for the subject matter within the requirements of continuing education. Growing is the emphasis; professional enhancement is the aim. The burden of justification for a particular educational pursuit shall be with the minister.*

C. Planning the individual minister's continuing education

1. It is largely up to the individual minister to plan his/her own personally designed learning program of continuing education.
2. Continuing education plans, which meet annual minimum standards, should reflect a well integrated, systematic method of meeting the individual minister's needs, both strengths and weaknesses; and should show movement in ministerial effectiveness.
3. Help in determining strengths and weaknesses should come from the PPRC in its annual evaluation of the minister. Along with this evaluation should come the local church's willingness to grant study time and financial assistance to the minister's continuing education plan.
4. Ministers are encouraged to take advantage of life-assessment and growth analysis workshops which will be scheduled annually in the conference.
5. The minister may seek help from the conference office of continuing education when attempting to match future continuing education events with current needs.

*IMPLICATIONS OF THIS RULE: This rule seeks to place responsibility for continuing education planning directly on the minister. Help in the planning process may come from several evaluative agencies. Planning makes personal one's growth in competence.*

D. Minimum standards for individual minister's CE programs

1. The measuring unit shall be called a C.S.U. (Conference Standard Unit) of continuing education.
2. Definition of a C.S.U.: Each of the following when accompanied by required reading and writing, reflection on the experience, and when duly reported shall be the equivalent of one C.S.U.
  - a) Twenty hours of reading and reflection in the knowledge competency areas listed in 431.8, 1980 Discipline: Scripture, theology, church history, church polity, understanding and practice of the art of communication, and human relations. *Provided that no more than 1 C.S.U. defined as reading and reflection may be credited toward minimum standard annually.* The minister shall be responsible for an accountability structure of persons who will evaluate work done. (See F.2 below)
  - b) Ten contact hours (instructional session or its equivalent) under qualified leadership. The Continuing Education Panel will assign C.S.U. values to Pastor's Assembly and conference and division sponsored events on the basis of actual instructional hours. Study-travel C.S.U.s will be given only for contact hours (Lecture, discussion) under qualified leadership.
  - c) One Continuing Education Unit (C.E.U.) will equal one C.S.U. The C.E.U. is a nationally standardized definition involving ten contact hours of participation in an educational event with well-defined goals, competent direction, qualified leadership, and student accountability. C.E.U.s offered by approved agencies such as United

Methodist Agencies, Clinical Pastoral Education Agencies, Institutions of Higher Education, and approved professional agencies will be accepted by this Conference.

d) Academic credit or audit as follows:

Quarter system: One quarter hour = 1 C.S.U.

a 3 hr. course = 3 C.S.U.s

Semester system: One semester hour credit = 1.33 C.S.U.

a 3 hr. course = 4 C.S.U.s

3. The minimum standard shall be 2 reported C.S.U.s for 1983. Beginning in 1984, the minimum standard shall be 3 C.S.U.s annually, one of which must be a C.E.U.

*IMPLICATIONS OF THIS RULE: This rule seeks to establish the measure and the common standard by which all ministers may evaluate their own progress toward ministerial fulfillment of the goal of continuing education. This standard is a minimum and should be taken as an encouragement to plan and do as much as time and schedule will allow.*

E. Application for C.S.U. and C.E.U.

1. Individual ministers wishing to receive C.S.U./C.E.U. credit for their continuing education program must apply in advance of the event or study in order that their work may be valid.
  - a) All C.S.U./C.E.U. events shall print C.S.U./C.E.U. availability on registration forms so that if credit is desired, the form may be marked prior to the first session of an event. Credit shall not be awarded unless applied for before the event begins.
  - b) Ministers planning reading programs under proper accountability structures shall report their plan to the charge conference and the conference Continuing Education Panel prior to the beginning of the program.
2. Organizers of continuing education events in the annual conference shall make application to the Continuing Education Panel for C.S.U./C.E.U. accreditation. The panel will supply forms, available upon request, which must be approved before any advertisement of C.S.U./C.E.U.s can take place on event brochures. Due dates for applications will be October 15th for November-April, and April 15th for May-October. These dates will apply to funding requests for continuing education funds, also.

*IMPLICATIONS OF THIS RULE: This rule seeks to set the trend for prior planning. The minister must plan ahead and request C.S.U.s before events are begun, and the event planners must have their plans approved before they can offer C.S.U.s. The Charge Conference is the focal point for ministerial planning and presentation of plans.*

F. Accountability

1. The primary accountability resides with the minister-learner and the process and persons that he/she identifies in a specific plan for learning.
2. Plans submitted to the charge conference shall include accountability structures and reporting procedures: i.e., a reading program in "Developing Relational Skills with Youth," may include an accountability panel consisting of the PPRC Chairperson, the Youth Coordinator, and a youth. This panel should discuss the minister's proposal with him/her at the outset, and help the minister evaluate the results at the conclusion of the program.
3. The Board of Ordained Ministry shall provide reporting forms for ministers to use at charge conference, and shall keep copies of their reports on file in the office of continuing education. These reports shall include an accounting of all continuing education work done during the past year, and plans for a program of continuing education for the coming year.
4. A cumulative listing of C.S.U. credits earned by the ministers shall be printed in the Conference Journal and updated annually.

*IMPLICATIONS OF THIS RULE: This rule seeks to place the responsibility for accountability with the minister. Planning and follow through, including reporting to the charge conference will complete the requirement of accountability.*

II. Continuing Education and the Charge Conference

Disciplinary statements:

"Pastors shall be asked by the district superintendent in the Charge Conference to outline their programs of continuing education for the year. The district superintendent shall also ask the local church to describe its provision for time and financial support for the pastor's program of continuing education." Par. 441.3

1. The basis of continuing education planning and the integrity of the minister's accountability lie with the charge conference and the district superintendent. The annual meeting provides opportunity for launching and debriefing, for planning and evaluating, for dreaming and reporting results. It shall be the duty of the presiding officer of the charge conference to receive the minister's continuing education report and to offer recommendations or observations.

III. *The Continuing Education Panel*

Disciplinary statements:

"The Board of Ordained Ministry shall set minimal standards and specific guidelines for continuing education programs for members of their conference, and insure their availability."

Par. 423.1(c)

1. The Continuing Education Panel shall be established and elected by the Board of Ordained Ministry.
2. The panel's duties shall be:
  - a) to supervise the program of continuing education in the conference.
  - b) to carry out the standards set by the conference with regard to continuing education.
  - c) to award C.S.U. and C.E.U. values to qualifying events and participants.
  - d) to provide forms upon request for application for C.S.U./C.E.U.s.
  - e) to provide funds for events and scholarships for continuing education, and to establish criteria for the giving of these funds.
  - f) to keep a permanent record of minister's earned C.S.U./C.E.U.s.
  - g) to provide events within the conference; make ministers aware of events being offered through other continuing education sources; and to update ongoing continuing education offerings available to ministers.

*IMPLICATIONS OF THIS RULE: This rule seeks to define the responsibilities of the Continuing Education Panel. The panel is established to assist the minister to grow in competence and to provide a service to the minister.*

**AREA BOARD OF PASTORAL CARE AND COUNSELING**

The Area Board of Pastoral Care and Counseling remains one of the very active boards of our area. The board meets three times annually. Board members receive no travel expense to these meetings. Travel is reimbursed only for special committee assignments. This tradition

speaks of the high commitment these 24 clergy and 24 laypersons have for the work of this board.

The board successfully completed the co-sponsorship of the Convocation on Pastoral Care in November at Birmingham-Southern College. Over 325 persons were registered and in attendance and the evaluations were very positive. A major study on the "Church-Owned Parsonage/Housing Allowance and the Itinerant System" was conducted; that report is included below as Report #1. Also a study of clergy finances was completed and a summary of its findings is included below as Report #2. The board also is planning for the Fall of 1982 a three-day training event on Counseling and Working with the Cancer Patient and Family. This event will be available for a select group of clergy from each of our 21 Districts and will be held in conjunction with the University of Alabama Medical Center in Birmingham. Also in September of 1982 our board and the office of the Resident Bishop will sponsor cluster meetings throughout our area focusing on "Clergy Marriage."

The work of the Executive Director in counseling, consultation, supervision and pastoral care continues to be a major purpose of this board. Our goal remains that of offering professional counseling service or consultation services to clergy, members of their family or other professional staff as needed. To that end the Director and Associate-in-Training have seen 172 different individuals, couples, or families this past year. This number represents a slight increase over the number of different individuals served over last year. This number represents close to 1,000 contact "hours" throughout the year.

The Reverend Ms. Abigail Carlisle is the new Associate-in-Training. Ms. Carlisle works under the Director's supervision and sees persons in Birmingham at the Carraway Methodist Medical Center where the Director and the Associate-in-Training have offices. She also sees persons in Decatur and Huntsville. The training program at Carraway also provides an ongoing weekly continuing education experience in pastoral care and counseling for three local United Methodist ministers who commit themselves for the year program.

The Reverend William Phillips, under special appointment to the Atlanta Psychiatric Clinic, and a member of the North Alabama Annual Conference is now offering consultation services to our Director and to our training program. These services are considered invaluable and represent the board's commitment to high standards and continued improvement.

The Director continues to give time and energy to increasing support groups for clergy and families. These groups are increasing in number and the results are gratifying. The Director continues to work within the district structures and the annual conference agencies to provide resources and available time in conducting workshops and continuing education events.

We covet your support and prayers and give thanks to Almighty God for the visibility of such an important ministry.

Charles E. Alexander, Executive Director

#### REPORT NO. 1

### CHURCH-OWNED PARSONAGE/HOUSING ALLOWANCE AND THE ITINERANT SYSTEM

A Survey Conducted by the  
Board of Pastoral Care and Counseling  
Birmingham Episcopal Area  
of The United Methodist Church  
Systemic Issues Committee  
Chairman: A. Rayburn Jones, PhD  
1981

### CHURCH-OWNED PARSONAGE/HOUSING ALLOWANCE AND THE ITINERANT SYSTEM

The itinerant system has been, and continues to be, one of the distinguishing features of The United Methodist Church. The connectional system, rather than a congregational polity, ensures that each church will have ministerial leadership and that each minister will have a place to serve. This requires a degree of mobility on the part of the itinerant clergy, because of a commitment to the appointive structure, and a commitment to serve where needed for the overall good of the church.

Historically, the church-owned parsonage has been the means by which adequate housing has been provided for the itinerant minister, with each local church or charge being responsible for the upkeep, and frequently the furnishing, of the dwelling. Annual conferences have set minimal standards to govern the quality of the housing, with the goal of assuring all ministers a comfortable place to live.

In recent years, pastorates have tended to be longer — especially for larger churches, making ministerial moves less frequent than in past generations. And the appointive system, while basically following the historic tradition, has undergone some changes. The consultative process involved in appointment-making, the increasing incidence of dual careers in clergy couples, and a growing awareness of the needs and stresses associated with the ministry have added new dimensions to the itinerant system.

Along with these new dimensions in the itinerant system, some churches have felt that there is a need for a new or modified perspective in regard to their pastor's housing. While a majority of the churches may be content with the traditional church-owned parsonage, some congregations envision a more flexible approach as fulfilling their needs and the needs of their pastor, without endangering either the itineracy or the connectional system of the church.

The purpose of this study by the Systemic Issues Committee of the Birmingham Area Board of Pastoral Care and Counseling was to survey the attitudes and opinions of the ordained clergy, their spouses, and laypersons regarding ministerial housing, with special attention to the questions of church-owned parsonage, housing allowance, and clergy homes. The study was in no way intended to get persons to vote for or against any particular position. Since attitudes, morale, and effectiveness are integrally related, we felt that a better understanding of attitudes along the dimension of housing might provide an avenue to a better understanding of the ministers' home life, morale, and ways in which pastoral effectiveness might be enhanced by the reduction of stresses associated with housing-related problems.

Questionnaires were mailed to 625 members of the two Annual Conferences who were appointed to local churches, to their spouses, to 564 Pastor-Parish Relations Committees, and to 21 District Superintendents. By the cut-off date, there were responses returned by 318 ministers (51%), 278 spouses (45%), 198 Pastor-Parish Relations Committees (33%), and 15 District Superintendents (71%). The overall response was 44% of the 1,846 questionnaires sent out. This is a good response, and appears to reflect a high degree of interest regarding the issues involved.

Is a church-owned parsonage a part of the minister's compensation (tax exempt)? The results of the survey reflect a divided opinion regarding this question. Overall, a majority of the clergy (54%) indicated that they do not consider their housing to be a part of their compensation. Instead, they indicated that the church-owned parsonage as housing is a "given" part of the United Methodist Church ministry. Clergy spouses (46%) shared this view. And most (80%) of the District Superintendents expressed the same opinion.

However, laypersons tended to interpret the church-owned parsonage as a type of compensation. A majority (51%) of the responding chairpersons of Pastor-Parish Relations Committees indicated this view; and the proportionate difference between the response patterns of the clergy and laypersons is statistically different (.05). This raises a question of interpretation and definition which may need to be addressed.

It should not be assumed that there is general agreement among the clergy on this issue, however. Ministers with the greatest number of years of service are more likely to accept the church-owned parsonage as a "given," while ministers who have more recently been ordained are more likely to view the church-owned parsonage as a part of their compensation. Salary range of the minister and size of the church membership apparently have no significant relationship to opinion on this issue. Only clergy whose churches are located in urban areas (over 50,000) were likely to more frequently interpret their housing as a form of compensation, when church location was considered.

How do ministers feel about their experience with parsonage living? More than three-fourths (84%) expressed some degree of satisfaction. Fifteen percent indicated some dissatisfaction. The longer the time the clergy have been in the ministry, the greater the probability that parsonage living will be described as "very satisfactory," and the less likely an indication that parsonage furniture, accessories and decor will be cited as a source of frustration to their families.

If given a choice, a majority (60%) of all the clergy responding would choose living in a

church-owned parsonage rather than receiving a housing allowance to rent or purchase a residence of their own choice. Most District Superintendents (93%) assumed that their ministers would choose to live in a church-owned parsonage rather than to receive a housing allowance. However, the number of years in the ministry appears to be related to preference by clergy. For those who have served less than ten years, a majority (51%) indicated that they would prefer to receive a housing allowance if given a choice, and 49% would choose a church-owned parsonage. For those with thirty or more years of service, 71% expressed a preference for living in a church-owned parsonage, and 25% a preference for receiving a housing allowance.

While a majority of all clergy responding (74%) indicated that they believe the church-owned parsonage makes the itinerant system more workable, ministers with less than ten years of service expressed this view less often (67%) than ministers with thirty or more years (84%). Twenty-seven percent and ten percent, respectively, indicated they thought it had no effect. District Superintendents were generally agreed (93%) that the parsonage system makes the itinerant system more workable. As to whether minister-owned homes would make the itinerant system unworkable, less than half (42%) of the ministers with fewer than ten years service said they thought this would happen, while two-thirds (67%) of the ministers with thirty or more years said they believed this would happen. Thirty-one percent of the more recent ordinands indicated they believed home-ownership would have no effect on the itinerant system, while only 10% of the senior ordinands thought it would have no effect. About the same proportion of both groups (13% and 12% respectively) stated that they believed home ownership by clergy would enhance the itinerant system. District Superintendents (80%) indicated a belief that if the minister were to own his/her home, this would make the itinerant system unworkable.

Should each local church be given an option of providing a church-owned parsonage or providing a housing allowance, or should every church be required to provide a church-owned parsonage with no other option? A majority (58%) of all clergy responding indicated that they would like to see each church being given an option, and 39% preferred no option other than a church-owned parsonage. Salary range or location of the church apparently was not significantly related to the preference, with the exception of clergy whose churches are located in open country. Only in this category was the majority opinion in favor of having no option other than a church-owned parsonage (58%). Years of service in the ministry was again related. For those full-connection members with less than ten years of service, 82% expressed the opinion that each church should be given an option. For those with thirty or more years of service, only 31% favored such an option. The proportionate difference between these two groups is statistically significant (.01). District Superintendents did not favor local options. Two-thirds (67%) indicated they believed there should be no option other than church-owned parsonage.

The position of laypersons (Pastor-Parish Relations Committees) was similar to that of the general clergy response: 57% stated they felt each local church should have an option as to providing a church-owned parsonage or a housing allowance, 41% indicated they felt every local church should be required to provide a church-owned parsonage, with no other option.

It is concluded from the survey that clergy attitudes regarding church-owned parsonage and housing allowance tend to be related to length of service in the ministry. There is nothing in our data to explain the reasons for the differences between the end-points of the continuum of service years. It may be due to the traditions prevailing at the time the ministry was entered, to the level of salary/compensation during the years of service, to attitudes toward change, to the type of professional preparation of the ministers, or to other factors.

It is apparent that there is no consensus among all clergy and laypersons to support either a mandatory church-owned parsonage or an optional provision of housing allowance. However, the data from the survey indicate that a majority would like to see each local church being given the option of making its own decision.

Additional reports derived from the survey will be forthcoming from the Area Board of Pastoral Care and Counseling Systemic Issues Committee, A. Rayburn Jones, PhD, Chairman.

## REPORT NO. 2

In 1980, with the cooperation of the Department of Consumer Affairs of Auburn University, the Board of Pastoral Care and Counseling surveyed ministers of the Birmingham Episcopal

Area of the United Methodist Church to identify ministers' perceived financial problems, financial attitudes, areas of financial competence or areas in which financial information/education is needed, and economic family position. The study was based on responses from 234 male married ministers.

Approximately one-half of those responding indicated that their wives were employed outside the home, and that their wives' earnings had made a substantial contribution to family income adequacy and overall quality of life. Two-thirds of the ministers whose wives were not working outside the home stated that their spouses did not want paid employment, while one-third indicated that their wives would like to be employed.

Of those ministers whose wives work outside the home, one-half said reassignment poses no threat to their financial security. By contrast seventy-one percent of the ministers with non-employed wives saw reassignment as posing no threat to financial security.

Over seventy-seven percent of the clergy believed that their congregations approved of a minister's wife working outside the home, and eighty-seven percent indicated that a minister's wife should have outside employment if she wanted it or if it were financially necessary.

Although a majority indicated that financial problems had occasionally caused problems in their marriage, two-thirds viewed the problems as being easily overcome (one third indicated the problems to be severe, leading to frequent argument or discussion). Three-fourths stated that spending/saving decisions were made jointly with the spouse, although ministers more frequently said that they (rather than their spouses) assumed responsibility for household financial management. The most frequently reported short-term goal was to pay debts; and the most frequently reported long-range goal was retirement.

In the sample, median ministerial family income from all sources (including church-provided housing) was approximately \$18,000, (1979 median for all husband/wife families in the United States was \$21,643). Forty percent of the ministers felt that their income was somewhat lower than that for households of similar composition in their congregations, while thirty-eight percent considered their income to be about the same.

The median amount of monthly household expenditures for minister's families was \$1,067.50. Almost three-fourths of the ministers reported some form of nonmortgage debt, with the median amount owed being \$3,000. Eighty-six percent indicated they had an automobile installment loan, and thirty-two percent had cash installment loans. All-purpose credit cards were held by sixty-nine percent, department store cards by eighty percent, gasoline cards by seventy-five percent. These percentages are higher than the national average.

Nearly twenty-seven percent of the ministers responding indicated that they own homes, and over forty percent reported owning other real estate. Approximately half indicated that they saved and invested on a regular basis, with the median monthly amount reported being \$100.00.

A large number of ministers reported substantial amounts of unembursed professional expenses, particularly for transportation, and telephone and other utilities.

Many ministers indicated a desire, both personally and professionally, for assistance with general financial planning, money management, taxes, buying goods and services, goal setting, and estate planning.

## BOARD OF DIACONAL MINISTRY

*A Theological Interpretation of Diaconal Ministers for the United Methodist Church* states: "The Diaconal Minister is consecrated to responsibilities primarily for Service, Justice, and Love.

"The Elder is ordained to responsibilities primarily for Word, Sacrament, and Order.

"Both specialized ministries seek to represent the continuing ministry of Jesus Christ and to enable the ministry of all believers.

"Diaconal Ministers and Elders perform their respective ministries from a sense of calling and with the intention to present again the call of God to the whole person. It is the mutual sharing of responsibilities that enhances the ministry of the whole people of God in worship and mission."

The General Conference of The United Methodist Church is studying to find the approp-

riate model and interpretation for the new concept of Diaconal Ministry. Because we are committed to full-time ministry and have responded to that call, each Consecrated Diaconal Minister has fulfilled all the requirements of graduation from high school, a bachelors degree, and a graduate theological masters degree as well as completion of basic studies and foundation courses. We are not "competing" with the ordained clergy; we are desiring to "work in ministry with" the ordained — each doing their own specialized areas.

We were pleased to share with the ordained in the Continuing Education Event of the 1981 Area Convocation on Pastoral Care held at Birmingham-Southern College. In January of 1983 we will share again with the Ordained Board in sponsoring the Multi-Staff Workshop.

Because the Discipline requires a balance of clerical and lay members of the Annual Conference, the Diaconal Ministers (laity) are voting members of the 1982 Conference, under Standing Rule 13, as they were in 1981.

High standards have been set for annual re-certification of church educators and musicians; this includes a short written report of at least four books read, and the equivalent of six units of continuing education each year.

Presently our Conference Board is responsible for 18 Diaconal Ministers, 13 certified church musicians and 2 music assistants, 23 certified Christian educators and 7 education assistants. We have 7 candidates for the Diaconal Ministry.

Each year we have been allotted more funding to establish a much-needed scholarship loan fund.

We appreciate the strong support from our Board members and look forward to greater efforts of sharing and caring in time and progress toward greater Service and Justice and Love.

The Board of Diaconal Ministers recommends that a beginning Diaconal Minister receive at least the minimum salary support as a member in full connection and receive hospitalization insurance, pension, and housing or housing allowance, equitable to those in the ordained ministry.

Nonie S. Green, Chairperson  
Board of Diaconal Ministries

### **Alabama-West Florida Diaconal Minister's Stole**

The Alabama-West Florida Diaconal Minister's Stole visually recognizes the diaconal minister consecrated for a ministry of love, justice, and service. It is distinctly different from the liturgical colored stoles of the ordained minister, but is worn with the traditional minister's robe. This combination lifts up the complementing and supportive ministry of the ordained and diaconal minister who are both called by God and set apart for a particular ministry.

The Diaconal Stole is made of a simple, earthtone, homespun fabric to identify the servant role. The ends of the diaconal stole are pointed to again distinguish it from the elder's stole. The Cross and the Flame, symbol of The United Methodist Church, is embroidered on the bottom, right corner of the stole. The symbol for Diaconal Ministry, the Basin, Towel, and Pitcher, is placed on the upper right side, close to the heart. The bottom right corner is embroidered with the symbol that identifies the diaconal minister's special ministry: a butterfly for education; a treble clef for music; additional symbols may be designed for other areas as the need arises (i.e., counseling, business administration, etc.). Some diaconal ministers are qualified in two areas, such as education and music; their stoles will reflect this ministry.

This recognition of the diaconal minister through the wearing of a special stole will help to affirm the ministry we engage in and educate the lay members of our congregation to the two kinds of ministers in our Conference. It is with great pride we will wear our Alabama-West Florida Diaconal Stoles.

### **COMMISSION ON THE STATUS AND ROLE OF WOMEN**

The disciplinary responsibility of the Alabama-West Florida Conference Commission on the Status and Role of Women, "to challenge The United Methodist Church ... to a continuing commitment to the full and equal responsibility and participation of women in the total life and mission of the church, sharing fully in the power and in the policy making at all levels of the church's life," (Paragraph 2201-2209, 1980 Discipline) means that this Commission must have goals to increase the numbers of women "who will be equipped for and will have moved into

key leadership positions in decision-making arenas of the Church.” Such goals have been set by our conference commission within the commission’s mandated function of advocate, catalyst and monitor on behalf of women within the church. The commission has also pledged itself to work within the church to raise awareness on issues affecting women.

Toward implementing these goals the commission arranged for a representative to attend a training event for potential trainers in male/female dynamics at Scarritt College in August, 1981. The event was designed to “establish a network of trainers/facilitators in annual conferences who are equipped to lead seminars/workshops to heighten the awareness of male/female issues to broaden the base for collegiality among women and men.”

“Women are entering professional roles in the church in increasing numbers (both lay and clergy),” wrote the General Secretariat in explaining the event. “Women are also assuming leadership roles in key decision-making arenas. It is therefore essential that the dynamics among women and men be understood and respected.”

The commission also sent a participant to the North American Consultation on Christian Women in Media in May, 1981 at Southern Methodist University in Dallas. The Consultation was designed to “give visibility to Christian women communicators and provide a network for Christian women in media to function both as a support system and as a forum through which they may seek solutions to common problems and further the realization of common goals through sharing their experience.”

In pursuing common goals, the Alabama-West Florida Conference Commission on the Status and Role of Women is communicating with and working cooperatively on a Nurturing/ Training Event for commission members, concentrating on “where we are, where we’re going, and how to get there,” with the North Alabama Commission planned for July.

With increased numbers of women assuming leadership roles in the church the commission is endeavoring to establish a “talent bank” of women who are interested in serving on boards and agencies and provide training to help them function effectively.

Concerns of the commission have been presented at the Annual Conference breakfast for women delegates and other women attending the conference.

The commission serves as an advocate of women’s fuller participation in preaching the gospel by providing continued support of the Clergy Women’s Task Force in the Conference and providing opportunity for attendance at the Third Consultation of Clergywomen to be held in 1983 in New Mexico, and urges the whole Annual Conference to encourage local churches to observe “Women in the Pulpit Day,” to affirm the right and responsibility of both clergy and lay women.

As advocate, catalyst and monitor the Commission on Status and Role of Women seeks to call the Alabama-West Florida Conference United Methodist Church to be faithful to the Gospel and to be a witness, by its own inclusiveness to the liberating power of that Gospel.

## COMMITTEE ON CAREER/LIFE PLANNING

Every person's life belongs to God, and, for the Christian, the call comes first to accept Christ and then to express this commitment in every aspect of life. The Committee on Career/Life Planning is seeking ways to enable people to express their Christian commitment through examining their life and career goals.

In May of 1982 the committee hosted a "Mid Life Journey" Conference at Blue Lake. If the evaluation of this event is favorable, we will be planning a similar event in 1983.

We are also surveying the churches in the Conference to see if a Summer Intern Program would be of value. This program would seek to help young people who are looking for positions in churches as summer youth directors and churches who are looking for youth directors to find each other. We would also provide training for the youth directors.

Another activity of our committee is the providing of career resource material for youth and their counselors at the Fall Youth Rally.

## UNITED METHODIST WOMEN

### REPORT NO. 1

*"Lift Up Your Voice,"* The 1981 program theme of the Alabama-West Florida Conference United Methodist Women challenged all members to participate fully in God's mission as mandated by our Lord and Saviour, Jesus Christ. All program events and activities were designed to implement our purpose as stated in the *Discipline*; United Methodist Women shall be a community of women whose purpose is to *know God* and to experience freedom as whole persons through Jesus Christ, to *develop a creative supportive fellowship*, and to *expand concepts of mission* through participation in the global ministries of the church.

*To know God and to experience freedom as whole persons through Jesus Christ*

The Conference Spiritual Enrichment Retreat, led by the Reverend Robert Wingard, was held in April. All districts held a "Day Apart" or a district retreat. Local units presented "Call to Prayer" services and participated in spiritual growth studies. 157 local units participated in World Day of Prayer services.

Personal growth of all officers was promoted through leadership development opportunities. The Conference provided a leadership workshop for all district officers in November. In December, four new conference officers received training in New York or Cincinnati. In October, Conference President, Jane Weekley attended the Women's Division meeting in St. Paul, Minnesota.

*To develop a creative supportive fellowship*

The Conference has 345 local units of United Methodist Women with a total membership of 11,661. Nine new units were organized in 1981. *To promote inclusiveness* and to strengthen the ethnic minority church the Conference officers conducted ethnic minority workshops in the Demopolis and Troy districts.

### REPORT NO. 2

*The ratification of the Equal Rights Amendment* is supported by the United Methodist Church through action of the General Conferences of 1972, 1976, and 1980. In support of the church's position and because of the United Methodist Women heritage of advocacy for all women, the United Methodist Women conference executive committee voted in November to support the ratification of the amendment. In September two conference representatives attended the ERA workshop in Ashville, North Carolina. In January two officers attended the People of Faith ERA Prayer vigil in Tallahassee, Fla. and in March, representatives attended the vigil in Montgomery.

*Criminal Justice* received continued Conference emphasis through support of AVIC (Alabama Volunteers in Correction) and the Tutwiler prison-chapel task group. 33 local units reported some type of prison ministry in 1981.

*To expand concepts of mission through participation in the global ministries of the church*

Mission education is a top priority of United Methodist Women. All Conference officers and 56 district officers attended the Cooperative School of Christian Mission in August and 94 local units were represented. 150 units held mission studies in the local church. A memorial was given to provide 3 scholarships to the 1982 School of Mission. Eleven conference officers attended the Regional School of Christian Mission at Hiwassee College, Madisonville, Tennessee in June.

The legislative process continues to be a mission area for United Methodist Women. In January seven districts held legislative affairs workshops reaching 250 women, and in March one conference officer attended the National Impact Seminar at Washington, D.C. (Impact is an interreligious lobbying coalition for state and national social issues).

### REPORT NO. 3

"Finance Equal Program" was the theme of the 13 financial interpretation workshops presented by the conference throughout all nine districts in February and March. Leading the workshops were Jane Weekley, Conference President, Alma Singleton, Conference Treasurer, and Sue Jones, Women's Division Director. They told the "mission story" of how \$16,000,000 given each year by United Methodist Women in pledges to mission are translated into a world wide ministry of caring through the Board of Global Ministries of the United Methodist Church. 179 local units reported a pledge increase in 1981 and 488 attended the workshops.

The 1981 Annual Meeting was held at Blue Lake on October 2 and 3 under the banner "*Lift Up Your Voice.*" The Reverend Leontine Kelly of Richmond, Virginia was the keynote speaker. 615 members and guests attended. On Friday evening Marion Conner, dramatist from Jacksonville, Florida, presented the life of missionary Welthy Fisher. The Mobile district presented wheel chair ramps to Blue Lake in honor of Vera Moore, Mobile district president. The Troy district presented a silver chalice and a set of paraments which were dedicated to the memory of Rosemary Monte. During the pledge service the nine district treasurers made a total pledge to mission of \$131,000.

The "sending forth" service at the 1981 annual meeting brought to a close an exciting year dedicated to the fulfillment of all the mission emphases of our purpose. The Reverend Leontine Kelly challenged all United Methodist Women to constantly "lift up your voices" in defense of the powerless and the poor, and to proclaim fearlessly the love of God for all humanity as revealed in the life, death, and resurrection of Jesus Christ.

### BOARD OF MISSIONS

The responsibilities of the Board of Missions are challenging and rewarding to those of us who are privileged to serve in this area of ministry. Each time we meet, I see a growing involvement by the men and women who give unselfishly of their time to serve on this board.

Our board is divided into several sections with a secretary heading each section. All the work is essentially handled in these sections, and the Board of Missions perfects and approves the Committees' recommendations.

The Board of Missions is linked to the local church through our District Missionary Secretaries. Mrs. Ida Eggerton is chairperson of this group, and they are to be commended for their efforts to keep the mission needs known to this conference.

The response to the request made by this board to the Annual Conference last year is greatly appreciated. Specifically we ask for your support of World Service and Conference Benevolence, support of the Advance Special Program, and Mission events in the local church.

Our contributions to World Service and Conference Benevolences increased \$91,758 or 14% over 1980. Our percentage of the asking was 89%, and this represents one percent less. Therefore, we call upon you to continue to work for 100% of World Service and Conference Benevolence in every district.

Your support of the Advance Special Program continues to grow. In 1981, we had a 21% increase in giving to this work, and our total giving was \$356,953. This was an increase of \$62,469. We urge you to continue to grow and participate in the Advance Special recommendations from your Board of Missions.

Work teams are now making an impact from our conference. Last year, six work teams went from our conference and assisted local congregations in building needs.

We urge each local church to study the mission priorities published each year by the Board of Missions. We especially need your support in finishing the project for the Ebenezer School in Belize. This is a commitment we have made to UMCOR.

We ask the District Superintendents to work through their District Council on Ministries and plan at least one mission event in 1983. Our District Missionary Secretaries are ready to lead in a Mission saturation at any time.

The board continues to have outstanding support from Dr. Frank Hyles. His work and dedication is immeasurable, and the \$1,108,307 contributed to World Service and Conference Benevolences and the Advance is an indication of the excellent leadership he is giving.

### CONFERENCE COOPERATIVE SCHOOL OF CHRISTIAN MISSION

The Conference Cooperative School of Christian Mission was held at the Blue Lake Assembly on July 29-31 (weekday) and July 31-Aug. 2 (weekend). The Reverend Douglas Newton served as dean of the school and the Reverend Leonard Howell served as associate dean. Studies presented were Isaiah (40-55), Europe, and Partners in Pluralism. Instructors were Ms. Bettye Corcoran from Atlanta, Ms. Barbara Campbell from New York, the Reverend Charles F. Betts from Huntsville, Ala., and Mrs. Eloise McGucken from Selma, Alabama. Special resource persons were the Reverend Tom Curtis, Coordinator of the SEJ Volunteers-in-Mission and the Reverend Ervin Daily, Field Staff, United Methodist Communications S.E.J.

The school Planning Committee included Mrs. Kenneth Weekley, Mrs. Jan Hulbert, Mrs. Bowens Willis, Mrs. Anne Dalton, Mrs. Wm. Jones, Mrs. Odell Jones, Mrs. Paul Gordy, Mrs. Leonard Shults from *United Methodist Women*; Reverend Pruitt Willis, Reverend Al Harbour, Jr., Miss Michelle Anchors, Reverend Douglas Newton from the *Board of Missions*; Reverend Frank Hyles and Reverend Everett Barnes from *Conference Headquarters*; Reverend Clifford Abbott from the *Conference Cabinet*, and Mrs. Roland Barker from *South Atlantic Regional School Committee*.

The 1982 Conference Cooperative School of Christian Mission will be held at Blue Lake August 3-5 (weekday), August 7-8 (weekend). There will be a special one day "Drive In School" on Friday, August 6. Studies to be presented are *Hebrews*, *People of the Pacific Islands*, and *Pilgrimage In Faith*. Instructors will be Dr. Charles Copher, Mrs. Margaret Wilcox, Ms. Bernice Dvorak, and Mrs. Eloise McGucken. The Reverend Leonard Howell will serve as dean of the school and Mrs. Jan Hulbert will serve as associate dean. Mrs. Irene Miller will lead the music for all three sessions.

### COMMITTEE ON CHURCH EXTENSION

The Committee on Church Extension re-affirms our 6 goals for this quadrennium. They are:

- 1) To double membership of the Ten Dollar Club.
- 2) To encourage the establishment of new congregations where needed.
- 3) To become better informed of needs for grants and loans.
- 4) To inform churches of financial assistance available.
- 5) To follow Board adopted guidelines closely.
- 6) To make churches aware that church extension is an arm of World Service and Conference Benevolences.

At our regular meeting, we re-defined one of our guidelines, having to do with "mission nature." Previously, the Board has attempted to make some contributions to almost every church making a request. However, due to the limited amount of funds and high inflation, the Board re-assessed this position. We now will make a donation only if, in the judgement of the Board, the request truly meets the criteria of a "mission nature." We have defined mission nature as: "a situation of special need to enable the church to be in mission sooner because of assistance granted by this board." It shall not be merely to assist a local congregation in improving or enlarging present facilities.

We further state that Church Extension funds are not available for the maintenance of buildings or for the program of the local church.

A third revision of the policy of this committee is that all applications will be considered by the entire board and that all applications must be sent to the secretary of the Church Extension committee prior to the bi-annual meeting of that board. We will meet twice a year to consider applications. Forms for applications are available from the Church Extension secretary.

Please consider carefully whether or not our request will fit this definition before making a formal request. Copies of the guidelines for consideration of loans and donations are available from the Church Extension secretary.

### **Ten Dollar Club**

We continue to approve two (2) requests each year for churches in very special and unusual situations to be recipients of the Ten Dollar Club appeal. We appreciate the support you have given this and urge all Methodists to consider joining the Ten Dollar Club. No more than two requests a year will be made and you are not obligated to respond to any request unless you desire to do so.

### **Church Extension Grants In 1981**

|   |            |
|---|------------|
| East Brewton First United Methodist Church .....      | \$2,000.00 |
| Lillian United Methodist Church .....                 | 1,200.00   |
| Megargel United Methodist Church (Uriah Charge) ..... | 1,500.00   |
| Slocumb First United Methodist Church .....           | 2,000.00   |

We denied one request because it did not fit the definition of "mission nature" as explained earlier. We increased one request because of their excellent record and progress in support of all conference askings, especially World Service and Conference Benevolences, and their need was greater than the amount requested.

### **Church Extension Loans In 1981**

|  |             |
|--|-------------|
| East Brewton First United Methodist Church ..... | \$30,000.00 |
|--|-------------|

We are happy to note that no churches with loans from the conference Board of Missions are in serious arrears, and that all are making regular payments to pay their loans.

J. Joel Jones, Chairman

### **URBAN WORK COMMITTEE**

This committee continues to be sensitive to the geographical and sociological changes in the urban communities served by our Annual Conference.

Our ministry has concerned itself with population shifts and the emergence of new communities. This is particularly noticeable in the inner-city setting where efforts are being made to bring the different life styles into the mainstream of community involvement.

Ms. Boots Guthrie, Annual Conference Representative of Urban Work, attended the Southeastern Jurisdiction Urban Work Network meeting in Nashville, Tennessee in February. Efforts are being made by SEJUNW to bring urban work into the focus of the Jurisdictional Council on Ministries. The emphasis of this year's program was extremism.

The Committee on Urban Work will strive to promote better communication at both the Annual Conference and local levels.

It is our desire to assist churches and other groups within our conference in their efforts to understand problems related to urban structure. We, therefore, call upon each unit of our conference to make our committee aware of needs and opportunities in which our committee might become involved.

We must continue to remain sensitive to the economic and political climates which greatly affect the urban setting and its people.

We urge your prayerful support in the work we do.

Tom M. Ellisor, Jr., Chairman

### **COMMITTEE ON EDUCATION AND CULTIVATION**

The Board of Missions for the past year has recommended the continuation of the "4

Lanes/Plus 2" Mission Award for those churches in our conference that meet the following requirements:

- (1) Pay *World Service and Conference Benevolences* in full;
- (2) Contribute at least ten dollars (\$10.00) to a mission project in each of the *four lanes* of the Advance: World, National, UMCOR, and Conference;
- (3) Contribute any amount to the two special quadrennial programs: *African Church Growth and Development and World Hunger*;
- (4) Conduct a program of *Missionary Education*.

In an effort to become more knowledgeable regarding our Conference Mission Projects, the District Mission Coordinators have held their meetings and toured the facilities at (1) Dumas-Wesley, Mobile, Alabama, and Noah's Ark, Panama City Beach, Florida.

As a group, we encourage participation in (1) the *Conference Cooperative School of Christian Mission*, August 3-8, Oakwood Lodge, Blue Lake Assembly; and (2) the *Southeastern Jurisdiction Conference on Christian Mission*, July 5-9, Lake Junaluska, N.C. We also encourage our youth in attending (2 delegates per district) the *Youth In Mission Conference* at Lake Junaluska, July 5-9.

During this last conference year a number of missionaries itinerated throughout our conference: (1) Rev. Glenn Keller (Costa Rica), (2) Rev. and Mrs. Gerhard Schreck and sons (Algeria), (3) Dr. and Mrs. John Groves (Mexico), (4) Rev. Roy May (Bolivia and Costa Rica), and (5) Rev. and Mrs. Bob Paulson (Red Bird). In addition, a number of *nationals* from other countries and churches in worldwide Methodism visited our conference: (1) the pastor and two laypersons from the Ephesus Church in Oaxaca, Mexico, (2) numerous youth from the Methodist Church of Costa Rica, (3) Bishop Luis F. Palomo and Rev. Marion Woods from Costa Rica, and (4) participants in the Latin American Team Itineration — Miss Alida Verhoeven, Argentina, and Rev. Samuel Araya, Chile.

Your continued support is requested for all missionaries assigned to the Alabama-West Florida Conference and listed in your 1982-83 Conference Advance Book. These include: (1) Mr. and Mrs. Gilbert E. Bascom, Japan; (2) Drs. Jeffrey and Ellen Hoover, Zaire; (3) Mr. and Mrs. James Joyce, Japan; (4) Rev. and Mrs. Glenn Keller (Costa Rica); (5) Drs. Jerrel and Joyce Mathison, Nigeria; (6) Rev. and Mrs. Roy Hass May, Jr. (Costa Rica); (7) Rev. and Mrs. Robert Paulson (Red Bird Mission); and (8) Dr. and Mrs. Raleigh Pickard (India). A local church may become a *Missionary Supporting Church* by contributing either \$1,000 per church or \$3.00 per member.

The *volunteer work team movement* continues to grow in our Conference. Among those going from Alabama-West Florida, the following are examples during this conference year (1981-82):

- (1) *Conference Youth Team* to Camp 37 in Costa Rica, July, 1981; (2) *Conference team* to Oaxaca, Mexico, August, 1981; (3) *Pensacola District Team* to Monterrey, Mexico, November, 1981; (4) *Conference Team* initiated by the Niceville United Methodist Church to Content, Jamaica, February, 1982; (5) *Gulf Breeze United Methodist Church team* to Barbados, February 19-March 4, 1982; (6) *Dothan, First United Methodist Church*, to Montego Bay, Jamaica, January, 1982; and (7) *Pensacola, First United Methodist Church*, to Port au Prince, Haiti, March 29-April 9.

A mission tour of Costa Rica, led by Dr. Billy Hall, acquainted conference-wide mission leaders and members of the Church Street United Methodist Church, Selma, Alabama, with the work of the Methodist Church in that country. Among the sites visited were (1) Tibas, (2) Esparsa, (3) Methodist Center at Alajuelah, (4) Barrio Conception, (5) Barrio Mexico, and (6) Quesada.

A Mission Saturation Event was held in the Selma District, April 23-25, 1982, and another is planned for the Montgomery District, February 11-13, 1983. Two other Districts (Demopolis and Dothan) are planning Saturation events in the near future. Mission Workshops, led by Dr. Frank Hyles, were held in more than forty local churches during this past year, and district wide events were conducted in the Andalusia, Marianna, Montgomery, Mobile and Pensacola Districts.

The development and use of *video tapes* in cultivating mission awareness and support continues to increase. At present, we are providing programs on (1) Costa Rica; (2) Belize; (3) Oaxaca, Mexico; (4) Heifer Project International; (5) Red Bird Missionary Conference; (6) Mobile Inner City and Mobile Metro (contact Fred Toland); (7) Ecumenical Committee of

Baldwin County and (8) Hinton Rural Center. Additional tapes are being developed continuously.

We wish to thank the *Advocate* for helping us highlight each month churches in our conference that have developed significant programs of mission interpretation and involvement. We are attempting to feature one church a month from each of the nine districts in succession.

Ida Eggerton, Chairperson

### UNITED METHODIST VOLUNTEERS IN MISSIONS

The Volunteers in Mission Committee is pleased at the growing involvement of local churches across our Conference in individual mission projects. For the Conference at large two scheduled trips are before us — one on a continuing project in Costa Rica in late July and the other continuing the work in Oaxaca, Mexico in August. Individuals or churches interested in short-term volunteer service may contact the Reverend R.L. Hoagland, Jr., 4807 Princeton Drive, Mobile, Alabama 36608.

### DUMAS WESLEY COMMUNITY CENTER

Dumas Wesley Community Center enjoyed one of the most challenging and successful years in its 78-year history as 1981 saw the agency conduct a successful capital fund drive to raise \$650,000 to purchase a larger facility.

The Center, which serves low income families in the Crichton community of Mobile, had long ago outgrown its modest two-story building opened in 1929. As members of the board of directors considered plans to expand by building an addition at the same site, the 37,000 square foot facilities of the Crichton Assembly of God Church and Academy became available. The church and its 12-grade school built new facilities more convenient to members of the congregation.

Dumas Wesley in 1981 launched a major fund drive, the first public drive in its history, and under the leadership of Oliver H. Delchamps, Jr., the campaign was successful. Campaign leadership came from the top business, corporate and civic leaders of Mobile and also the residents of the Crichton community who themselves gave generously in proportion to their ability.

With the assistance of professional fund raisers, the campaign was launched in March and successfully ended with a victory luncheon in June. "An expanded investment in human dignity," is how Dr. Stephen Dill, pastor of the Dauphin Way United Methodist Church and campaign leader, described the fund drive at the luncheon.

"Heartfelt thanks" were expressed to Oliver Delchamps by Mrs. Arthur Tissington, III, chairman of the Dumas Wesley board of directors and also active in the campaign.

The campaign success reflected a long history of service to the community. The largest single gift was made by the family and in memory of Mrs. Maude Adams, a supporter of Dumas Wesley many years ago.

Pointing out that not all capital improvement drives in the Mobile area had been successful in the past several years, James Erskine, member of the board and chairman of the building committee, commended, "... we know that the city will support an agency whose purpose is the promotion of dignity and a better life for those who are in need of help." He added, "The Dumas Wesley Community Center's record of service has been long and interesting. Our dream is that with God's help, its future may be even greater."

Heading up the Dumas Wesley staff is Carlton Caruthers who praised the work of Oliver Delchamps, said of the expanded facilities, "Ideas that have been simply dreams can now become realities. Our supportive community will play an ever increasing roll of importance in our success or lack of same. The same dedication that motivated the board of directors to expand after the 1919 fire destroyed one building must continue to permeate all of those who have historically supported the agency and its mission."

With expanded facilities and opportunities for service, operating budgets of the Center will grow proportionately.

Conduct of the fund drive did not interfere with the on-going programs and activities of the Center. Child day care, family home care program, tutoring, adult education, senior citizens programs, youth classes in sewing and cooking, adult classes in ceramics and other arts and crafts, summer camping, summer recreation, and the annual Christmas Toy Store.

During the year, Dumas Wesley hosted a number of visiting groups who came in to serve the community or do research. A church youth group from St. Petersburg repaired several houses, a volunteer, Dr. Irene Payne, worked the family day care nutrition program and the Sisters of St. Agnes came again to help with the summer recreation program.

Dumas Wesley co-sponsored with local church and city recreational leaders a three-day workshop for directors and recreational workers. Leading planning for the workshop was Clara Ester, program director of Dumas Wesley.

### NELLIE BURGE COMMUNITY CENTER, INC.

Nellie Burge Center has been richly blessed during the year. Our being limited to one two-story frame dwelling made any expansion of programs virtually impossible.

The former Burge Memorial United Methodist Church located across the street from the center was made available to us at the last conference. This additional space was indeed an answer to a prayer. Not only did it provide adequate room for on-going programs but also puts us in position to initiate new activities to serve the community.

This building has allowed us to host an all day United Methodist Women's Legislative Committee Workshop, an Internal Revenue Tax Assistance Day and a Community Health Fair, recently. These are the type services we are anxious to offer to the neighborhood. No other facility in the community is available for this type service.

A part-time neighborhood visitor has recently been added to our staff. This position was made available partly through a grant from the Board of Global Ministries. Rev. Richard Ford is living in the parsonage and is making contacts in the neighborhood. How thrilling it is to have a representative from the center extend the warm hand of Christian fellowship to people who live all about us. Thanks be to God for this expanded ministry.

All other programs continue to do well and expand. Our day care remains filled to licensed capacity. The Young Mothers Classroom, After-school enrichment time, girl scout and boy scout activities are all flourishing.

The Federal Home Day Care Nutrition Program continues to grow in spite of persistent rumors from Washington as to its future. Presently there are 153 homes with approximately 750 children involved. These children are assured well-balanced, nutritious meals each day.

Again this year we plan to have a 10-week summer program which will involve about 75 neighborhood boys and girls. One week of this time will find 27 of them taking part in Camp Discovery at beautiful Blue Lake.

We look forward to the future with eager anticipation. With the expanded facilities now available, only our imagination and resources will restrict us. We have infinite imagination but I must admit from time to time we encounter a limit of funds. However, this does not deter us from attempting to achieve our goal of rendering wholesome service to people who need us. I have found that somehow means are available when a situation is confronted. What a blessing!

W. Paul Woolley, Jr., Director

### UNITED METHODIST MOBILE INNER CITY MISSION

The mission continues the regular programs it has been known for over the years — Senior Citizens Activities, Recreation, Scouting, Bible Classes, Crafts, Worship, Emergency Relief, Counseling, Tutoring, Referrals, Sports, Community Planning and many more.

The mission continues to operate a Day Care licensed for 72 children, and the special summer programs such as operation of Taylor Swimming Pool, summer lunches, and recreation are still a major part of the ministry. CETA summer youth are helping with this again in 1982, but it will be their last year in view of the phase-out of the CETA program.

The Weatherization Project is already closed because of the cut back in CETA funding, but when it shut down over 400 of the elderly and poor were still on the waiting list to have this much needed service performed. The high school drop outs who were doing the work as they trained are back on the street looking for jobs.

The basic programs in the ministry to the Inner City will not suffer loss of actual dollars because of federal cut backs, because the mission did not use such monies in these basic programs. The fact is, however, that federal cutbacks are causing an increase in demands placed on the mission, because the church is now the source to whom the needy turn for help. The impact in terms of these increasing needs is already being felt, and the United Methodist

Inner City Mission Council is working very hard to keep ahead of these demands by providing the kind of financial base that can enable the mission to provide the ministry that is needed.

It should also be noted that there is an increase in community involvement in dealing with the growing problems faced by inner city residents. Drug traffic is increasing, and with the growing use of drugs comes a rising crime rate. The Oakdale Community Service Club works to challenge that growth — sometimes at great personal risk. Deteriorating housing, street lighting, poor drainage and inadequate city service are also dealt with by community residents working with the mission.

People care and when people care that's when things happen. They are happening in Mobile's Inner City because the people of the United Methodist Church care and the people in the inner city care and we work together to lift the banner of our Christian Faith and provide the opportunity for a better life.

### MOBILE METRO MINISTRY

Mobile Metro remains under the supervision of the Inner City Mission/Mobile Metro Council and is functioning in four primary areas in the Metropolitan Mobile area — Ecumenical endeavors, Disaster Response, Research and Survey, and Volunteer Services.

Mobile Metro works as a United Methodist representative in most major ecumenical efforts in Mobile such as the Conference of Downtown Churches, the Bay Area Food Bank, the Ecumenical Care Exchange, the Energy Crisis Advisory Board, and numerous other Inter-faith groups working together to eliminate duplication of services and to meet the needs of special people in the Mobile area.

The *Disaster responsibilities* are an outgrowth of Hurricane Frederic in 1979 and continue in the Mobile Area with the American Red Cross, Civil Defense, Mobile Fire Department and others.

Metro maintains continuous updating on such developments as new sub-divisions, plans for new apartments, shopping centers, etc. Information regarding population changes, growth patterns and future land use is available to local churches to aid in planning future growth and programs. The ministry is now working with several local churches in providing such data.

This *research* is also used to assist local churches in transitional situations evaluate their future so they can adequately plan ahead.

*Surveys* for new church sites are also included in this component of Metro.

The need for *volunteers* is growing steadily, and Metro is the arm of Methodism in Mobile to tap these needed resources. An example of this is the recruitment of over 50 volunteers to aid in the surplus cheese distribution in March of this year. Metro is now developing a roster of stand-by volunteers and their area of interest so they can be called in time of future need.

Metro is only a few years old but is now meeting a very important need for the United Methodist Church in Metropolitan Mobile.

### UNITED METHODIST DISASTER RESPONSE COMMISSION

This Commission, a joint effort of the North Alabama and Alabama-West Florida Conference, is now completely organized and trained. It has already responded to several disasters and will continue as a vital program in providing aid to our United Methodist congregations who are suddenly faced with the frightening loss that comes as a result of a disaster.

Fourteen members of the commission have been trained by United Methodist Committee on Relief to respond and determine the needs when there is a disaster anywhere in the State of Alabama or Northwest Florida. Training has also been provided for 21 recruits in each district within the two conferences, and these 21 people are developing a growing list of volunteers who can go directly to the assistance of any United Methodist Church requesting it.

This commission is a valuable resource for The United Methodist Church, and at least one member will be sent immediately to the scene of a disaster when word is received that it has occurred. When the responsee arrives they will be capable of evaluating the situation, and they will work directly under the local United Methodist leadership. Their presence can facilitate a much more rapid response in terms of finances and volunteers than would otherwise be possible.

The "ownership" of the disaster will always remain with the local community and the

respondee will remain and work with that local leadership as long as necessary to see that the needs of the victims are met.

If a disaster strikes place a call to any one of the following, and the process will begin. The more quickly the commission receives the word the better.

Volunteers are needed for debris removal, general clean-up, counseling, and home repairs. Skilled carpenters, electricians, plumbers, etc. are needed.

All volunteers remain on a stand-by list but should be free to work for a day to a week, depending on their schedule and the needs. Volunteers will be responsible for furnishing their own tools and equipment as well as transportation to the scene of the disaster.

### **NOAH'S ARK**

Panama City Beach Ministries of the Alabama-West Florida Conference, popularly known as NOAH'S ARK, is the outreaching arm of the churches of the Conference. Located at the center of Panama City Beach, these United Methodist arms reach out to thousands of vacationers in love, witness, and service each year. To accomplish its task the Ark functions in three different ways: (1) A beach retreat center for local church groups; (2) a Christian witnessing center to vacationers and tourists; and (3) a center for service, fellowship, witness, and worship for senior citizen winter residents in the beach area. All of this was accomplished this year with approximately 20,000 United Methodist dollars and a permanent staff of only three persons.

#### **Beach Retreat Center**

As a retreat center, the Ark facilities include: sleeping facilities for 125 persons, (two new dormitory type rooms nearing completion), all having camp style bunks; three kitchens for group cooking; two dining rooms, and another to be completed before the 1982 summer season; five classrooms; one large recreation and assembly room; a chapel for use on special occasions during retreats; one assembly room with seating capacity of 250 persons where two nightly musical witnessing programs are conducted during the summer months.

A plan is being worked out to refurbish a number of rooms to be used by more mature groups for retreats, conferences, etc., all during the year. The cost of this will be paid for by various church groups in honor of some member or as a memorial.

The summer months are the most popular time for beach retreats and are our busiest season. During 1981, forty-eight groups were scheduled. 39 of these were United Methodists, 2 were Presbyterian, 2 Baptist, 2 Assembly of God, 2 Lutheran, and 1 non-denominational. These groups conducted a variety of retreat activities, such as vacation Bible schools, choir retreats, fellowship retreats, spiritual life retreats, etc. Most of them involved themselves in the beach witnessing programs each afternoon, and many of them sang in the musical witnessing program at night.

These facilities are available for scheduling by any local church group who wish to hold their retreat in a beach area. The months of April, May, September, and October are ideal for retreats since the weather is balmy and tourists are at a minimum. Retreats are the major source of Noah's Ark income, accounting for approximately \$27,500.00 gross income for the year 1981.

#### **Christian Witnessing Center**

Our Christian witness is accomplished in a variety of ways, but four of the most important ways that God uses the Ark is through: (1) the very presence of a Christian center in the midst of a secular setting; (2) the daily beach witness; (3) the nightly musical presentation, and (4) the nightly proclamation of the Gospel.

(1) Thousands of vacationers pass Noah's Ark daily and are made aware that God has built a place in the midst of all the night clubs, bars, and pleasure pushing activities around them. They are reminded that the United Methodist Church is reaching out to them through God's love and trying to lead them in the way revealed in Jesus Christ. By this they are reminded that the United Methodist Church is active in the world seven days every week, and that our witness is not confined to the walls of our churches and fulfilled only on Sunday.

(2) Our witness is more personal as we extend it to the beach front each afternoon. The Christian groups in retreat visit the sunbathers and swimmers making personal contact with hundreds of people there. Each witness is encouraged to make his witness in his own way; however, guidance in witnessing is provided. Everyone contacted is invited and encouraged to attend the musical witnessing program. The result of the afternoon beach activities is seen in the often overcrowded attendance at the nightly musical program.

(3) The most dynamic witness is accomplished through the programs at night. This program is conducted by the Director, the "Two by Two" musical group, and the visiting musical groups. The presence of God's spirit is experienced upon entering the place. At exactly 8:00 and 10:00 p.m. the music starts. The music moves gradually from light fun music to a more serious note and finally, through the music of "Two by Two," the audience is prepared for the Gospel presentation.

(4) The Gospel is presented by the Director who is an ordained Elder in the Alabama-West Florida Conference. The audience is invited to respond by committing themselves to God, and to join the church of their choice back home. Christians are urged to rededicate themselves to the task of the church and to seek renewal within the life of their church. The people attending these programs are visibly moved and express their response in many ways. All present usually become aware of the presence of the Holy Spirit and feel God's call upon their lives.

### Senior Citizen Center

Beginning in October, the winter residents begin arriving from the northern states and Canada. Noah's Ark begins its varied ministry to these senior citizens on the 1st of November. Over a period of ten years, God has used Noah's Ark and its activities to create a community of seniors from widely scattered areas of the North. For them, it's homecoming when they arrive and begin participation in the recreation, social, and worship activities. Most of them say they treasure their months together here more than any other part of their year. To fully understand how much this ministry means to these people, one need only look at the lonely, bored, dejected, and often neglected older people in every community and by contrast see what a difference God and this United Methodist ministry has made in the lives of these "Snowbirds." As a response, the Chapel is crowded to overflowing each Sunday from November 1st to the end of March. This congregation is a loving, forgiving, self-giving, and happy congregation. God has created a redemptive fellowship — they have become the church because the Spirit of the Lord abides in them. Then at the end of March, they are scattered abroad — many never to return. But there's a great satisfaction in knowing that the United Methodist churches of Alabama and West Florida have made their last days to be the most meaningful days of their lives.

This is Noah's Ark and its ministry. The ministry has a budget of approximately \$100,000.00 for the year 1982; approximately \$22,000.00 of this will be United Methodist dollars. If this could be increased through advanced special giving, the ministry could serve even better. Two more staff members should be added and there is urgent need for repairs and renovation of the lodging rooms. God has blessed this work thus far and I believe will continue to do so, as long as we are faithful, and as long as the sun shines on Panama City Beach. Please continue to pray for Noah's Ark.

Reverend James C. Rains, Executive Director

### AID TO ACTION COMMITTEE

The Aid to Action Committee received one request for aid this year. This was from the Children's Resource Center in Pensacola, a non-profit therapeutic center for children with problems of various types.

As this center had also applied directly to the Conference Board of Missions for Advance

Special aid, it was agreed that the center be approved as a Conference Advance Special project.

Because the designation 'Aid to Action' seems not to apply at this time it was recommended that the committee henceforth be called "New Ministries Search Committee."

This change of designation is also reflected in the revised budget for 1982 and the proposed budget for 1983.

## COMMISSION ON TOWN AND COUNTRY WORK

The Commission on Town and Country Work realizes that the most vital step that needs to be taken is to establish the importance of the Small Membership Church in our Conference. The mental image of the Small Membership Church must be improved. The Commission on Town and Country Work is committed to this task.

Churches in the  
Alabama West-Florida Conference

In order to assist churches and charges strengthen their ministry we first must identify areas on which to focus attention. We do not offer "canned" programs. Instead, we offer guidance, support, and assistance to those seeking to design their own programs of ministry. Members of the Commission on Town and Country Work have received training at the Jurisdictional and General Church level that has improved their own leadership skills, and we are ready to share these experiences with those who seek assistance.

Simply by observation, we can see changes taking place all around us — communications, travel, new housing, etc. These are changing the scene around many of the small membership churches, and each church needs to prepare itself to minister to these changes. With this in mind, the Commission on Town and Country Work has designed training events that are creative and stimulating.

We need not only to say the words of faith, we need to put our faith into action. The Commission on Town and Country Work continues to re-evaluate its goals, and add to and take away where needed. Small Membership Churches can be vital churches. Our goals reflect our conviction that there are no small churches. There may be small ideas, small self-image, small numbers; but where people gather to worship, where Christ touches hearts, and lives are changed — that is greatness. That is cause to celebrate. We ask you to join in the celebrations.

The Commission is aware of the vast area open to creating new models for ministry in our Conference. The General Conference recommends continued emphasis upon the cooperative parish concept as a technique in strengthening the small membership church. Our Conference has moved away from this strategy. We encourage the Conference not to discard the Cooperative Parish concept, but rather, develop a new approach to old situations. We emphasize our connectionalism in many ways, but are we utilizing our best efforts in relation to the small membership church? Some innovative ideas are being studied.

The Commission on Town and Country Work commends Bishop Robertson for his interest and support of the work we seek to do. He is joined by a number of influential church leaders across the Conference. To these we wish to express our appreciation and hope that this list will grow significantly.

## GOALS

## Goals and plans:

1. The Minister's Workshop — June 28-30, 1982 at Oakwood Lodge, Blue Lake. The purpose of this Workshop is to assist ministers in developing their tools for ministry. Outstanding resource persons will present material necessary for a successful pastorate. Spouses and pre-school children are invited to attend with the minister. When continuing education guidelines are established, we plan to qualify so that this event can give units of credit.

2. The Convocation of Small Membership Churches is a model for training from which most churches can benefit. Resource persons with knowledge and expertise in the small membership church arena will be presenting information, and ideas that are workable. Units of credit will be given.

3. We support and encourage the United Methodist Rural Fellowship in its supportive role of Town and Country Churches. Ministers and lay persons are encouraged to join to help create and sustain a Christian Culture in town and rural communities.

4. District Leadership Development in Small Membership Churches is a vital concern. The coordinator of Town and Country Work in each District is a key person in scheduling events of training. Resources are available.

5. Continuing Educational opportunities for Commission members at General Board and Jurisdictional levels.

6. Continue and increase the Talent/Resource Bank.

7. Hinton Rural Life Center is a National Advance with emphasis by the Board of Missions. Commission members have benefited from their resources, and their staff has participated with us in training events within the bounds of our Conference. The mission and ministry of Hinton are directed toward strengthening the Small Membership Church and its ministry. We encourage the selection of Hinton as an Advance gift.

8. Celebrating Rural Life Sunday — May 30, 1982. Every church within our Conference can affirm the ministry of the small membership church. We may be industrializing, and our urban areas are growing, but the large majority of the small membership churches are still in rural areas. Support our heritage with some means of recognition. We suggest an offering be taken to support Advance Specials with Rural significance, such as, Hinton Rural Life Center, Heifer Project, Lillian UMC, Ten Dollar Club, etc.

## SPECIAL COMMITTEE ON SMALL MEMBERSHIP CHURCH

On Page 241 of the 1981 *Journal* of the Alabama-West Florida Conference of the United Methodist Church, in the report of Commission on Town and Country Work, is a request to Bishop Robertson to "appoint an appropriate committee to do the study and planning necessary to establish a policy regarding the small membership churches and that this committee report its findings to the next regular session of the Annual Conference for consideration." Pursuant to this, Bishop Robertson appointed a committee of seven ministers and seven lay people which met in September, 1981 and in February, 1982 to consider and discuss the charge which was given to it from the Annual Conference of 1981.

The committee would like to express its appreciation and commendation for the Commission on Town and Country Work in its emphasis and concern on the small membership church. In our Conference 75% of the churches have less than 200 members (1981 *Journal*, pg. 242). Further statistics gleaned from the 1980 reports for the General Church as compiled by Dr. Warren Hartman of the Board of Discipleship, indicate "64% of the United Methodist Churches in America have under 200 members, and those churches have only 22% of the membership; however, the churches with under 200 membership have 61% of attendance at morning worship in America. Churches of under 200 members have 96% of all the Sunday Schools with 81% of the total Church School attendance across the denomination." Thus, our Annual Conference is made up of  $\frac{3}{4}$  of its congregation with membership of less than 200.

We would, therefore, express our deep appreciation for those churches whose membership falls within this category and for the diligent and effective work which they are doing. We would affirm the work of the Commission on Town and Country Work in its effort at training and help to these churches in their day-by-day operation.

We recommend the following to the Annual Conference:

1. That the entire conference staff continue its ministry of work with churches of small membership to enable them to do the most effective job in programming and in administration. We commend the staff for its work in the past, but urge them to prepare and be even more diligent in their efforts with small membership churches.

2. We urge the Commission on Town and Country Work to recommend and stress that the District Councils on Ministries give the preponderance of their time and effort to work and ministry with churches of small membership. We would especially commend to them, training in the alternate organization of local churches as contained in Para. 245.1 in *The Book Of Discipline*, 1980.

3. We encourage the Commission on Town and Country Work to petition the Program Committee, at its meeting, to set aside an "order of the day" in a morning session of the Annual Conference immediately following the devotions and opening business to highlight the work of the small membership church. We suggest the possible invitation for someone from National Board level or an able speaker who can present effectively, both of the challenge and appreciation for this work, to the Annual Conference that the Conference may recognize and be aware of what is happening in churches of small membership.

4. We suggest that the Commission on Town and Country Work petition the Committee on Standing Rules that it present to the Annual Conference a change in the standing rules for membership on the Commission on Town and Country Work to bring it to the level of membership of other major concerns, i.e., one minister and one lay person from each district. We would recommend that this suggestion be made to take effect with the beginning of the quadrennium of 1984.

5. We would commend the Town and Country Commission on its work in planning the Beginning Ministers' Workshop; in organizing the Alabama West Florida Chapter of The United Methodist Rural Fellowship. We would recommend, to them, that they make vigorous efforts in planning other training and recognition events that will strengthen the work of the local church of small membership. We encourage them to seek the advice and counsel of the members of the cabinet; that the Conference Staff and/or District Staff bring training events into those small membership churches which need them in order to strengthen their program and to make more effective their work.

## PASTORS' ASSEMBLY BOARD OF MANAGERS

The Pastors' Assembly Board of Managers continues to plan and coordinate the program of the assembly, held each year at Blue Lake. Through the years we have attracted nationally known leadership who have instructed us in the many facets of ministry. We were pleased to have Dr. Jameson Jones, of Duke University; and Dr. Wallace Fisher, of Holy Trinity Lutheran Church, in Lancaster, Pennsylvania, as our leaders last fall under the theme "The Gospel in a Changing Society."

We have invited Dr. Albert Outler and Dr. Anthony Campolo as our faculty for the 1982 session. Each of these men has achieved renown in his respective field; Dr. Outler in ecumenism and theology, and Dr. Campolo in sociology of religion. We look forward to their leadership in the coming session.

We appreciate the continuing leadership and participation of Bishop Robertson. He inspires us as he joins us in the lectures and as he leads us in worship. Under his guidance and encouragement, we offer the 1982 Assembly as a certified Continuing Education Event for pastors. It will be possible to earn one unit of Continuing Education credit as pastors fulfill certain requirements in participating in the Assembly. As the need for Continuing Education becomes more acute, we feel the Assembly can help meet this need.

We appreciate very much the undergirding of the Annual Conference through budget support. Because of this generous support, we can offer outstanding leadership at a reasonable cost to our pastors. We look forward to a good Assembly this year, September 20-21.

James N. Love, President, Board of Managers

## REPORT OF THE COMMISSION ON RELIGION AND RACE

The Commission on Religion and Race has sought to carry out its disciplinary mandate to monitor racial inclusiveness in the Annual Conference during 1981-82. The chairman attended the Jurisdictional workshop in Nashville last fall and laid foundations for a Conference-wide workshop which will be held October 29-30, 1982. The leadership will include Bishop Robertson and personnel from the General Commission on Religion and Race with headquarters in Washington, D.C. We are hoping to tackle some of the important issues facing our Conference as we move into the 1980's seeking for greater racial inclusiveness in the work of the church in our area. We recommend that the Annual Conference focus its concern on these matters during the coming year.

The Commission has urged the Conference Committee on Nominations to be vigilant in keeping ethnic representation on all Conference boards and agencies. A survey is under way to determine the current ethnic representation on boards and agencies at mid-quadrennium. In line with the recommendations of the Southeastern Jurisdiction Task Force on Religion and Race the Conference Commission is seeking to develop a talent bank and to promote a specific program to increase inclusiveness and to move toward an open itineracy. The work of the Conference Task Force on the Ethnic Minority Church in setting goals and objectives is to be commended. Likewise, the promotion of "Schools on Wheels" by Rev. E.D. Ridgeway, Huntingdon College, and the Conference Staff designed to develop both lay and clerical leadership in the Ethnic Minority churches is to be commended. We applaud every effort being made to increase racial inclusiveness and to promote the development of the Ethnic Minority church within our Annual Conference. We believe we are making progress, and we look forward to the workshop during the coming Conference year to step up this progress.

William M. Pickard, Jr., Chairman

## UNITED METHODIST FOUNDATION

In the midst of a lot of bad news regarding the economy of the Nation, terrorism on a world scale, unemployment and the recession in which we find ourselves, it is a joy to hear some good news. And good news it is!

Look at the record of the Alabama-West Florida United Methodist Foundation — In *January, 1979* at the first meeting of the Directors the total assets were \$26,653.73 and no Special Funds had been established. In *July, 1979*, the assets had increased to \$76,556.21, the Perpetual Memorial Fund had been established, and the Foundation office was opened in Dothan. The *December 1981* financial report carried the good news of assets of \$771,999.62 with sixteen Special Funds for the benefit of many of the institutions, agencies and local churches of the United Methodist Church.

And now for the really good news — as this report is being prepared in March, 1982 our records show a total of \$980,000.00 assets with seventeen Special Funds!!

If all this can happen in just three years — think what the future holds.

Annual *disbursements* have been made to fourteen institutions, agencies, and local churches. The Foundation is operating *in the black*. The Foundation is not included in the budget of the Annual Conference simply because no such request has been made.

The Board unanimously endorsed and recommends to the Annual Conference the following people for election for a three year term of office as Directors of the Foundation: Dr. Ralph W. Adams, Mr. Wilfred T. Benson, Dr. Bracey H. Cross, Mr. Harry P. Hall, Mrs. E.M. King, Jr., Miss Alice F. Lee, Mr. C.H. McGehee, Mrs. A.D. Walden, Mr. W.K. Upchurch, Jr., Mr. Calvin L. Todd, Mr. Edward J. Woods, Mr. Yancey Parker.

The following officers were elected by the Directors:

President — James Y. Carroll

Vice-President — K.T. Riley

Secretary-Treasurer — Kenneth Cooper

Sincere appreciation is expressed to the Directors, the donors, the churches and all who have so graciously made the Foundation to be the service agency that it is.

**BOARD OF CHURCH AND SOCIETY**

The purpose of the Board of Church and Society is to relate the gospel of Jesus Christ to the members of the church and to the persons and structures of the communities and world in which we live. We proclaim the Lordship of Christ over the whole life of man and woman, their activities, possessions, and community and world relationships. We seek to demonstrate to all persons that the reconciliation which God effected through Christ involves personal, social

and civic righteousness. We affirm our belief that the gospel relates to the total needs of persons and we try to plan programs of the Board in the context of this understanding. Through a process of research, education and action, the Board of Church and Society seeks to implement its purpose.

The Board has continued its participation and involvement in the following endeavors: Cooperative School of Christian Mission; training of Southeastern Jurisdiction leadership for annual conference Boards of Church and Society; Impact (Alabama and Florida); using and urging distribution of *engage/social action* magazine. In its two meetings during the conference year, the Board continued to study and monitor the issues and concerns relevant to its responsibilities, particularly in the areas of social justice, human welfare, and world peace.

An issue of special emphasis for the Board has been penal reform. Led by its Social Justice Cluster (or committee), the Board has followed developments in Alabama during the past year in the criminal justice field, and, after much consideration and prayer, two formal statements were adopted as positions held by the Board. November 1, 1981, the Board sent to the Speaker of the Alabama House and other officials, and to the *Christian Advocate* and other media, a statement urging the State of Alabama to come immediately into compliance with federal court orders to reduce inmate populations in Alabama's unconstitutionally over-crowded prisons. An excerpt from the statement says: "The state must responsibly act to correct the injustice it helped to generate." The statement goes on to call for "more sensible and far-sighted programs to handle its (Alabama's) criminal offenders, such as the expanded use of work-release centers."

In addition, the Board issued a statement, on January 20, 1982, opposing Alabama House Bill #163, which would roll back from 18 to 16 the age at which a juvenile should be tried as an adult. This statement was sent to the Speaker of the House, the Lt. Governor, and other officials. It contends that "most sixteen and seventeen year olds who are accused of serious crimes are presently adjudicated in the adult system." To force backward the legal age of adulthood for trial purposes to 16 would "breed more hardened adult criminals who will stalk our communities and overflow our prisons" the Board said. This bill was still not acted upon by the House as this report went to press. A similar Senate Bill #194 was also not yet acted upon as this went to press.

The Board has taken a leading role in the organizing of the effort to address the Ethnic Minority Local Church missional priority in this Conference. On December 12, 1981, the EMLC Task Force of the Conference was officially constituted. Two Board members are on this Task Force and are representing the entire Board's views as the work of the Task Force moves ahead.

As part of its EMLC concern, the Board sponsored the application of a female student from Alabama State University for an ethnic minority internship program in Washington, D.C., to be held this summer under the auspices of the General Board of Church and Society. Only twelve spaces were open nationwide. The ASU student was still awaiting word on whether or not she had been accepted when this report went to press.

As the year has unfolded, the Board has increasingly placed emphasis upon the pressing matter of peace, particularly as presented in the quadrennial special program of the United Methodist Church, "Peace with Justice." At its fall meeting, the Board discussed the issue at length and began to develop possible strategies for it. At its winter session, the Board set aside several hours to study and discuss and reflect upon the scope and depth of the meaning of peace in conjunction with justice. As an outgrowth of the work, the Board submits the following statement:

*There can be no true peace in our local communities, our national society, or our world without the presence of economic, social and political orders which are just in the eyes of God. Because the Biblical imperatives to feed the hungry, clothe the naked, care for the sick, house the homeless, and remember the forgotten, are so inextricably bound to any hope of God-given peace in the hearts and in the interpersonal relationships of His children, it is clear that Christians are called upon especially in a nuclear age, to advocate both the absence of war and the presence of basic justice as a united emphasis.*

*The Board of Church and Society sees the key elements necessary for Christians to be peacemakers as residing in the Suffering Servant incarnate, Jesus Christ. This means a redefinition of concepts, like "Strength-weakness"*

and "success-failure" according to the redemptive terms set forth by the prophet of Isaiah 52:13-53:12, and by the Christ of Calvary. There can be no serious peacemaking emanating from those who promote, or permit by default, the current national and international climate of violent threats and nuclear blackmail. Such people are legion. The peacemakers whom God calls sons and daughters are the few who dare work for a just and peaceful new order out of the conviction that peace comes in a fallen world when the unmighty and the unarmed offer their bodies, minds, and spirits in a sacrifice of love, like that of Jesus, which makes the wounded world whole. Those who are consecrated to such crucified living will be shown by God the ways and means of daily peacemaking which the mighty and the armed in all lands lack the vision to see.

We have seen yet again this past year how the unjust, greedy pursuits of power, particularly by the violent "supernations" of the world, have inflicted terror and disruption upon the lives of many, while postponing the work of seeking the profoundest alleviation of the miseries of God's masses, relief which the wealthier nations could especially help provide. And from Poland to El Salvador, modest and poor countries have seen their internal conflicts become staging grounds for international posturing on the part of saber-rattlers of the East and the West. This exploitation must be opposed. It is an affront to the God of "the least of these." Let the church universal, in the name of Christ, call the faithful to creative defiance of such continuing blasphemy, wherever it may occur.

If there is to be peace with justice anywhere, this Board believes that Christian disciples who love the Lord and His church more than their own lives must dedicate themselves anew — with courage — to talking about, acting on, and carrying through on the specifics of that new world order which can best be described as the Kingdom of God realized in our midst. We therefore call all United Methodists in the Conference to pledge themselves to observe October, 1982, as "Peace with Justice Month" and October 24, 1982 as "Peace with Justice Sunday." We stand ready to assist local churches in planning appropriate programs, studies, actions and worship experiences for this critical emphasis. May God guide and direct each local church, and the entire Conference, as we all struggle to more precisely articulate and en flesh the meaning and method of Christ's peace for all people.

The Board intends to pursue "Peace with Justice" as a key part of its work in the year ahead. Providing leadership for the October emphasis, assessing the impact of that emphasis, and looking for new ways to state and act upon the Christian principles of true peace will occupy a large share of the Board's time and energy. We openly solicit the help of all who are stirred by the profundity of this matter.

The Board looks forward to a new year of identifying and responding to the divine business of the church and the society it serves, always knowing that the grace and truth of our Lord Jesus is the ultimate resource available to disciples of stout heart and good will. May the Lord use us creatively and redemptively.

## ETHNIC MINORITY TASK FORCE

### INTRODUCTION

The 1980 session of the General Conference mandated as its missional priority for 1981-84 "Developing and Strengthening the Ethnic Minority Local Church."

A resolution was presented at the 1980 session of the Annual Conference held at Huntingdon College, May 25-28, 1980, that a task force be set up to carry out the action of the General Conference.

Under the guidance of our leader, Rev. E.D. Ridgeway, the Ethnic Minority Task Force of the Alabama West Florida Conference was organized in a meeting convening December 12, 1981, at the First United Methodist Church, Greenville, Alabama.

Officers were elected, goals were set, objectives were drawn up, a research committee was established and an executive committee was named.

The task force has gotten off to a great beginning. Our Presiding Bishop, Frank L. Robertson, the Conference staff, District Superintendents, the President of Huntingdon College and Staff, Ministers, and Lay persons have been most responsive and kind, for which we are particularly grateful. Local congregations have been receptive and eager to share in every way possible.

The following goals and objectives have been accomplished to this date. There are three ministers in training, one with whom this committee has shared tuition expenses. Six new churches and one parsonage have been erected; three churches have been renovated completely.

Through the leadership of Rev. E.D. Ridgeway, an anonymous donor contributed \$725.00 which made it possible for 29 persons to study in a class, "Methodism," at Huntingdon College January 19-March 2, 1982. Dr. Andrew Turnipseed taught the class.

A total of 42 people attended the class during the period. Communities and surrounding areas represented were: Evergreen, Eutaw, Eclectic, Prattville, and Montgomery.

Twenty-seven persons received certificates on the closing evening. The policy for the Commission on Religion and Race requested of Bishop Robertson has been written, for which we are eternally grateful. This policy will serve as a most valuable instrument to guide us through this project.

Rev. Ridgeway made the following statement at the first meeting which clearly sums up the sentiment of the committee "Let us move forward, not against something, but rather to strengthen something."

## THE BOARD OF PENSIONS

### REPORT NO. 1

#### PENSIONS, ANNUITY RATES, APPORTIONMENTS

We recommend that the total annuity rate for service years prior to 1983 be one hundred forty-five (145.00) dollars per service year as a minister or approved lay pastor with pension credit; the total rate for widows be one hundred one dollars and fifty cents (101.50), provided that, for ministers, lay pastors and widows who are provided homes by the conference the annual pension amounts be adjusted by a reduction equivalent to \$15.00 for ministers and \$10.50 for widows for each year of service as a minister with pension credit in any conference or under special appointment with or without pension credit upon the Alabama-West Florida Conference.

We recommend that the apportionment to the local churches for the pensions and benefit program of the annual conference be \$1,300,000 for the calendar year 1983.

We call attention to paragraph 726.4 of the 1980 Discipline relative to the requirement that the apportionment for the pensions and benefit programs be paid in proportion to payment of a ministers salary and to the policy of the Board of Pensions charging defaults to ministers which constitutes a lien upon pension claims if not otherwise paid. Interest is added to other unpaid obligations at the rate of 7 percent annually.

| Death of child     | 1,000 | —     | 1,000 |
| Education benefits | 1,700 | —     | 1,700 |

We further recommend that premiums for Death Benefit programs be maintained by the Conference Claimants Fund and that ministers' premiums for the DBP Plus be \$31.00 per year.

We recommend that the present policy for eligibility, enrollment and participation in the DBP Plus plan be continued.

REPORT NO. 3

RESERVE FUNDING OF PENSIONS

We recommend that the resolution designated as report number 1, page 161 of the 1969 Journal and subsequent amendments, recorded on page 154 of the 1972 Journal and page 135 of the 1973 Journal shall be further amended to provide that, effective with the deposit made monthly, the level annual deposit for the purpose of funding pensions through the Ministers Reserve Pension Fund shall be such adjustment being required to fund prior years at the rate of \$145.00 per service year.

REPORT NO. 4

HOMES FOR CLAIMANTS

We recommend that \$40,000.00 be apportioned for Homes for Claimants subject to the approval of the Council on Finance and Administration for 1983.

The Conference now owns 39 units, having an insured value of \$1,179,000.00. Thirty-three of these are in Alabama; six are in Florida. At the beginning of the year, 1982, the outstanding indebtedness on these homes was \$34,311.73. Payment on this debt is \$516.49 per month.

The cost to maintain and repair these homes and insure them was \$22,343.76.

The Board has on deposit in interest bearing accounts a total of \$81,000.00, of which \$36,000.00 is held in reserve and pledged to pay two annuities to those who have deeded their homes to the Board. During 1981, \$5,600.00 was paid on these annuities. The remainder of the invested funds provides funds for the maintenance of our homes.

The Board holds two mortgages on property it has sold to individuals which produce \$481.72 per month. When homes are available, they may be rented. We receive income from the rented homes which assists in the operation of this program.

The Board is in the process of evaluation and study of our homes program. A survey of our ministers is being conducted which projects the need for homes in the future, the location and type of housing desired. From this information and from careful study, we hope a workable homes program for the future will be planned. The high cost of housing, interest rates, and availability of housing forces us to take a careful look at this program and the type housing we can best afford. If we are to be in the homes program, we must provide the resources for the best possible housing of our retired ministers and their families.

One aspect of our housing program we wish to encourage is the continuing emphasis upon our people considering leaving their homes to the Board for use by the Board in this program. As of this date, March, 1982, we have seven homes provided for in this manner. Interested persons in our churches should contact the director of our homes program for information and assistance in this effort.

## REPORT NO. 6

### SPECIAL APPOINTMENT PENSION RESPONSIBILITY

In keeping with Paragraph 1706.3A3 of the 1980 Discipline, we recommend that the following United Methodist institutions or organizations be approved for pension responsibility on this Annual Conference: Alabama-West Florida Conference Council on Ministries, Assembly Ground Commission, the Wesley Foundation at Auburn University, the director of Pension Funding Crusade and Homes for Claimants, the director of Noah's Ark, and the director and associate of the Mobile Inner City Mission.

We recommend that chaplains in the armed forces be listed as with pension responsibility on the chaplaincy of the military service.

We recommend that ministers under appointment as approved evangelists, to the Methodist Christian Advocate, to other area appointments and to other special ministries, shall be listed as with pension responsibility on this Annual Conference only upon payment to the Conference Claimants Fund an amount equal to 16.4% of the denominational average salary as determined by the General Board of Pensions. See Paragraph 1706.3a of the 1980 Discipline.

We recommend that special appointments to non-Methodist institutions shall be listed as without pension responsibility on this Annual Conference.

We recommend that all missionaries shall be listed as with pension responsibility on the Board of Global Ministries of The United Methodist Church.

**REPORT NO. 7****DEPOSITORIES**

**REPORT NO. 8****PENSIONS FOR LAY EMPLOYEES**

We strongly endorse the reserve pension plan administered by the General Board of Pensions for lay employees of United Methodist agencies and local churches. We recommend it to our local churches and agencies and urge that they use this official plan for The United Methodist Church to provide pension coverage for the devoted lay men/women who serve in their employ just as the Annual Conference provides for pensions for ministers.

Interested churches and agencies should contact: Wayne L. BonDurant, General Board of Pensions, The United Methodist Church, 1200 Davis Street, Evanston, Illinois 60201. Phone (312) 869-4550.

**REPORT NO. 9****FULL-TIME SERVICE AS A REQUIREMENT FOR PENSION CREDIT**

We call attention to the following provisions which appear in paragraph 1706.4a of the 1980 Discipline relative to full-time service as a normal condition for pension credit.

a. Full-time service of a ministerial member or a lay pastor shall be required as a normal condition for pension credit; provided, however, that such credit may be granted for part-time service by a three-fourths vote of those present and voting in the Annual Conference, on recommendation of the conference Board of Pensions (and Homes for Claimants).

b. Full-time service shall mean that full time is devoted to the work of a pastor by one who has not attained the age of mandatory retirement for a conference member, who is not attending school as a regular student, who is not substantially employed in nonpastoral work; and whose cash support per annum from all (church) sources is not less than the schedule of equitable salaries adopted by the Annual Conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full-time service as defined, except in cases of approved part-time service.

**REPORT NO. 10****RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES  
FOR RETIRED MINISTERS OF THIS CONFERENCE**

WHEREAS, the religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed minister in consideration of previous, active service; and

WHEREAS, the Internal Revenue Service has recognized that the Alabama-West Florida Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this conference;

NOW THEREFORE BE IT RESOLVED, that an amount of 100% of the pension payments received during the year of 1982 be and is hereby designated as a rental/housing allowance for each retired ordained or licensed minister of The United Methodist Church who is or was a

member of the Alabama-West Florida Conference at the time of his or her retirement: that the pension payment to which this rental/housing allowance applies shall be the pension payment resulting from all service of such retired minister from all employment by any local church, Annual Conference or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension funds of The United Methodist Church for such retired minister's pension.

NOTE: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of:

- 1. the amount of the rental/housing allowance designated by the minister's employer or other appropriate body.
- 2. the amount actually expended by the minister to provide his or her housing, or
- 3. the legally determined fair rental value of the parsonage or other housing provided.

As specified in IRS ruling 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107 (2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities."

PENSION FUNDING CRUSADE

1982 marks the end of a bold venture to fund pensions in the Alabama-West Florida Conference. What has been accomplished through the generous and dedicated support of our people through the crusade is simply amazing! Though at this writing the full story cannot be told, we can say that the dream has become reality in pension funding.

Funds received through February, 1982, total \$3,116,585.42. This is 76% of our adjusted fair share goal of \$4,114,821.00. To this must be added the interest earned from the beginning of the crusade, which puts us above our goal of \$3,500,000.00! A full report will be made to Annual Conference on the basis of more recent receipts with the recognition of those churches which have reached 100% of their goal by April 30, 1982.

It is expected that our churches will continue to pay on their goals through the remainder of this calendar year, since some of our churches began the Crusade at later times. We encourage those churches which have not reached their goal to continue to support the Crusade until we reach 100%.

We heartily congratulate the churches of our Conference and are greatly appreciative for the role they have played in establishing a firm base to the pensions program of our Conference.

## COMMISSION ON EQUITABLE SALARIES

The purpose of the equitable salary fund is to provide assistance to those ministers and their families serving charges whose salary will not assure a minimum standard of living. We believe that every charge desires to provide its minister with an adequate salary without assistance.

1. We, therefore, recommend that all charges receiving equitable salary assistance continue a program that will eliminate the need for salary supplements for their pastors.

2. The DISCIPLINE requires that a fully scheduled equitable salary be paid before pension credit can be granted by the Board of Pensions. To participate in the Insurance and Death Benefit Programs the minister must have pension credit. To receive fully scheduled equitable salary for the minister's category the Church must pay 80% of the equitable salary schedule for 1983. Pastors of newly organized congregations can for two years receive up to one-half of the equitable salary schedule from the fund for its pastor.

3. The equitable salary schedule shall be based on the average Conference salary of the full connection and probationary members as determined by the Board of Pensions. The schedule for the various categories (rounded to the nearest \$100) will be based on the following percentages of the average Conference salary:

Members in Full Connection, 80% of average Conference salary

Probationary Members, 80% of average Conference salary

Associate Members, 75% of average Conference salary

Seminary Students (married), 62.5% of average Conference salary

Seminary Students (single), 58.5% of average Conference salary

Full Time Local Pastors, 66% of average Conference salary

Local Pastor-Student (married), 50.5% of average Conference salary

Local Pastor-Student (single), 46.5% of average Conference salary

4. The amount of equitable salary a minister is eligible to receive is based upon the total of his salary, travel allowance, utilities and other approved church related allowances.

5. Only full time pastors, retired pastors as specified in Item 6, and student pastors are eligible for equitable salary support.

6. If the combined total of all income received from the United Methodist Church by a retired minister (plus his Social Security) is not equal to the equitable salary schedule then the Commission on Equitable Salaries shall pay the difference up to \$2,400.00. To qualify the retired minister must be serving full time.

7. It is recommended that the equitable salary secretary be authorized to issue check orders for equitable salary only after each District Superintendent has certified (a) complete income and amount of need of each pastor who is to receive equitable salary aid; (b) that the charge did conduct an Every Member Commitment program emphasizing the total program of the United Methodist Church; (c) that the pastor gives leadership in promoting the total financial program with special emphases being given to the ministerial support and World Service and Conference Benevolences apportionments. It is not the responsibility of the Commission on Equitable Salary to determine all the ramifications of a man's employment; this is the responsibility of the Superintendent. It is recommended that the secretary withhold any funds until the District Superintendent has provided all the information as accurately as possible on the forms provided by the secretary.

8. No pastor of any classification shall receive aid from the fund if he receives income from any other church source, if the income, plus salary from the charge he or she serves, is more than the equitable salary for his or her classification, except as provided in 16 and 17 of this report.

9. No person qualifying for equitable salary which amounts to less than \$100 will receive any equitable salary. We feel that local churches can take care of this small amount.

10. The administering agency will not grant aid to any Probationary or Associate member who does not pass a full year of the Course of Study or fails to meet the minimum requirements for a student.

11. No associate pastor shall receive aid from this fund.

12. Each District Superintendent is required to review all equitable salary situations in his district to reduce the need of equitable salary funds. No charge shall receive equitable salary assistance when divided unless the Town and Country Commission has surveyed and recommended, and the Commission on Equitable Salaries has approved the division. We recommend that churches or charges, to be eligible for equitable salary aid, should consist of three or more churches or a minimum of 100 members, except in the case of a new church.

13. We recommend that the Conference Budget provide the funds necessary to carry on the equitable salary program as directed by the Annual Conference.

14. The secretary of equitable salary shall file with the Assistant Secretary of Journal for publication in the Journal each year a report listing the payments for the equitable salary fund during the year, giving names of the pastors and charges, and amounts paid from equitable salary fund.

15. We recommend that no pastor serving outside the bounds of the Alabama-West Florida Conference be eligible to receive equitable salary unless there is no appointment available for him in this Conference and he is assigned by the Presiding Bishop to an appointment outside the Conference, or unless it be a special appointment by the Presiding Bishop. Appointment for the convenience of the pastor himself shall not be considered reason enough to receive equitable salary aid.

16. The Commission on Equitable Salaries feels that there may exist from time to time certain situations within our Conference where special attention may help a church to more quickly become self-sustaining. In such situations, a supplement, determined by the Commission on Equitable Salaries, above the regular equitable salary, may be given the pastor, provided the money is available for this purpose. Normally no situation will receive this special consideration for more than four years. Ordinarily no more than three such situations will be considered during a year, based on money available. Such cases will be called Growth Potential Situations. In order to be considered, every case will be judged by certain criteria, and final determination will be done with the approval of the Board of Missions, since this board handles the money for church extension. Each situation will be judged by the following criteria: a. growth potential; b. leadership requirements; c. age of the church; d. indebtedness.

17. In the case of cooperative parish ministries or specialized ministries the District Superintendent, in consultation with the District Board of Missions and Commission on Equitable Salaries, shall be allowed to supplement the salary of a pastor/director or an associate director of a larger parish or specialized ministry even though the person comes under the benefits of equitable salary, without any reduction in the equitable salary support.

18. The Commission on Equitable Salary feels that there may exist from time to time hardship cases, which need to be considered for help. These cases may be presented by the District Superintendent to the Commission. Sensing a need for such help for a charge, the District Superintendent should hold the Charge Conference before the November meeting of the Commission on Equitable Salary. The final decision on each situation will rest with the Commission on Equitable Salary.

19. As an incentive to motivate churches to begin to reach toward total support of their pastoral leadership, we propose to give the preacher 60% of any salary increase above the amount currently paid by the church after the Minimum support required for his or her category has been reached. This would apply to the charge which he or she is serving at the beginning of our payment period, which is January 1. This supplement is to be recomputed each year and we recommend that the Cabinet consider this accumulative amount as part of his salary when appointed to another charge.

20. We recommend the following be the Equitable Salary Schedule for 1983.

|                                      |             |

## BLUE LAKE ASSEMBLY GROUND COMMISSION

The Assembly Ground Commission has had another successful year in the operation of the Conference Assembly Ground at Blue Lake. Blue Lake Camp continues to widen its field of service to the church with an annual increase in the number of persons served. During this past year over 13,949 persons attended camps, retreats, conferences, reunions, and other conference, district and local church groups. There were 134 United Methodist Church, Conference and district groups and 44 non-Methodist groups served by your assembly grounds.

The policy of Blue Lake concerning reservations is as it has been for several years. Conference boards and agencies, and district and local churches are urged to plan and schedule their retreats early. When groups are small an effort is made to schedule more than one group in Oakwood in order to accommodate more groups. Methodist boards, agencies and local churches in the conference have until October 1 to schedule their activities for the next year. After October 1 non-Methodist groups will be scheduled if dates are available.

A reservation deposit of \$50.00 is required with all confirmation forms for reservations. This deposit will be forfeited if reservation is cancelled less than 5 weeks prior to the scheduled camp.

The rising cost of food, labor and utilities is still a factor in the operation of your assembly groups, however, the rates did not change for 1982.

The rates are as follows: Methodist groups at Oakwood, \$16.00 per person per day (which is three meals and one night's lodging), Dogwood and Pinewood, \$14.00 per day per person. The rate for non-Methodist groups and all family reunions at Oakwood is \$21.00 per day per person and Dogwood and Pinewood \$19.00.

The Blue Lake Partner program continues to grow. Through the use of these funds we are able to make some needed improvements to the facilities and grounds. We are grateful to our partners and urge others to join this group of Blue Lake supporters.

The Blue Lake Fund apportioned to the local churches is essential to the operation of Blue Lake. Inflation and increasing cost of operation make this fund a must. I urge each local church to accept and pay "in full" the Blue Lake apportionment.

The financial support of the United Methodist Women of the Alabama-West Florida Conference has made many of our facilities at Blue Lake possible. Their continued support in helping to further develop and improve our United Methodist Assembly Grounds is greatly appreciated.

The Assembly Grounds Commission wishes to express its appreciation to the ministers and lay people of the Alabama-West Florida Conference for their support of Blue Lake and their cooperation in the program here.

Linwood A. Lewis, Director

## CONFERENCE BOARD OF THE LAITY

Upon the publication of the Brochure of Reports this conference year will be history. The laity of Alabama and West Florida United Methodism have played a significant role in the formulation of this history. We have been active in the total work of the church more intensely than ever before. This is especially true in the areas of evangelism, missions, worship and finance. We hope this results, in part, from the support given by the leadership of each of these areas in our church at Conference, District and Local Church levels. May God continue to bless our interest and participation in all of these activities.

Stewardship and lay-speaking have been the emphases of the Conference Board of the Laity this past year. Workshops and training sessions have been conducted in several districts involving church folk from throughout the Conference. The Board has participated actively in the formulation and work of an Area-wide Committee on Wills and Legacies — a work that has filtered down through all the districts and into our local churches. It is hoped that our people throughout south Alabama and west Florida will respond to the tremendous opportunities that have been, and continue to be, offered through these two emphases.

The Conference-wide retreat at Blue Lake was set for April 2 and 3. We were most fortunate in having the Reverend Mrs. Barbara Brokhoff, United Methodist Evangelist from Clearwater, Florida, as our retreat preacher. This time, each year, has come to mean much in

the spiritual lives of all of us — laity and clergy alike. It is my prayer that interest and support for the retreat will continue to grow.

Joe N. Bailey, from Coffeeville, Mississippi, and an active layman in our national and jurisdictional church organizations spoke during annual conference at the banquet sponsored by the Conference Board of the Laity. The Sounds of Salvation, a musical group from the Pine Forest United Methodist Church in the Pensacola District, provided music for the banquet. A good message, good music, and good food made this a memorable occasion. Let us continue to make this hour of fellowship meaningful to all conference delegates and their guests.

The Board is pleased to present to you Mr. John Sherrer from Selma, Alabama, as the Board's nominee for your Conference Lay Leader for the incoming conference year. God has blessed John with tremendous capabilities and a dedication to Him and His church in a wonderful way. With your support he will serve our conference and our people with distinction.

These past four years as your Conference Lay Leader have been the most rewarding years of my life. No other honor of more significance can possibly be bestowed upon a United Methodist lay person. Thank you for having given me this opportunity to serve our Lord, His church, and you, His people. May God bless each of you in a very special way.

Jack Temple, Conference Lay Leader

## BOARD OF EVANGELISM

The Board of Evangelism is pleased to announce that the churches of the Alabama-West Florida Conference had a net increase in membership of 1,136 persons during 1981. Six of the nine districts in the conference experienced a net gain. Our three newest churches (Christ UMC, Mobile; Covenant UMC, Dothan; and Lillian UMC, Pensacola District) accounted for 223 of the 1,136. This is a clear indication of the need for fulfilling our Conference Goal of at least two new churches per year during this quadrennium. The Mobile District led the conference with a net gain of 463, and the Marianna District was second with 274. We congratulate these districts, and encourage every district to strive for a net growth in 1982.

A continuing concern is the decline in Church School enrollment. The decline in Church School enrollment in the conference in 1981 surpassed the Church Membership gains. Due to decreasing birth rates, etc., we can no longer expect to grow only from within; we must make a concerted effort to reach out and bring in new persons. We urge every local church to make the Church School a functioning center of Evangelism, planning for and working toward genuine CHURCH SCHOOL GROWTH.

Another concern is the number of persons being removed by Charge Conference Action. There were 1,425 removed by that method in 1981. While realizing that there are legitimate reasons for the removal of names and numbers by Charge Conference Action, we do encourage an all-out effort by our churches to reclaim and reactivate inactive and disenfranchised members.

In an effort to better equip local church leaders to do a better job in reaching, assimilating and activating new members, a special training event is being planned for Blue Lake in September, 1982. Dr. Ray Sells, General Board of Discipleship Section on Evangelism, and a very qualified team of resource persons will direct a "Caring Evangelism Workshop." This will be for lay persons and clergy.

We are continuing to hear comments about the helpfulness of the "How to Develop Christian Disciples" Workshop which was conducted at Huntingdon College in May, 1981. This was a follow-up to "Proclaim the Word."

A new experience in the Alabama-West Florida Conference, the "BLUE LAKE CAMP MEETING," is being planned for June 23-26, 1982. Dr. Lawrence Lacour, formerly with the Board of Evangelism, and now Professor of Preaching at Oral Roberts University, will be our Guest Evangelist. Mr. Joe Pat Cox, Music Director at the Frazer Memorial United Methodist Church in Montgomery, will be the Music Leader. There will also be special classes on Conversion, Personal Witnessing, Bible Study and Prayer; as well as special events for Children and Youth. A well rounded recreational program will be available. Local church music groups are encouraged to contact Mr. Cox and be included in the program of special music during the Camp Meeting services. We hope to fill Oakwood Lodge with persons staying full time and camper hook-ups are available for those coming on their own campers or

motorhomes. The worship services will be in the gymnasium, and local churches are urged to bring large groups of persons for the worship services. Organize car-pools, bring busses and vans, organize community caravans, but come!

The Board of Evangelism has placed an excellent Evangelism teaching tool in the Conference Film Library. It is a 4-hour series of video-tapes prepared by Dr. George ("Chuck") Hunter, Section on Evangelism, on Church Growth. These tapes may be used in districts or in local churches for excellent training for Church Growth. We commend them to you.

Several Evangelism Awards will be presented at the 1982 session of the Alabama-West Florida Annual Conference. The Southeastern Jurisdiction Evangelism Awards will be presented to the Frazer Memorial UMC, for receiving the largest number on Confession of Faith during 1981; and to the Rock Hill UMC, Wausau Circuit (Marianna District), for the best ratio of persons won on Confession of Faith. The Rock Hill church began the year with 8 members, and won 3 persons on Confession of Faith, for a ratio of 1-to-2.67. The Frazer Memorial church won 160 persons on Confession of Faith. We congratulate these churches, and offer them assistance in sending their pastor and a lay representative to Lake Junaluska for the Week of Evangelism in August, where Jurisdictional Awards will be presented.

The Denman Evangelism Awards will also be presented during the 1982 Conference session. An award will be presented to the minister who best represents the Spirit of Evangelism in the conference; and an award to the layperson who best represents the Spirit of Evangelism. The selection of persons to receive these awards will be made from the nominees submitted by each District Superintendent and District Coordinator of Evangelism.

The Board encourages continued support for the Foundation for Evangelism, a "World Service Special Gift" recipient.

We express appreciation to Bishop Frank Robertson for his continuing support for the cause of Evangelism, and deeply appreciate being included in the Conference program for an Evangelism Rally on Tuesday night.

It is our prayer that every minister, every local church Evangelism Committee, every District Superintendent, and every United Methodist will accept the cause of Evangelism as a priority. Let us become evangelists where we live and minister, reaching new persons for Christ and the Church and assimilating them into His Body. The Board of Evangelism offers any assistance possible to local churches and districts to help achieve this goal, and continues to plan training and enabling events to equip our people to be better evangelists.

John W. Bryan, Chairman

John C. Carmichael, Secretary-Treasurer

## CONFERENCE COUNCIL ON MINISTRIES

Through its various committees, the Conference Council on Ministries seeks to fulfill responsibilities given it by the Discipline. Through its boards and agencies and staff, it seeks to assist the conference, the districts and local churches in being the Church. Program priorities are important and each board and agency, each district and each local church should study and implement.

The Research and Planning Committee recommended, and the Conference Council approved, the following priorities for 1983.

Continued support for the Missional Priority adopted by the General Conference for the quadrennium "The Developing and Strengthening of the Ethnic Minority Local Church." Also the five special programs: 1. Africa 2. Church and Campus — an Essential Evangelism 3. World Peace and Self-Development of People 4. World Hunger 5. Strengthening the Local Church for its Evangelistic Mission in the world.

Research and Planning further recommended the following:

1. We commend the Ethnic Minority Local Church Committee on their progress in training leadership and urge support to them in their future plans.
2. We urge the entire conference to continue to support the missional priority fund for this quadrennium.
3. We should, under the leadership of Health and Welfare, continue to emphasize the concerns for the elderly and the handicapped.
4. District Coordinators, selected by the District Superintendents after consultations with

staff, boards and agencies should be given guidelines of their responsibilities and training by January 1st.

5. Leadership training should be held annually by each District Council on Ministries. Each district should also provide training for new local church officers by February 15th.

6. We commend the Town and Country Commission and the Board of Ordained Ministry for their training for new ministers in the "Minister's Workshop." Town and Country's efforts to develop programs for the small membership church needs the support of all agencies as they seek to train and provide information to ministers of resources available for services, training, planning and programming.

7. We urge every district and each local church to be alert to and cooperate with all plans for the Bicentennial celebration.

8. We recommend each local church to carefully study the new curriculum for children and youth. They should avail themselves of training for their use.

9. We should continue our efforts to evangelize 1600 new members each year. This past year 1136 new members were added.

10. The establishment of two new churches a year must be emphasized. The Lillian United Methodist Church was established this past year in the Pensacola District. Surveying and purchase of lots are underway for future churches within the conference. Each District Committee on Church Building and Location should continue to survey their areas for possible new church locations.

11. We commend the Board of Education on the developing Young Adult Ministry within the conference, the growing ministries to older adults, pre-school children and families and the success of the Sunday School Weekend to strengthen the Sunday School. We urge continued emphasis in all these areas.

12. All churches should seek to become "Four Plus Two" mission churches and all families should become members of the "Ten Dollar Club."

The various boards and agencies have specific responsibilities. They do an excellent job and should continue to be responsive to the challenges presented. Particularly should programs be geared to assist local churches. Availability of resources should be emphasized. Materials and persons are available. If questions arise, please contact the staff at Headquarters.

## THE BOARD OF EDUCATION

The Board of Education perceives its ministry to the Conference as one agency which constantly seeks to fulfill the Wesleyan hope to "Unite the pair so long disjointed, knowledge and vital piety, learning and holiness combined." (From Charles Wesley's hymn "Come, Father, Son, and Holy Ghost")

The Conference owes a debt of gratitude to the many laypersons, Christian Education Directors, and ministers throughout our Conference who invest their time and energy, expertise and concern in the many training and camping events under the auspices of the Board of Education. A special note of appreciation goes to the Educational staffpersons in the Andalusia office: Mark Stewart, Carolyn Cumbie, Mike Roberts, and C. Everett Barnes, and to the chairpersons of the various committees whose reports will follow:

*The Children's Ministries Committee* has addressed three (3) primary areas in its work for 1981-82:

(1) Weekday Ministries Seminars with resource person Ms. Gloria Thomas were held April 25-30, 1982, at various churches throughout the Conference. The content of the seminars included: (a) why the church is involved in weekday ministries; (b) organization for weekday ministries programs; and (c) how to make such programs effective.

(2) Stewardship Education. The Committee felt the issue of children and stewardship has not been sufficiently addressed in the past. Under the direction of Ms. Kathy Wilbourne, a booklet was printed containing available resources.

(3) Ethnic Minority Camping. The Committee felt the need to involve more ethnic minorities in the camping program. Scholarships were offered to interested youth in 1981.

In 1982-83, the Children's Ministries Committee is planning to sponsor a workshop on the subject "Children and Television" (Fall, 1982). The workshop will be primarily for parents, with concurrent sessions for elementary children. The Committee is further planning conferences on "Children's Church" and "Parenting: Living the Faith with Children." Additionally, it hopes to sponsor an event in the area of mission education for children.

The 1981-82 year has proved successful for the exciting activities of *The Conference Council on Youth Ministries (CCYM)*. The Council is striving to strengthen the Christian ministries and opportunities of the youth of this Conference.

The YSF Caravan, composed of five Council members, launched the summer events with an informative program, including a slide presentation, puppet show, and musical entertainment. The troupe traveled throughout the Conference to increase the awareness of the functions of the CCYM and the missions of the Youth Service Fund (YSF).

Several youth were able to extend their Christian witness and ability during a summer trip in Costa Rica. The trip served as an outstanding opportunity to learn about the customs and culture of Central America.

Five representatives were sent to the National Youth Ministries Organization which was held in Sioux City, Iowa. The Council is proud and fortunate to have Leslie Hamilton elected to the NYMO Steering Committee.

September brought many United Methodists to Six Flags Over Georgia for a full day of recreation and entertainment along with the Alabama-West Florida CCYM, the Councils of North Alabama and South Georgia.

Over 1400 youth and adults came to "Share the Spirit" at our annual Fall Rally at Blue Lake. Atlanta's Ron Ball led an inspiring worship hour and old friends were reunited.

The projects selected to be supported by the Youth Service Fund are Henderson Settlement, Camp 37 in Costa Rica, Upper Sand Mountain Parish, La Casa de Amigos, Chapel United Methodist Church, and Inner-City Missions.

The CCYM is planning to sponsor several new and exciting projects such as the Huntingdon "Spring Fling" and a commercial publicizing UMYF.

The primary work of *The Committee on Young Adult Ministry* this past year focused on three retreats at which an average of seventy-five people attended. Dr. George Gilbert led a Spiritual Life Retreat June 12-14. Dr. Tom Parker led a Bible Study Retreat November 6-8. Dr. James Fowler of Candler School of Theology led a Faith Development Retreat February 5-7, 1982. Our next retreat will be led by John and Adrienne Carr, from Emory University, on June 11-13, 1982, at Blue Lake. These retreats are planned by the Council on Young Adult Ministry, which meets quarterly.

We have experienced significant growth in our work at the district level. Several successful events have been held in the Dothan, Montgomery, and Mobile areas. We are especially proud of the organization and work of the young adults in the Mobile District. In 1982-83, more of our efforts are going to be centered around strengthening young adult ministry at the district and local levels.

*The Older Adult Committee* sponsored the Older Adult Assembly at Blue Lake, May 10-13, 1982. The Reverend James Dannelly was the inspirational speaker. The theme was: "Maintaining Faith In A Confusing World." There are several exciting plans being made for the months ahead, including a trip to the mountains of North Georgia, Lake Junaluska, North Carolina, and other points of interest. This trip is planned for October 18-22, 1982, cost \$125.00 per person.

Our Older Adult population is growing each year as more and more adults reach this age. This is an exciting area of ministry. It is hoped that every local church in the Alabama-West Florida Conference will avail themselves of the opportunity to minister to and with Older Adults.

We have had a good year in *Family Life Ministries* with three outstanding events that attracted Conference-wide participation. The first event was a Family Life Ministries Leadership Training Workshop, held at Huntingdon College. The purpose of the workshop was to train district leadership teams who then offered training to local church Family Life Ministries Committees. Leadership teams from six districts participated in the workshop.

Then we held a Family Life Camping event over the weekend of October 30-November 1, at Blue Lake. It was well attended. We have received enthusiastic requests to make this a continuing part of the Family Life Ministries in the Annual Conference.

The third event was a Singles and Single Again Retreat held at Blue Lake, December 31-January 2. This retreat met a real need among our people and fulfilled a part of our purpose for the quadrennium, as we attempt to develop a viable ministry to single adults in the Annual Conference.

We continue to promote Marriage Enrichment events. We anticipate adding programs in Parenting during the coming year.

*The Committee On Camping* is pleased to report that the camping season of 1981 was one of the best summers Blue Lake has ever had. In the summer, almost 1,800 campers, counselors and staff participated in the camping program. In the seven elementary camps, we had a total of 692 children, youth and adults involved. In the five Junior High Camps, 342 campers participated. Choir Camps involved 179 campers. Youth Adventures in the Bible, Youth Leadership Development, Senior High Assembly and Canoe and Youth/Adult Work Camp together touched 277 more campers. The 1981 Summer Special Ministries Camps ended a very successful summer. Almost 300 campers participated in the Bell Camp, the two 4 L Camps and the two Camp Discoveries. We appreciate very much each of the volunteer staff, the camp staff, and the program staff for their outstanding leadership. The camping program of 1981 was successful because so many people really cared. We express our appreciation to these people who made the camps of 1981 possible.

In looking forward to the coming summer, the calendar for 1982 is filled with many exciting

spiritual experiences for our campers. The plans have been made for seven elementary camps for rising fourth, fifth, and sixth graders; and four junior high camps for rising seventh and eighth graders. There are several specialty camps — Youth Adventures in the Bible, Canoe Camp, Senior High Assembly and Youth/Adult Work Camp. This summer, Blue Lake will have several new camps — Stress Camp, a second Canoe Camp, a mid-high Youth Adventures in the Bible Camp, and finally, a Confirmation Camp. We can be proud of the work Blue Lake sponsors in special ministries camps, such as Bell Camp, for those with a hearing loss, 4-L Camp, for those children with mental handicaps, Sunshine Camp, for the mentally handicapped adults, and Camp Discovery, for underprivileged inner-city children.

One of the greatest beliefs of our faith is that we are concerned with the giving of our gifts after the example of our Lord. Seeing to the operation of all these camps is never simple. It takes much time from many people; financial contributions and spiritual support from each church in our Conference. Please remember the work of the Blue Lake camps. All who participate, be they children, youth, or adults, are far richer for their experience. We are so fortunate to have a facility like Blue Lake Camp in our Conference.

During the 1981-82 Annual Conference, *The Leader Development Committee*, in cooperation with the Office of Educational Ministries with the Church at Huntingdon College, planned a "Teacher Training and Development Event" at Huntingdon College, October 9-11, 1981 (Friday afternoon through Sunday afternoon). The event was designed to offer training in seven areas:

- I. Teaching a Combined Youth/Adult Sunday School Class
- II. Intergenerational Education
- III. Teacher Recruitment and Orientation
- IV. Using the Bible with Young Children
- V. Using the Bible with Elementary Children
- VI. Using the Bible with Youth
- VII. Using the Bible with Adults

The Teacher Training and Development event was designed for those who will become teachers of Sunday School teachers. The idea behind the event was that a cadre of trained instructors could return to the nine districts of our Conference to effect meaningful training of Sunday School teachers on the district level. Unfortunately, due to a lack of registrations for this event, the event was cancelled. Plans are being made for the event to be offered again in 1982-83. We earnestly solicit the support of our people. Each district should have a participant in each of the classes offered.

During 1981-82, work has continued in the compiling of information for a directory of personal leadership resources among the clergy and laity of our Conference. The purpose of the directory, when completed, will be to enable local churches to have access to competent personnel resources for leader development needs in each local church.

*The Sunday School Committee* has accepted the challenge to make good things happen in Sunday School in each local church.

Sunday School Weekend was held September 25-26, at Oakwood Lodge and Dogwood Camp, Blue Lake, with 400 local church Sunday School teachers participating in 17 workshops, which helped them develop teaching techniques to use in Sunday School. Dr. Donald Welch, President of Scarritt College in Nashville, was the keynote speaker on the theme, "The Bible, The Sunday School, and the 1980's."

The Sunday School Committee co-ordinated the Intro '80 Curriculum Workshop, March 1 and 2. New children, youth, and adult literature and resources were introduced to nine District teams who returned home to teach local Sunday School teachers how to best utilize our new literature.

Sunday School Weekend/Curric-U-Shop will be held October 8 and 9, at Oakwood Lodge and Dogwood Camp. Bishop Frank Robertson will be the keynote speaker Friday evening. The theme for the weekend is "Resourcing the Sunday School in the '80's." Seventeen workshops will again be offered to local church teachers and workers. Also available in the Conference office in Andalusia is "A Handbook of Ideas to Strengthen Your Sunday School," a useful resource for Sunday School teachers.

We recommend that the Conference set aside the fourth Sunday in September (which is September 26 in '82 and September 25 in '83) as Christian Education Sunday. This will be a

special day in every local church to recognize the importance of Christian Education in the church's total ministry and to express appreciation to teachers and other leaders who give their time and efforts in this venture.

*The Committee On Experimental Ministries*, formerly known as the Futures Committee, continues to function as the dreamers of the Conference Board of Education. The Committee's job is to propose experimental ministries that will speak to certain needs within our Conference.

During 1982, a Music Workshop, held at First United Methodist Church, Ozark, Alabama, was partially funded by the Experimental Ministries Committee and the Troy, Dothan, and Marianna Districts. Dr. John Kemp from Westminster Choir College, served as consultant of the workshop, which was attended by 63 persons.

A Confirmation Rally Day was held on March 20, 1982, with more than 300 students, pastors and Directors of Christian Education in attendance. The theme for this year's rally was "United Methodism — A Proud Heritage." Highlights of this event included a dramatic presentation by Marion Conner from Jacksonville, Florida, of Suzanna Wesley; a video taped message by Bishop Frank L. Robertson; singing led by Chris Hughes; a visit from John Wesley, portrayed by the Rev. Lester Spencer, and a puppet presentation.

Two specialty camps are planned for the summer of 1982. The Bell Camp for the Deaf is planned for July 9-13, 1982, at Blue Lake. The Rev. Mike Roberts, Conference Director of Youth Ministries, will lead a backpacking-rafting camp, July 28-August 6, in North Carolina. This is a co-educational activity for teenagers/young adults from the ninth grade through college.

## BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

### REPORT NO. 1

#### ADMINISTRATION

Our board meets twice each year for regular meetings — one in the fall and one in the spring. The fall meeting deals with the Campus Ministries within our conference as well as any other pertinent issues. In the late winter or spring we center on Higher Education; specifically, Huntingdon College and Birmingham-Southern College, our area church affiliated colleges. The (episcopal) area task force which concerns our church affiliated colleges has been hampered because of lack of funds. In the 1981-82 conference year the task force did not meet.

#### APPORTIONMENTS

Gratitude is expressed to the churches of our conference for their much improved giving to the Huntingdon-Birmingham-Southern Fund and to the Wesley Foundation Fund. In 1981 the people of our churches paid \$225,577.79 to the Huntingdon-Birmingham-Southern Fund. Actually 63% of the asking was paid. This is an increase of \$61,915.79 over the previous year. Our colleges will find this money very helpful in times when the financial crunch is making it difficult to do the job which is assigned to them. We commend our churches for this marvelous response. The Wesley Foundation Fund was paid in a higher percentage than ever in 1981. On an apportionment of \$75,000, a total of \$56,098.01 was paid. This is a tremendous stride forward. Actually almost 75% of the apportionment was paid. The Wesley Foundation work on college campuses is a vital witness to young adults. Our desire is to strengthen the financial base for it.

#### PROGRAMS

Within our Board we have several committees which undertake to do the work. These committees are Wesley Foundation Committee (Frank Arnold, Chairman); Huntingdon-

Birmingham-Southern Committee (Stanley Mullins, Chairman); Special Days and Fund Committee; and Career Planning and Counseling (Charles Walker, Chairman).

During 1982 we are devising a uniform report/request form for Wesley Foundations. Hopefully these will facilitate our work and will serve as a basis for a fair distribution of the Wesley Foundation Fund. In 1982 the Fund is distributed thusly: Auburn — 52%; Livingston — 13%; Marion — 2%; Pensacola — 1%; South Alabama — 9%; Troy — 23%.

Huntingdon and Birmingham-Southern Colleges have a long and colorful history of quality higher education in our area. Both offer stress 'quality.' Both have high percentages of acceptance in professional and graduate schools. Both proudly acknowledge their affiliation with the United Methodist Church and seek to serve churches and students from our churches. One of the great needs of our colleges is qualified students. Student aid is extensive in both colleges, ranging in the 75-85% percentile. With cut-backs in aid to higher education the need for additional aid is real. Our proposals will reflect this need.

Other funds which receive our promotional interest are: Black College Fund; Hispanic, Asian, Native Americans Fund; Ministerial Education Fund; United Methodist Student Day. For the first time this year (1982) we are participating in the Conference Merit Scholarship Program. Through the Office of Loans and Scholarships of the General Board of Higher Education and Ministry we will award a scholarship in the amount of \$394.00 to a deserving United Methodist student who attends one of our United Methodist colleges.

### PROPOSALS

1. We propose that the Huntingdon-Birmingham-Southern College Fund be set at \$2.75 (based on conference formula) per member and that the funds be divided at 90% for Huntingdon College and 10% for Birmingham-Southern College for the year 1983.

2. We propose that every church in our conference pay the line item, Student Aid, Huntingdon College in the amount of \$80,000 for 1983; and that;

(a) United Methodist students be given priority in the granting of the aid by the college, and

(b) That local churches may nominate students for this student aid.

(c) We recommend the payment of Y.E.S. by individuals and churches.

3. We propose and request that each church in the conference set aside a Sunday to have an emphasis on Huntingdon College.

Mrs. Annella Trobaugh, Secretary

## EDUCATIONAL MINISTRIES WITH THE CHURCH

### HUNTINGDON COLLEGE

The Office of Educational Ministries with the Church completed a full year with a variety of programs completed and others underway. Appreciation is expressed to members of the Advisory Committee to this office which consists of representatives of Huntingdon staff and faculty, Alabama-West Florida Conference Council on Ministries staff, clergy and laity of local churches.

#### School of Laity:

Greenville School of Laity has completed six courses of study. One hundred fifty-four course certificates were awarded during the six quarters and 15 participants will receive an Award of Recognition presented by Huntingdon College and the Alabama-West Florida Conference at the Annual Conference in May.

Appreciation is expressed to the Greenville United Methodist Church host of the first Huntingdon College School of Laity as a pilot project. The program began under the leadership of Rev. John Trobaugh and was completed under the leadership of Rev. Joseph Lisenby with Mrs. Olive Cadenhead and Mrs. Janet Coleman serving as coordinators.

The Pensacola School of Laity has completed three quarters and the Montgomery School of Laity is in its fourth quarter. Huntingdon College faculty and adjunct faculty for these schools have been: Dr. R. Dick Johns, Dr. William Pickard, Rev. Lawson Bryan, Rev. E.R. Dickerson, Rev. Alvin Harbour, Dr. Charles Hays, Jr., Rev. J. Syd Lock, Dr. Herbert Sadler, Dr. Andrew Turnipseed, Sr., and Rev. Wesley Wachob. One Continuing Education Unit

(CEU) is awarded to those persons meeting course requirements. Two additional Schools of Laity are under consideration.

### **Continuing Education Events:**

#### **1. Professional Development Planning Retreat**

One minister chosen from eight of the nine districts in our conference participated in this retreat held at Huntingdon College in October under the leadership of Rev. William Ellison of the Intentional Growth Center, Lake Junaluska. Each of the ministers received two CEUs as they engaged in intensive training to establish a personal long-range, flexible plan of continuing education and to experience growth in ministerial competence. Participants were Rev. Ernest Andress, Rev. Don Brill, Rev. C. Edward Britton, Rev. Lawson Bryan, Rev. John Cannon, Rev. Fred Fuller, Rev. John Spivey, and Rev. Fred Zeigler.

This retreat was held in cooperation with the Conference Board of Ordained Ministry Committee on Continuing Education with Rev. Fred Zeigler as Chairman.

#### **2. Doctor of Ministry Degree, Candler School of Theology**

In November 1981 Dr. John Stapleton, Director of Advanced Professional Degrees, Candler School of Theology, came to Huntingdon to meet with prospective candidates for the Doctor of Ministry Degree. Huntingdon will host Candler in 1983 for ministers desiring to pursue this degree.

#### **3. Candler Seminars**

Seven Candler Seminars will be held beginning in the fall of 1982 and continuing through 1983-84. Candler Seminars are day-long continuing education events for clergy and are offered at United Methodist colleges under the leadership of Candler faculty and the sponsorship of the college and annual conference in which it is located. These will be Monday events involving five contact hours. Emory University will award .5 CEUs for each seminar.

The seminars are in response to the need of close cooperation between seminary, colleges, and conferences in making quality continuing education available close to home. The place, dates, and titles of seminars will be announced.

#### **Institute of Religious Drama:**

The Pulpit Players of the Huntingdon College Institute of Religious Drama have five dramas in their repertory this year: "He Came Seeing," "A Child is Born," "Christ in the Concrete City," "Abraham and Isaac," and "Harvest is Plenteous."

The players have given 42 performances in churches in Alabama, west Florida, north Alabama, and Georgia. Included are performances at the Julia Tutwiler Prison for Women and the Veterans Administration Medical Center.

Through Religious Drama Services, consultants have participated in workshops and guidance to local church drama groups.

Currently, Mrs. Martha Rankin, an historical playwright and Director of the Institute of Religious Drama, is writing a bicentennial drama which will be performed by the Pulpit Players in local churches and districts as requested. The scope of the play will cover John Wesley sending Francis Asbury to America, the struggle of the American Methodists to establish their own separate church, and John Wesley's blessing at the Christmas Conference.

## **BOARD OF HEALTH AND WELFARE MINISTRIES**

### **REPORT NO. 1**

The United Methodist Church is very much involved in the health care concerns and the well being of people all across this country. Genuine concern for human health and welfare, shown at its best in unselfish service, is freedom's best safeguard. So strong was this concern among early Methodists that John Wesley gave his motto of service: "Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as ever you live."

Through the growth of unity among Christians today, the concern among United Methodists for human health and welfare is gaining momentum. When you render acts of service, you are ministering in the Master's stead — "Inasmuch as you have done it unto one of the least of these my brethren, you have done it unto me"

From the Biblical mandate and example of Christ's helping and healing ministry, to the appeal of St. Paul to the church in Jerusalem for an offering for the needy in Asia Minor, to our United Methodist Church founders who organized prison ministries, medical dispensaries, special relief efforts and a network of hospitals, homes and services across the United States, love and caring and concern have reached millions of persons because we in the church see unmet needs and take action. Whether it be through the "Ministry of Caring and Concern," or to meet the needs of local persons who are shut in, without transportation, experiencing a health or other crisis, or through the varied medical services — the church is there, ministering to the broken, the sick, the troubled, the forsaken of God's people

The Board of Health and Welfare Ministries of the Alabama West Florida Conference seeks to express this God given caring as we share with the overlooked children, the disturbed youth, and the forgotten elderly. Unless someone close to you is a resident of one of the United Methodist homes, you may not be aware of the kinds of care your generosity has helped to insure. Often it is not more advanced age alone that dictates the level of care required by an individual. Some of our elderly are able to do the most for themselves.

The man and the woman in the pew — every pew — from the small rural or open country church to the large, urban, high-steepled church, United Methodist men and women, children and youth, are reaching out and effectively touching the lives and healing the hurt of humanity through approximately four hundred (400) health and welfare ministries agencies.

Every United Methodist is deeply involved in the helping and healing ministry of the denomination where lives are touched, helped, healed, strengthened, and enriched in a miraculous way! Your open hearts and open hands have been an inspiration to all of us who labor in a caring and sharing ministry to children, youth and adults. With the evidence of your caring about others, we know that we will find the faith and support to do what must be done. Wherever there is a gift to be given, please remember there is always a United Methodist home which can use your help to help others.

The White Christmas offering for our United Methodist Children's Homes must continue to increase, so that our ministry to children and their families may expand and serve more persons in other parts of Alabama and West Florida. The local church has responded to the call and we are most grateful to you.

A very fine representation from our district directors and members of the Board of Health and Welfare Ministries attended a meeting at the United Methodist Children's Home in Selma, Alabama on October 21, 1981, to receive both inspiration and information for the White Christmas emphasis. As of March 1 (9 months report — June 1, 1981 through February 28, 1982) the total amount contributed was \$368,014 18.

We urge a much wider showing of the film "Unto One Of The Least Of These" (United Methodist Children's Home) and of the film "A Gift of Love" (United Methodist Homes For The Aging) as a motivation for our ministry throughout the conference. These are available free of charge for your showing.

We are happy to cooperate with District Directors of Health and Welfare Ministries for participation by every district in the Chaplain-In-Service program each week at Wesley Manor in Dothan, Alabama

The District Directors of Health and Welfare Ministries are to be commended for their fine spirit of cooperation and active participation in the total program and work of the Board of Health and Welfare Ministries. These district directors are:

|                      |                        |                            |
|----------------------|------------------------|----------------------------|
| Andalusia District:  | Rev. David H. Chunn    | Brewton, Alabama           |
| Demopolis District:  | Rev. Gerald H. Maddox  | Moundville, Alabama        |
| Dothan District:     | Rev. Richard O. Sigler | Enterprise, Alabama        |
| Marianna District:   | Rev. Haroll M. DeVane  | Lynn Haven, Florida        |
| Mobile District:     | Rev. R. Neil McDavid   | Theodore, Alabama          |
| Montgomery District: | Mr. William Wilson     | Montgomery, Alabama        |
| Pensacola District:  | Rev. Billy D. Gaither  | Fort Walton Beach, Florida |
| Selma District:      | Rev. Herbert C. Hill   | Camden, Alabama            |
| Troy District:       | Rev. John H. Weeks     | Phenix City, Alabama       |

Every church can expect to have one out of four members handicapped at some point in their life. Some will have to use a wheelchair, a crutch, a cane or other mobility aid such as a walker. Some members will suffer strokes or heart attacks or will have reduced vision or hearing as the result of serious accident or the aging process. Even pregnancy will temporarily handicap some members of the church each year.

When I look at the needs of persons in the local church and community, my concern is PEOPLE, whoever they are and wherever they may be, who experience the terrible pain of loneliness, sickness and disease, death and dying, exceptional children and youth, the needs of persons with handicapping conditions, those in jail and prisons, and the struggles of frustrated families. ALL PERSONS need us to demonstrate an expression of the Christian gospel in our service and to share their suffering. This concept of the CARING and SHARING ministry is our goal for each local church.

Elvin T. Edgar, Chairperson

### REPORT NO. 3

#### UNITED METHODIST CHILDREN'S HOME SELMA, ALABAMA

Loving, caring persons throughout Methodism in Alabama and West Florida made it possible for the United Methodist Children's Home, a multiple service child care agency, to minister to 664 children during 1981. The totals for each program are as follows:

|                          |     |                              |            |

The Board of Directors adopted a long range plan for the 1980s. That plan calls for providing the most effective care to youngsters and their families in the most efficient manner. The plan includes retaining the regional concept although no expansion is anticipated because of the lack of operating funds.

Also, during 1981 the Board initiated a plan to increase knowledge and awareness, especially on the part of lay persons, as to the opportunities and problems facing the Home in the 1980s. Already, key lay persons have been recruited in nearly every district in both conferences to help with this effort of interpretation. Those persons will supplement the efforts of the district Health and Welfare representatives.

The youngsters, staff, and Board of Directors express grateful appreciation for your prayers and support during 1981 and request that you continue those on behalf of this caring ministry, "Unto the Least of These."

R. Lee McLaughlin, ACSW, Executive Director

## REPORT NO. 4

## METHODIST HOMES FOR THE AGING

The normal aging process is not a great obstacle to the normal process of life. In fact it should be a pleasant process. For the past twenty years our Methodist Homes For The Aging have been involved in this ministry of supporting persons in their maturing years. Fair Haven in Birmingham, Wesley Manor in Dothan and Wesley Acres in Decatur have cared for over one thousand seven hundred and eighty persons who desired to live in a protective retirement environment where they might continue to seek out and enjoy new dimensions in living. By fall of 1982 Wesley Terrace in the Auburn-Opelika area should be open and begin providing services for another two hundred and fifty persons.

In April of 1981 we received our first resident at Wesley Acres. We are pleased that all one hundred apartments were filled within three months after opening.

Wesley Manor and Fair Haven continue to be very Special Homes. Building improvements and additional facilities, new programs and services have enabled us to more adequately serve the needs of our residents.

Mrs. Polly Holmes, our Director at Wesley Acres and Mr. Henry Roberts, our Administrator at Wesley Manor, along with their Staff and the Staff at Fair Haven are providing opportunities for persons to live in a meaningful and happy setting.

Just as our Trustees have worked across the years to give our Homes a personality and atmosphere where people enjoy living, they have worked carefully to insure the financial security and well-being of our homes. It is of great concern that we provide a place for those who have financial resources and for those who are not so fortunate. Churches are urged to accept and pay their Conference Apportionments and to assist with the Special Mother's Day Offering so that we can continue to accept and provide care for those who are unable to pay their monthly charges.

During this Conference year some persons living at Fair Haven and Wesley Manor have exhausted their funds and their monthly expenses now exceed their income. To assist these and others who were already receiving help we will need to raise \$65,000 in the Alabama-West Florida Annual Conference for Wesley Manor and \$125,000 in the North Alabama Conference for Fair Haven. It is anticipated that eighty persons at Fair Haven and forty persons at Wesley Manor will require financial assistance on a monthly basis. Financial support is needed for individuals who have no means of increasing their income, who cannot get out and get a job, who cannot pay their monthly charges and yet they want so much to enjoy the rest of their days.

Persons living at Wesley Acres are eligible to receive rent subsidy from the Section 8 program of the Department of Housing and Urban Development if they meet the qualifying criteria.

We are grateful for the support we receive from both Annual Conferences. We rejoice that we are a part of the Church's Ministry with God's "Older Children."

We need your prayers as we continue to care for those who reach out to us to help them live.

A. Wray Tomlin, Executive Director  
Methodist Homes For The Aging

## REPORT NO. 5

## GOLDEN CROSS REPORT FOR 1981

Golden Cross is the fund of the Alabama West Florida Conference which gives financial aid for medical bills to United Methodist families who are in extreme financial need because of hospital and medical bills which are beyond their ability to pay. During 1981, fifteen families were assisted with a total of \$6,685.75 or an average of \$445.73 per family.

Golden Cross receives financial support from the Golden Cross Sunday offering which is taken the first Sunday after Labor Day. Your gifts to this offering enable Golden Cross to respond to the medical expenses of needy United Methodists in our conference. Golden Cross brochures are available from your District Superintendent or from the Golden Cross director.

The rules that govern the Golden Cross Fund are as follows:

(1) Assistance shall be for United Methodists and any payment toward assistance shall be only to the hospital, doctor, or drug store and only after receiving a copy of the hospital, doctor or drug bill showing the amount of the unpaid balance.

(2) No assistance shall be granted to laymen except upon the recommendation of a pastor in a position to know the circumstances. Assistance to pastors shall be granted only on the recommendation of the district superintendent.

(3) The amount of assistance granted to any person shall be limited to a total of \$600.00 for any combination of hospital, doctor and drug bills.

(4) When, in the judgment of the Golden Cross director, extreme poverty seems to justify it, full payment (not to exceed \$600.00) may be made or financial aid may be given to the same person twice during the period of a year.

Rev. J. Wilbur Majors, Director

## THE REPORT OF THE BICENTENNIAL COMMITTEE

The approved theme for the Bicentennial Observance will be: "Methodism: For Two Centuries Proclaiming Grace and Freedom." Accompanying the theme is the logo of a pioneer circuit rider astride a horse, with a cross in the background and the words, "Methodist Bicentennial 1784-1984."

The "Bicentennial Year" will be a nine-month period beginning with General Conference in April, 1984, through Covenant Sunday in January, 1985, although Bicentennial activities will begin in 1982 and continue into 1985.

Programs planned are as follows:

Church-wide studies of Bicentennial themes through Church School curriculum

Studies of mission and ministry emanating from the GCOM Research Design

Bicentennial Celebration in Baltimore, May 6, 1984, during General Conference

Series of books, reports, and new book titles being readied for use by local churches

Development of Growth fund

A Bicentennial Hymn Contest

A Bicentennial Medallion for general distribution will be struck to generate funds for the operation of the National Bicentennial Committee. There will be numbered Bicentennial Cokesbury Bells made available for purchase with the missional purpose of generating income for the Church Development Fund.

Intense media events are planned which will stimulate awareness of the mission of Christ's Church, proclaim the message of God's love and aid in creating visibility for the Bicentennial.

Projects will be developed by the Alabama-West Florida Bicentennial Committee and relayed to local churches through district chairpersons, The Christian Advocate, and direct correspondence.

We have requested Bishop Robertson to solicit commitment of our District Superintendents to place on the Fall 1982 agenda of the Charge Conference a discussion of the Bicentennial, a query as to whether Churches in their Districts will participate in a church-wide study and to aid in organizing the Local Church Committee for two years duration.

## COMMISSION ON ARCHIVES AND HISTORY

### PART I

The Commission has requested District Secretaries of Archives and History to have appointed an historian for each District who will work with the local churches in having church histories written and in seeing that all histories are updated periodically.

Final payment of \$567.50 made to the American Theological Library Association for microfilm of Christian Advocates from 1881 through 1976 was reported by the Commission Treasurer, Mrs. J.P. Walton. This completes a three-year project. Film copies are in the Conference Depository at Huntingdon for use by researchers and historians.

A joint meeting of the North Central Archives and History Commission and the Southeastern Jurisdiction Historical Society, held in Louisville, Kentucky, July 6-9, 1981, was attended by the Rev. W. Thad Chesser, Secretary of the SEJ Historical Society, and the Commission Chairperson, Mrs. J.P. Coleman.

Dr. Stanley Menking of Drew University presented a film detailing plans for the United Methodist Archives Center in Madison, N.J., at Huntingdon College on March 24, 1982.

Heritage, our newly instituted newsletter, will serve the Commission, the Historical Society and the Conference Depository. It is being edited and published by the Rev. Ennis Sellers, Montgomery District Secretary of Archives and History, assisted by Mrs. William Pickard and Dr. Glenn Massengale of the Conference Depository.

Mrs. F.S. Moseley reported excellent attendance at the Retiree's Breakfast and at the luncheon for the families of the people honored at the Service of Commemoration during Annual Conference in 1981, and announced plans for 1982. All Commission members are to act as hosts and hostesses with Mrs. Moseley on May 26th at Annual Conference.

Miss Alberta Grant communicated with twenty-two families of deceased ministers and/or wives or widows of ministers regarding the Record of Remembrance, the memorials which are to be published in the Journal, and gravemarkers which designate service as a United Methodist clergyman. The Commission voted to seek information from the Southeastern Jurisdiction Commission on Archives and History regarding the striking of a companion medallion which will comparably honor minister's wives and/or widows. A three- to five-year project — marking the Wesley Oak at Blue Lake — was placed in the 1983 budget; however, the Commission voted to complete the project as soon as possible. This oak, taken from under the tree where John Wesley preached in Savannah, Georgia, was transplanted at Blue Lake by Bishop Frank Robertson, resident Bishop of the Birmingham Area. Mr. Douglas Clare Purcell, Chairperson of the Alabama-West Florida Historical Society, is in charge of having the plaque designed and placed at Blue Lake.

Mr. Purcell related plans for a membership drive and acknowledged the urgency of educating all Alabama-West Florida United Methodists of the need for participation in the Historical Society (open to all lay and clergy).

The Commission voted to ask the Blue Lake Commission to assume responsibility for the care and keeping of the building and grounds of Lambeth Memorial, after the hanging of the gaslight chandelier. The Commission will maintain an interest in Lambeth Memorial Church

and serve when called upon for specific projects relating to the restoration and utilization of the Shrine.

The Rev. Robert E. Hall presented plans for the 1982 Annual Conference Service of Commemoration on May 26, 1982, at 11:00 a.m. Mrs. Alverta Hughes is gathering oral and written histories of the churches formerly in the Central Alabama Conference. All ministers serving these charges are urged to cooperate with Mrs. Hughes. Heritage Sunday will be the 25th of April, 1982. All churches are requested to participate in this celebration.

## PART II

BE IT RESOLVED that the Alabama West Florida Historical Society be granted permission to solicit funds within the bounds of the Alabama West Florida Conference of the United Methodist Church for the purpose of reprinting Anson West's *History of Alabama Methodism*. This reprint will include the copyrighted indices by the Rev. Franklin S. Moseley

## COMMISSION ON ARCHIVES AND HISTORY

### REPORT NO. 2

#### CONFERENCE RECORDS POLICY AND PROGRAM

Authorization for an Annual Conference Records Program and suggestions for its implementation are contained in the following documents:

1. *The Book of Discipline of the United Methodist Church*, 1980.
  - a. Paragraphs 1901-1912, detailing the organization, purpose and responsibilities of the Standing General Commission on Archives and History,
  - b. Paragraph 727, mandating the organization and outlining the responsibilities of annual conference Commissions on Archives and History,
  - c. Paragraphs 250.3-250.4 and 2538.5, outlining the obligations of local churches and the conference Commission on Archives and History with respect to local church records and history.
2. *Journal of the Alabama-West Florida Conference, The United Methodist Church*
  - a. 1977, pp. 228-29, containing a statement of Conference archival policy.
  - b. 1978, pp. 229-30, containing the agreement between the Conference and Huntingdon College in the establishment of a Conference Depository of Archival and Historical Materials.

Responsibility for the development of a Conference Records Program rests with the Conference Commission on Archives and History. Accordingly, the following "Records Policy and Program" is recommended by the Conference Commission on Archives and History for adoption by the Alabama West Florida Conference as its official plan and procedures, to become effective immediately upon adoption.

#### "CONFERENCE RECORDS POLICY AND PROGRAM"

#### ALABAMA-WEST FLORIDA CONFERENCE THE UNITED METHODIST CHURCH

1. There shall be a Conference Committee on Records composed of the Area Bishop, Secretary of the Cabinet, and the following officers of the Conference: Secretary, Statistician, Editor of the *Journal*, Executive Director of the Conference Council on Ministries, Treasurer, Chairperson of the Commission on Archives and History and Archivist/Historian. This Committee shall have general oversight of the Conference Records Program. The Conference Secretary, the Conference Treasurer, the Executive Director of the Conference Council on Ministries, the Secretary of the Cabinet, the Chairperson of the Commission on Archives and History, and the Archivist/Historian shall serve as an Executive Committee. The Archivist/Historian shall serve as Director of the program.

2. Responsibility for preserving and maintaining the Area Bishop's records rests with the General Commission on Archives and History.

3. Responsibility for creating, maintaining and preserving local church records rests with the custodian of records (pastors, recording secretaries and church historians) in their respective local churches. They may at any time transfer materials no longer having current operational usefulness to the Depository of Archival and Historical Materials for preservation and maintenance.

All records of *merged* or *closed* churches shall be deposited with the successor churches, if any, or with the Conference Depository of Archival and Historical Materials.

4. Responsibility for the creation, maintenance and preservation of the records of the Conference Officers and agencies (boards, committees, commissions, etc.) rests with the "Records Officer" of each of these offices or agencies. In fulfillment of this responsibility, each Conference Officer (District Superintendents included), unless it is otherwise specified, shall serve as his/her own Records Officer. Each agency shall officially designate one of its members (customarily the secretary) as Records Officer.

5. The Conference Depository of Archival and Historical Materials shall, except when official provision is made otherwise, be the official depository for the records of Conference Officers and agencies.

6. As soon after issuance as possible, at least one copy (and preferably two) of all publications containing information that may have significant documentary or historical significance shall be forwarded to the Conference Depository. Particularly significant are directories, histories, special bulletins and newsletters, special reports, records of special celebrations, etc.

7. Each Records Officer shall create or assemble, or cause to be created or assembled those records deemed necessary for the performance of his/her duties or the duties of the agency he/she represents.

8. Such records shall include, but not be limited to, minutes, reports, correspondence, legal or other evidential documents, communications, materials, photographs, recordings, memorabilia and the like.

9. Records Officers shall retain all such records for as long as they are needed for the current operations of the offices and agencies they represent. When they are no longer regarded as having current operational usefulness, the records shall be turned over to the official Conference Depository, where they shall be made available for appropriate use, or where warranted, discarded.

10. Any restrictions to be made on the availability for use of records placed in the Depository shall be determined and be recorded by the Records Officer depositing the materials and the Conference Archivist/Historian.

11. In order to provide for an orderly and efficient transfer of records from a Records Officer to his/her successor, the Records Officer shall, immediately prior to the surrender of his/her office to his/her successor, separate his/her records into three groups as follows:

(1) those having continuing usefulness in the on-going operations of the office or agency he/she represents,

(2) those regarded as being worthy of retention because of their continuing or future historical, evidential, or informational significance, and

(3) those to be considered for discard.

He/she shall then deliver them to his/her successor.

12. Upon receiving the records for his/her predecessor, the succeeding Records Officer shall review the records in each of the three groups and shall retain all regarded as having continuing operational usefulness and deliver all others to the Depository, separated into two groups as follows:

(1) those regarded as being worthy of retention, and

(2) those to be considered for discard.

13. The Archivist/Historian shall review the records in each of the two groups and make changes regarded as appropriate and shall consult with the Records Officer concerning any significant changes made in the classification and any conditions or limitations to be placed on the accessibility or use of the records retained in the Depository.

14. The Archivist/Historian shall organize and shelve, or cause to be organized or shelved, for appropriate use, all retained records and shall dispose of the remainder in accordance with established policy.

15. Since local church records are as a rule retained in local churches, certain records of District Superintendents are especially valuable for retention in a central place (Conference Depository) because of the vital information they contain about grass roots Methodist churches. Particularly significant are Charge Conference records (especially the minutes, official roll and attendance records, reports of pastors, and other unusually significant reports of charge officers and agencies.)

16. Other District Superintendents' records having exceptional informational, evidential or historical value include certain records from various District meetings (conferences, rallies, preachers' meetings, agency meetings, etc.)

17. The District Superintendent shall assure that the records of local churches in his/her district, merged or closed during his/her term of administration, are deposited with their successor churches, if any, or with the Conference Depository of Archival and Historical Materials. He/she shall be on the lookout for lost or strayed records from any churches during previous administrations.

18. In order to expedite the implementation of this Conference Records Program, Records Officers are authorized to telescope the steps described in items 11 and 12 for records created or assembled by their predecessors. This would entail an immediate evaluation of such records by the Records Officer and transfer to the Depository of "those regarded as being worthy of retention" and "those to be considered for discard."

Jane S. Coleman, Chairperson

## REPORT OF THE DEPOSITORY OF ARCHIVAL AND HISTORICAL MATERIALS

*SIGNIFICANT ACCESSIONS SINCE LAST REPORT.* Significant accessions April 1, 1981-March 31, 1982 include the following:

a. Records: (1) Records of the Secretary of United Methodist Women, Alabama-West Florida Conference 1976-80; (2) Records of the Board of Pensions and Homes for Caimants 1972-75.

b. Histories of Churches and Other Historical Data: (1) "Historical Information on Churches" forms, filled out by 30 churches of the Montgomery District and 27 churches of the Troy District; (2) Local church histories: "The Windows of Mt. *RECORDS POLICY AND PROGRAM.* A priority project of the Archivist/Historian for the year has been the development of a Conference Records Policy and Program. Grassroots discussions have been conducted in ministers' meetings, Council on Ministries sessions, cabinet meetings and training sessions in an effort to develop a plan and procedures that would be at once effective and practical. On March 25, 1982 a statement of a "Conference Records Policy and Program" was presented to the Conference Commission on Archives and History. The statement was approved and is recommended for adoption by the Conference in the report of the Commission.

*STAFF ACTIVITIES.* The Depository Staff is engaged in multitudinous day-to-day routine activities, but the following have been selected for highlighting:

*Archivist/Historian:* In order to promote the work of the Depository throughout the Annual Conference the Archivist/Historian has met with the following groups: (1) The Cabinet — to discuss the development of a "Conference Records Policy and Program"; (2) Ministers of the Andalusia District — to discuss records and history projects; (3) The Moundville United Methodist Church — to promote Heritage Sunday; (4) The Troy District Conference — to represent the Depository; (5) Super Sunday, Montgomery District — for training session for local historians; (6) Council on Ministries meetings — to promote Depository and represent budget needs; and (7) Commission on Archives and History meetings — to represent the Depository. In addition he has written five historical articles (two of which have been published to date) for "The United Methodist Christian Advocate" and is in the process of writing more.

*Associate Archivist/Historian:* In August of 1981 the Associate Archivist/Historian completed a three weeks training course in Archives Administration. Certification from this

course is recognized in archival circles as qualifying a person for certain technical skills and responsibilities in the archival profession. The Associate Archivist/Historian is employed part time and keeps the Depository open at Huntingdon College on Mondays, Wednesdays and Fridays from 8:00 a.m. to 5:00 p.m.

*Assistance from the Staff:* Depository staff members are available by appointment as well as at routine office hours and are eager to assist Conference officers, boards, agencies, districts and local churches in training sessions and/or in responding to inquiries that will contribute to a more effective Conference records and preservation of historical data program. Especially during the Bi-centennial quadrennium of American Methodism, staff members are eager to be of assistance to local churches in writing or up-dating local church histories. From April 1, 1981 through March 31, 1982 the Depository staff has researched the data and answered in some detail requests for historical information on 17 persons and 14 churches.

*SPONSORS' PROGRAM.* With the end of this Conference year, the Depository Sponsors' Program will be formally closed. It was initiated in 1978 as a quiet effort to raise capital funds to get the Depository program underway. Through it the Depository had succeeded as of January 1, 1982 in raising \$4,095.00 to be used as follows: \$2,000 for revolving balance fund to provide a balance at the beginning of each fiscal year; \$2,095 for "permanent" equipment (typewriter, shelving, filing cabinets, safes, etc.)

### REPORT NO. 2

#### RULES OF PROCEDURE

1. The Council on Finance and Administration shall meet prior to Annual Conference and during the conference session as needed. A mid-year meeting and a spring meeting of the council shall be held. Other meetings shall be on call of the president of the council.
2. All persons interested in presenting a request to the council are invited to do so or to attend any of the council meetings. All council meetings shall be open to all interested persons, except when by majority vote the council elects to meet in executive session.
3. Each agency whose records are not kept by the financial office is required to bond its treasurer, which may be done through the council at no cost to the agency. Such agency shall

provide a copy of its audit and other reports to the council as deemed necessary by the council. (Para. 713.2; 714.2, 1980 Discipline). Reports to the council shall be in such detail and provided at such times as the council may direct.

4. The council may withhold conference funds from any agency or board which fails or refuses to present proper bonds or audits. Such withholdings shall continue until proper requests are met.

5. An audit of the complete financial status of the Annual Conference shall be published in the conference Journal.

Receipts for the first eleven months of the fiscal year will apply to the allocation with no check order honored in December of each year until solvency is determined by the financial office. Any expenditure more than the current balance in that account shall be cleared with the chairman of the council and the executive director of the conference Council on Ministries.

(Para. 710.5, 1980 Discipline).

10. The adoption of reports and recommendations of the council by the Annual Conference shall become the final action of the Annual Conference, and shall be accepted regardless of the adoption of any and all reports and recommendations of boards, commissions and agencies. An exception is made when there is a difference between the report of the council and the request of the Board of Pensions and Homes for Claimants, in which case the latter shall take precedence.

11. In order to avoid the depositing of conference funds in any one bank in excess of the insured limits, the council shall serve as clearing house for all agencies in the Annual Conference making deposits in any bank, either savings or check accounts, and no such deposits shall be made by any agency without approval by the council.

12. A Committee on Investments and Audits within the council will be responsible for reviewing, approving, and supervising all banking relationships of the council with special attention given to investments including conference agencies. This committee will also have responsibility for reviewing audits of all church agencies receiving funds from the Annual Conference. (Note Rule 3 and 4 above.)

## REPORT NO. 5

## POLICIES AND GUIDELINES FOR ANNUAL CONFERENCE REGISTRAR

Standing Rule 8 of the Annual Conference makes the Council on Finance and Administration the Committee on Arrangements for the Annual Conference Session. In keeping with this, the Council on Finance and Administration has selected one person as conference registrar to supervise registration of and assignment of rooms to Annual Conference delegates; handle calls for persons attending sessions; supervise displays and allocations of rooms for such; handle reservations for meeting rooms and for dining areas.

In order to implement and prevent overlapping of authority, the Council on Finance and Administration adopts the following guidelines:

1. The Conference Registrar shall have full responsibility for interpreting the eligibility of those covered under Standing Rule 8 for entertainment at the Annual Conference Session. This may be appealed to the Council on Finance and Administration.

2. Chairpersons of boards and agencies who are not elected delegates and attend the Annual Conference in order to give reports shall have their expenses paid by their own board or agency.

3. Space and/or rooms to be used for displays shall be assigned by the registrar and no other. Space shall be assigned on a first come basis.

7. Special needs, such as hymnals, altar furnishings, projectors, etc. shall be arranged through the registrar at least two weeks before conference. Needs arising during conference which could not be anticipated will also be arranged through the registrar and not through the college.

REPORT NO. 6

2. 3. We recommend that there be a two percent (2%) service charge placed on all funds that remain within the boundaries of our conference which the conference treasurer manages in bookkeeping, check writing, and other services connected therewith. The following funds are excluded from the service charge: World Service, Children's Home, General Administration, Episcopal Fund, Interdenominational Cooperation Fund, One Great Hour of Sharing, Conference Claimants Fund, Pension Crusade Funds, all Advance Specials, SEJurisdictional Administration Fund, Aid to Action Ministries Funds from the General Board of Global Ministries, Mother's Day offering and Golden Cross Ministries.

**REPORT NO. 8****STEWARDSHIP RESPONSIBILITIES AND LOCAL CHURCH CONCERNS**

1. The council believes that all apportionments are needed in the amounts apportioned. Further, the council believes that it is within the capacity of the churches to pay the apportionments in full. Great effort has been made to apportion more realistically and even greater effort will be made in the future to accomplish more manageable apportionments. We urge full acceptance and payment of all apportionments by each church.

2. We recommend that district superintendents establish suitable apportionments for new charges in harmony with the adopted basis for apportionments.

3. We recommend that apportionments be made to all churches as developed by the formula method. However, the district superintendent and the council may meet jointly prior to the mailing of apportionments to churches to make adjustments with appropriate explanations by the district superintendent to the church involved.

4. We recommend that local churches provide for the audits of local church records as provided in paragraph 266:3c of the 1980 Discipline. It is our suggestion that audits of local church financial books should be done by someone other than church staff and should involve others, though members of the Committee on Finance may be included.

**REPORT NO. 9****DISCIPLINARY REQUIREMENT**

Paragraph 714.1 of the 1980 Discipline requires the council to approve the bonding agent for the treasurer and/or treasurers of all agencies and boards, and to recommend amounts for which treasurers are bonded. The council recommends that the present policy of bonding be continued.

**REPORT NO. 10****FORMULA AND ALLOCATIONS**

1. We recommend that apportionments be developed using a formula based on weights of 25% membership and 75% non-building budget (see Standing Rule 26), and that apportionments be determined by local church decimals applied to the cost of each ministry at the conference level.

2. It is recommended that the spring meeting of the council be the time for receiving requests from the Council on Ministries and boards and agencies for allocations from the benevolence budget for the ensuing year. All boards and agencies funded through the benevolence budget should be advised that they place their allocation of funds for their program in jeopardy when they fail to comply with requests for information requested and required by the Council on Ministries.

3. We further recommend that apportionments be developed and distributed to each church in order that they may be used for development of local church budgets for the calendar year. A tentative apportionment schedule will be mailed June 10, 1982, to be reviewed for errors and corrections. A final apportionment schedule will be mailed July 15, 1982, to be used for budgeting purposes in the local church, after which no corrections will be made.

4. Attention is called to the closing of the books of the Conference Treasurer on January 7, 1983. All funds to be applied to 1982 receipts must be in the office of the treasurer at that time.

5. Preparation of the Statistical Tables for 1982 shall be handled in the conference office. Report forms will be mailed in December to each local church from the conference office for reporting local church expenses. These forms are to be returned to the conference office by January 15, 1983, for preparation of the Statistical Tables on the computer.

**REPORT NO. 11****MINISTERS MOVING EXPENSE**

We recommend that upon retirement or disability the conference pay up to \$500 for documented moving expense to his first place of retirement for each minister, such expense

to be paid for moving within the bounds of the Annual Conference. Expense will not be paid beyond conference boundaries. This policy with special regards to the adequacy of the amounts is to be reviewed by the Council on Finance and Administration after careful examination of the annual experience.

### COMMISSION ON WORSHIP

The Commission on Worship of the Alabama-West Florida Annual Conference continues to take seriously its job of enabling the people of our conference to deepen their devotion through Christian worship. There is nothing more basic to the Christian life than divine worship, and we are endeavoring to provide assistance to our people in the myriad aspects of worship. Several district workshops on worship have been held within the last year, and our commission is anxious to assist in the planning and implementation of even more such workshops in the coming year. We are also willing to help any pastor or local church in any way we can through interpretation, training, or demonstration.

The Youth Choir Camp continues to be a major project of the Commission on Worship. We sponsor and subsidize this week-long summer camp. Last year the camp was held July 19-24, 1981, at Oakwood Lodge. Our guest clinician was Dr. David Blackburn of Scaritt College in Nashville, Tennessee, and Mr. John Floyd Webb of Pensacola, Florida, served most ably as dean. A large group of Junior High and Senior High young people received excellent training and enjoyed a great experience. July 26-31, 1982, are the dates for this year's camp.

A sizable number of pastors and lay persons from our conference attended the Convocation on Worship in Columbus, Georgia, on February 12 and 13, 1982. Our commission sponsors this annual event along with the commissions on worship from North Alabama, North Georgia, and South Georgia.

Four members of the commission and several other persons from our conference attended "Visions '81" at Indiana University in August of 1981. This was the national convocation of the Fellowship of United Methodists in Worship, Music, and the Other Arts.

The Commission on Worship would like to express appreciation to Bishop Frank L. Robertson for his leadership in expanding the role of worship within the setting of the annual conference sessions. We have worked with our Bishop and other conference leaders in attempting to provide meaningful services of worship during our meeting here at Huntingdon College. May we go forth from this conference renewed in our commitment to Christ and His Church, and may the worship that we do in all our churches bind us together in the unity of the Spirit, making us One with each other and One in Christ.

Your Credit Union now has 398 members, and our total assets to-date are \$368,613.12. We have made over one million dollars in loans to our members since our organization in 1967. At present all our funds are loaned and we have a waiting list of applications for loans. Early in 1982 your Board of Directors voted to pay 8% on shares deposited with the Credit Union for 1982. This will be paid semiannually on June 30 and December 31. All ministers, and members of their families, in the Alabama-West Florida Conference are eligible for membership. Local church employees may also become members of our Credit Union. Those who have shares on deposit have an equal amount of free life insurance up to \$2,000.00 provided deposits are made (and left on deposit) before one reaches age 55.

Loans made with the credit union also carry free life insurance. At present we are charging only 12% APR (annual percentage rate) or one percent per month on loans.

If YOU are not a member, or if someone you know wishes to become a member, you may do so by sending \$6.00 to Billy Joe Bass, Box 88, Georgiana, Ala. 36033. This is \$1.00 for membership fee and \$5.00 as a minimum deposit for shares.

To help you save, we have a plan for borrowing from the Credit Union and depositing to shares and making monthly payments. The interest on such a loan will be offset by the interest you earn on your shares deposited from the loan.

COMMISSION ON CHRISTIAN UNITY  
AND INTERRELIGIOUS CONCERNS

*A Practical Vision of Christian Unity*, which is written by Jean Caffey Lyles, is one of the books of the *Into Our Third Century* series that is put out by the General Council of Ministries of The United Methodist Church. This worthwhile book deals with the work of our Commission. The book begins by saying "The United Methodist Church is committed to 'being ecumenical' and to manifesting the gift of Christian Unity." This is true because ecumenism always has been and remains a vital ministry of our historical and spiritual heritage.

*The Book of Discipline* (1980) and the Scriptures (Galations 3:28) give to us the responsibility of promoting unity and fellowship among the peoples of all denominations and faiths. We are directed to break down the barriers which separate Christian churches through our seeking "oneness in Christ Jesus" and to find a "common bond" of fellowship among all religious faiths of the world.

In order to work at this vital ministry, we urge the members of our Annual Conference to commit themselves to the strengthening, in unity, the wholeness of the Christian Church and its effectiveness in God's mission to his peoples. We are encouraged to promote reconciliation among Christians of all denominations through our demonstration of the one, true form of the Body of Christ. Through our membership in the National and World Council of Churches, we are called to make application of the Gospel in all of life by working together on the major issues facing the world and the churches and to facilitate programs which cannot be done by any single denomination through our compassionate concern and service to all human needs.

We urge each local church to initiate ecumenical services of worship and mission in their communities. We encourage the observances of Christian unity by our congregations in promoting ecumenical programs through

- the Week of Prayer and Christian Unity
- Brotherhood Week

- Consultation on Church Unity Sunday
- Reformation Sunday
- All Holy Days

Planning special ecumenical programs is most important in the ministry and mission of the Gospel. The Church's vision includes all peoples of God through its fellowship in Christ Jesus, our Lord.

## **REPORT OF THE AREA BOARD OF COMMUNICATIONS/ UNITED METHODIST CHRISTIAN ADVOCATE**

This Board is delighted to report that the reorganization of the Office of Communication/Advocate has been successfully completed and every facet of the program and purpose of this agency is now functioning smoothly.

Dr. Paul Ruark was hired as Director/Editor in August, 1981. His energetic leadership and dedicated effort resulted in the Office of Communication/Advocate closing the year 1981 with a healthy balance financially. He also directed the effort to completely revamp the format and design of the ADVOCATE and on January 15, 1982, this publication of the Birmingham Episcopal Area became an instrument totally produced within the bounds of the Area. Its successful reception is indicated by the significant rise in paid subscriptions since the beginning of this "new" design. We fully anticipate being able to report to annual sessions of the Conference that we have reached over 15,000 paid subscribers. This will mean that the ADVOCATE, for the first time in a long while, is paying for its printing and mailing cost.

The Area Board is now in the act of producing and distributing throughout the entire area of Alabama and Northwest Florida television spots that will promote the United Methodist Church and its many facets of ministry. Our goal is to enhance the image of our great denomination and to communicate to all commercial television viewers our intense interest in them.

The Area Board of Communication/Advocate wishes to express to the Conference Program Staff persons of both Annual Conferences, especially the Executive Directors, Dr. Charles Wallace and Dr. Everett Barnes, our sincere appreciation for their help and assistance during the three-month period of 1981 when the ADVOCATE depended on their dedication to continue publication. Appreciation is also extended to Suzanne Kennemer, Administrative Assistant, and other staff members, for their dedication and support in publishing the paper. We also express our deep appreciation to our episcopal leader, Bishop Frank Robertson, for his encouragement and help during this "new beginning."

Council on Finance and Administration  
Alabama-West Florida Conference of  
the United Methodist Church  
Andalusia, Alabama

We have examined the statement of receipts and disbursements of the Council on Finance and Administration of the Alabama-West Florida Conference of the United Methodist Church for the conference year 1981 and the statement of investments at December 31, 1981. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Council's policy is to prepare its financial statements on the basis of cash received and cash disbursed, consequently certain revenue is recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in accordance with generally accepted accounting principles.

In our opinion, the accompanying statement of receipts and disbursements and statement of investments present fairly the recorded receipts and disbursements of the Council on Finance and Administration of the Alabama-West Florida Conference of the United Methodist Church for the conference year 1981 and the investments held at December 31, 1981.

## Division X — Memoirs

### PAUL MARSH ANTHONY JUNE 16, 1921-NOVEMBER 14, 1981

After graduating from the University of Alabama and doing theological work at Candler School of Theology at Emory University in Atlanta, Paul Marsh Anthony, Sr. was admitted as a member in full connection to the Alabama-West Florida Conference of The Methodist Church. During his years of service, he served student appointments at Akron-Havana, and the Dixie Methodist Church in LaGrange, Georgia. Later he served Myrtle Grove in Pensacola, Curtis Memorial in Dothan, Ashford, Newton, and Beatrice.

Very early in his life and ministry he became victim to a tragic and debilitating disease. This necessitated his early retirement from the conference, which the conference graciously granted. The years that followed were years of intermittent hospitalization and attempts to find his way again to a life of service. Through all the confusion of his life he never lost his desire to serve nor the knowledge of his call to the ministry of the church. He became a Methodist minister in 1943. He remained such until he died on November 14, 1981.

— L. Powers McLeod, Sr.

### CHARLES ANSON CORBITT 1915-1981

Charles Anson Corbitt was born November 14, 1915, at Hartford, Alabama, the son of Larkin James Corbitt and Louise Traylor Corbitt. On December 26th, 1938, he married Elizabeth Stabler of Lower Peach Tree, Alabama. From that union came two daughters — Mrs. Richard L. (Mary Louise) Dixon of Rome, Georgia, and Mrs. R.C. (Betty) Pegues, Jr., of Corpus Christi, Texas.

Charles joined the Hartford Methodist Church at an early age. During his high school years, he was active in youth work, serving as youth director of the Dothan District. He was granted a license to preach at Hartford Methodist Church on May 29, 1936. He received a (AB) degree in 1939 from Birmingham-Southern College, and a (BD) from Emory University in 1944. He was ordained as an Elder in the Methodist Church November 14, 1942.

In 1978 he retired after 41 years of active service and moved to Hartford, Alabama. After retirement he served as a supply for two years at Galilee United Methodist Church, Graceville, Florida.

He died on September 16, 1981. Interment was September 18, 1981, in Hartford City Cemetery.

Besides his wife, Elizabeth, and two daughters, he is also survived by two grandchildren — Beth and Charles Dixon of Rome, Georgia.

— Elizabeth Stabler Corbitt

## WOODROW WILSON CREWS 1916-1981

Brother Crews was born May 18, 1916, in Perry County, at Heiberger, Alabama. He was the youngest of five children, three brothers, and one sister. His parents were William Moody Crews and Senia Moore Crews.

He was married to Arlene Mitchell on January 4, 1941. To their union were born two daughters, Mrs. Dorothy Oswalt Tuscaloosa, Alabama, and Mrs. Mary Ruth Edwards of Vernon, Alabama.

He answered the call to preach at the age of twenty-three. A few years later he took full time work as pastor in the Roanoke District in the North Alabama Conference. From there he served in the Huntsville District, Decatur District, Jasper District, Tuscaloosa District, and the Albertville District.

In 1979, he transferred to the Alabama West Florida Conference, in the Demopolis District, and served Mount Hermon Charge until he retired in June, 1981, at the age of sixty-five years.

On March 15, 1982, while in the Druid City Hospital, in Tuscaloosa, Alabama, he was transferred to the Church on High, to be with his Master that he loved and served for over thirty-two years.

Brother Crews lived for the purpose of serving the Lord! He didn't seek after larger churches, higher paying salary, nor did he seek to be highly regarded among men. All he wanted was a place to serve the Lord that he loved and the people that he loved!

He remembered his vows that he had made while joining the Conference, and he lived up to those vows! No wonder that among his last words, before departing to be with the Lord, were the words of Paul, in the book of 2. Tim. 4:6-8. "For I am now ready to be offered, and the time of my departure is at hand. I have fought a good fight; I have finished my course, I have kept the faith; henceforth there is laid up for me a crown of righteousness, which the Lord, the Righteous Judge, shall give me at that day; and not to me only, but unto all them also that love his appearing."

In all relationships with others he was truly brother, husband, father, pastor and friend. He loved life and he lived love always showing Christ-like concern and compassion for others.

He demonstrated a spirit of unselfishness, humility, and restraint that was so much like his Master, our Lord Jesus Christ! Only God can know the numbers of lives that have been blessed by Brother Crews, who lived a life of labors and devotion, dedication, and a determination "to earnestly contend for the faith which was once delivered unto the saints."

— Rev. Hugh Collins

He was licensed to preach in the Alabama-West Florida Conference in 1918, was ordained a Deacon and admitted into Full Membership in 1921. He was ordained an Elder in 1924.

On April 4, 1920, while pastor of the Fruitdale Charge, he married Amelia Auvil. From this union came seven children: Glovine (Glovine G. Moorner), George P. Garner, Conrad Clifton Garner, Jr., Ruth (Ruth G. Cox), Elaine (Elaine G. Coghlan), Josephine (Josephine G. Struble), and Elizabeth (Elizabeth G. Cain).

With a deep sense of devotion and pastoral commitment he served the following charges within the Conference: Prichard-Toulminville, Fruitdale, Lisman, Wewahitchka, West End, DeFuniak Springs-Ponce de Leon, Heiberger, Greensboro Ct., St. Stephens, Gilbertown, Arton, Fort Davis-Fitzpatrick, Plantersville, Akron-Havana, Stockton, Greenwood, Sweetwater, Castleberry, Century, Plateau, Dumas, and Canoe. He retired in 1962 after forty three years of service and lived in Stockton, Alabama until his death on August 19, 1981.

The funeral service was held at the Stockton United Methodist Church, and was conducted by the pastor of the church, Rev. Mr. Cecil Shirey, and by the writer of this memorial. He was buried in the Richardson Cemetery near his retirement home.

The pivotal points of his ministry were his conversion, September 28, 1910, and call to ministry, which eradicated all doubt as to his mission in life. These profound experiences enabled him to be an authentic person who was natural, genuine and human. He preached and ministered from experience to experience.

In his life and ministry, Brother Garner, as he was affectionately known by laity and clergy, demonstrated two basic themes: the mystical quality of the Christian faith and the ethical demands which a proper relationship to God calls forth. He was aware of the need both for religious experience and for social reform and action in society.

Brother Garner shared a hopeful outlook concerning man, his sin, and his redemption. Rather than emphasizing the depravity of man, he devoted his pastoral ministry to showing what man is capable of becoming and doing. Perhaps that is why so many young ministers sought his counsel, his guidance, and felt "at home" in his presence.

He led many young people into the ministry and guided many more who discovered his compassion and concern for them as persons as well as ministers. The writer of this memorial considers himself one who has been blessed by the love and wise counsel of Brother Garner. He loved all his "preacher boys" and cherished those times of fun, fellowship, study and prayer with them. In his retirement years, he continued his teaching and counseling ministry to young ministers. The "Garner Home" in Stockton, welcomed many clergypersons who were searching for encouragement and the special kind of fellowship he and Mrs. Garner provided.

Brother Garner has outrun us to heaven. We shall miss him in so many ways, but especially at his home in Stockton and at Annual Conference. Now we celebrate his remarkable life and creative ministry, with gratitude in our hearts for the lasting contributions he made to us who loved him and were loved by him.

## MRS. C.C. GARNER 1903-1981

Amelia Auvil Garner was born in Fruitdale, Alabama, February 19, 1903. She was the fifth of five children born to George B. Auvil and Florence Gilmore Auvil. She married Conrad Clifton Garner, April 4, 1920, in Fruitdale.

Although she was the biological mother of seven children, she gratefully assumed the role of "adoptive" mother to the many "preacher boys" whom her husband led and guided into the ministry. Her life was marked by her supportive commitment to her husband and his ministry and by her service to others. In her home one could always find acceptance, love and food on the table. The outside of her home was adorned by beautiful flowers and a productive garden. There was always something special about being in the home and presence of Mrs. Garner. Perhaps Dr. Albert E. Barnett, the late professor at Candler School of Theology, came near to expressing that special feeling when he once described the coffee that she made as "coffee with character." Being in the home of Brother and Mrs. Garner, two extraordinary servants of Christ, one sensed the meaning of divine character.

Mrs. Garner and her husband demonstrated such "oneness" in ministry that it is difficult to memorialize one without including the other. Yet, she performed her own unique service and ministry to her church and community wherever she graced a United Methodist parsonage. She always looked for the best in others and gave of her best in whatever she did. Preachers are sometimes known for their eloquence in speaking. Mrs. Garner was known for her eloquence of action. The simple manner in which she practiced the Christian faith in her daily activities motivated inspiration and encouragement in others.

Mrs. Garner joined her husband in heaven on December 23, 1981. The funeral service was held in the Stockton United Methodist Church and conducted by the pastor, Rev. Mr. Cecil Shirey and the writer of this memorial. She was buried beside her husband in the Richardson Cemetery.

The world is a better place in which to live because of Amelia Auvil Garner and we thank God for her life and special ministry.

### 1888-1982

Reverend Luther Stanley Gilmer, son of John Francis Gilmer and Sarah Barnett Mathews Gilmer, was born in Fort Deposit, Alabama, on August 9, 1888, and died in Pensacola, Florida, on April 2, 1982. He retired from the active ministry in 1956 but continued to preach and teach upon invitation until a few years before his death.

In his later years, much of his time was spent writing sermons. One of his favorite sermons, entitled "The Church," expressed his views on the Christian Church (Ephesians 5:22-32) as the most exalted relationship known to man. Rev. Gilmer followed the teachings of John Wesley, preaching the Bible as the inspired Word of God.

## REV. DR. EDWARD LESTER HARDIN 1912-1981

One of God's truly great men was called from this earthly life on December 21, 1981 when the Reverend Doctor Edward Lester Hardin departed this life to dwell in his Father's house.

Brother Ed, as he was affectionately known, was born on September 19, 1912 at Eclectic, Alabama. He was the son of John Luther and Lovie B. Edwards Hardin. On March 18, 1934, he was married to Katherine Persons Williams. Mrs. Hardin survives, along with their three children: Edward Lester, Jr., Birmingham, Alabama; John Williams, Hurtsboro, Alabama; and Mrs. Jerry R. Turner, Mobile, Alabama; seven grandchildren and one sister, Mrs. Harold Poor, Phenix City, Alabama.

Memorial services were held on December 22, 1981 at the Capitol Heights United Methodist Church, Montgomery, Alabama with Bishops Frank L. Robertson and Carl J. Sanders and Reverends Clifford M. Abbott and Ben Sawada officiating. Burial was in the city cemetery of Eclectic, Alabama.

He was educated in the public schools of Eclectic, and received the A.B. degree from Bob Jones University, which school also bestowed the Doctor of Divinity Degree upon him in 1952. He completed the required Course of Study in the Pastor's School at Candler School of Theology at Emory University in Atlanta. He was ordained Deacon in 1939 and Elder in 1941.

In 1921, Brother Hardin joined the Eclectic Methodist Church. In 1935 he was licensed to preach by the Montgomery District Conference. In 1937 he was admitted into the Alabama Conference on Trial, and into Full Connection in 1939. His pastoral appointments were: Titus (4 yrs.); Verbena (3 yrs.); Richards Memorial, Pensacola (13 yrs.); Capitol Heights, Montgomery (8 yrs.); Marianna District (6 yrs.); First Church, Greenville (4 yrs.); First Church, Opp (5 yrs.); and First Church, Brewton (3 yrs.). He retired in 1979, but continued to use his energies to preach in revivals (for which he was in great demand) and serve the St. Paul United Methodist Church located near his retirement home in Gulf Breeze, Florida.

Ed Hardin was a most devout Christian and an able churchman. He loved The United Methodist Church and served with distinction and great success every appointment he was given. He served one-half of his entire ministerial career in two churches: Richards Memorial in Pensacola, Florida and Capitol Heights in Montgomery, Alabama. He led these two congregations in building magnificent church structures; furthermore during his pastorates the Church School attendance rose to 512 and 703 respectively. Wherever he served, churches grew in membership, in giving to missions and in stewardship under his leadership. Numerous young people, including the writer of this memorial, were led into the ministry and other phases of Christian work by Brother Ed. His wise counsel and genuine love offered guidance and strength to those and many others to whom he portrayed in such a winsome manner the Christian life.

His Annual Conference honored him in many ways. Among these, his election as delegate to the General and Jurisdictional Conferences from 1956 to 1968. (He was Leader of the Delegation in 1964); his selection as the Chairman of the Board of Evangelism for eight years; his appointment as District Superintendent of the Marianna District (under his leadership, a new district parsonage was built); his service on other boards and agencies; and his leadership of the Conference Credit Union during its formative years. He was well-known throughout the church, and numbered among his close friends many bishops, "connectional" personnel, and leading pastors.

Brother Ed Hardin had a host of friends. One of the largest groups of ministers known to be assembled for the funeral services of a minister of the Alabama-West Florida Conference served as Honorary Pallbearers at his memorial service. He enjoyed a wide variety of activities with these friends and exerted a strong and healthy influence over them. He was governed by the highest principles, was sensitive to the needs of others, and was always a Christian gentleman. If a gentleman is one who gets out of life everything he possibly can, and who puts back in a little more than he got out; then Brother Ed surely was one of the Lord's real gentlemen. He will be sorely missed by all who knew and loved him: his family, his colleagues in the ministry and his many friends.

If he could give to us a parting word, I am convinced it would be in the words of the Apostle Paul, "I have fought a good fight, I have finished my course, I have kept the faith: henceforth there is laid up

for me a crown of righteousness, which the Lord, the righteous Judge, shall give me at that day; and not to me only, but unto all them also that love His appearing."

## ROBERT IRVING LAWRENCE 1898-1982

Robert Irving Lawrence was born in a one room log house, built by his Father, on a small farm near Six Mile, in Bibb County, Alabama as the sixth of eleven children of John Isaac and Alabama Estell (Ricks) Lawrence on September 3, 1898.

He spent much of his early life engaged in farm labor and in peddling farm grown meat and produce to nearby coal mining communities. He also helped in the early 1900's as his family, with the help of relatives and friends, constructed the farmhouse which replaced the original homestead and still serves as home for his brother, Kyrus.

Robert's Spiritual Birth and call to the ministry came early in life, influenced by his dedicated parents and Christian Home, by the Ministers and members of Wesley Chapel Methodist Church near Centreville, Alabama, of which he was a member, and by the Ministers and members of Six Mile Baptist Church, which he also attended.

After graduation from Centreville High School in 1921, Robert attended Birmingham-Southern College where he operated a pressing shop near the campus as a part of the means by which he paid his way through college, and where he was affectionately known as, "Farmer Lawrence." After graduation in 1927, he completed his conference course of study through correspondence and participation in summer camps at Biloxi, Mississippi and Emory University. He was ordained Deacon in 1929 and Elder in 1932.

Robert married Nettie Lou Bradley, daughter of Reverend and Mrs. C.W. Bradley of the Alabama-West Florida Conference on October 19, 1927, with whom he served churches in Citronelle, Chatom, McKenzie, Tuskegee, Headland, Clayton, Elba, Florala, and Centreville in Alabama and Chipley and Blountstown in Florida, and other charge pastorates before retiring with 43 years of service in 1970. He retired again in 1979 after serving eight years as minister of visitation at Dexter Avenue United Methodist Church in Montgomery, Alabama. During his ministry, Robert was best known as, "R.I.," "Brother R.I.," or simply, "Brother Lawrence." He and Nettie Lou moved to Wesley Manor in Dothan, Alabama in 1979.

Robert's earthly body died on January 16, 1982 at the age of 83. Funeral services were held at The First United Methodist Church in Dothan, Alabama with the Reverend Michael B. Watson, Pastor of Covenant United Methodist Church, and the Reverend Floyd C. Enfinger, District Superintendent of the Dothan District officiating. He is survived by his wife, Nettie Lou, four daughters, Mrs. Mary Elsie Beall of Gainesville, Florida, Mrs. Carolyn Oakes of Montgomery, Alabama, Mrs. Peggy Stewart of Dothan, Alabama, Mrs. Virginia Reid of Bellwood, Alabama; three sons, Robert M. Lawrence of Chattanooga, Tennessee, John C. Lawrence, M.D. of Tacoma, Georgia, and Lex Lawrence of Mobile, Alabama; four brothers; two sisters; twenty grandchildren and four great-grandchildren.

Robert's tales of his early life in the country and of his college years and early ministry leave little doubt that the environment and requirements of those formative years served to establish in him a profound appreciation for the wonders of God's creations and the very noticeable qualities of determination, patience, forthrightness, humbleness, and gentleness of spirit which made him the kind of Shepherd God obviously wanted him to be, and which caused him to be loved by those he served. The following quotes give further indication of the nature of Robert's life and ministry:

"Robert Irving Lawrence was God's man, in God's place, doing God's work. God sent him forth in the world to preach the good news to the poor, to set at liberty those who are oppressed, and to proclaim the acceptable year of the Lord. For more than a

half century he proclaimed the love of God as a completely dedicated and absolutely committed Methodist Preacher.

From the pulpits of many churches, in homes of thousands of people, in schools and hospitals, along country roads and in the city streets, and in the market places of villages, towns and cities, Robert Lawrence proclaimed the coming of the Kingdom of God with love and compassion. With a Christlike tenderness and a loving spirit, he ministered the life giving spirit of Jesus Christ to the spiritual and material needs of the children of God.

As a minister of God, a devoted husband, a loving father, and a much beloved brother, Robert Lawrence earned his place in the divine order of the family of the Heavenly Father. As God did not lose him in giving him to us, so we have not lost him in returning him to God."

Reverend Selman D. Bradley  
Brother-in-law and fellow minister (retired)  
of the Alabama-West Florida Conference

"He came to us at a time of great crisis in the life of our church and healed our wounds and endeared himself to every one in the church, and he was a very special person to me."

Howard L. Cleveland, Jr.  
Centreville United Methodist Church

"Several of us were able to attend the funeral of our friend on Monday, January 18, in Dothan. It was our privilege to convey to Nettie Lou and the Lawrence family the love and appreciation of our church for Brother Lawrence. More than that, we were proud to celebrate the assurance of eternal life that is the great promise of our faith.

God continues to speak to us through the example of Robert Lawrence, servant of Christ; our brother. May God give us ears to hear.

Thanks be to God."

Reverend R. Lawson Bryan  
Pastor of Dexter Avenue United Methodist Church  
(From Dexter Church Bulletin, January 24, 1982)

"We know that one as faithful as he will now be 'Face to Face' with the one he has loved and served."

Martha Turnipseed

"I'll say it one more time: He was the most beloved Pastor our church ever had."

Dr. Rhoda Ellison, lifelong friend

"It was always a delight to be in his presence."

Clifford M. Abbott, Fellow Minister  
Alabama-West Florida Conference

Robert was also a very special person to his family and it was always truly a delight and comfort for us to be in his presence. It was indeed a privilege during his life on earth to be wife, sons, and daughters in love and fellowship with R.I. Lawrence, "Heir of Salvation, Purchase of God, Born of His Spirit, Washed in His Blood." Praise be to God for his life and example.

## JOHN INGE LEWIS, SR. 1911-1981

John Inge Lewis, Sr. was born on December 9, 1911, in Mobile, Alabama, the son of John Wesley Lewis and Victoria Elizabeth Powell. He was married to Myrtle Verneulle on June 7, 1932. Of this union, eleven children were born.

Brother Lewis was licensed to preach at the Oakdale Methodist Church in Mobile in 1944. He was ordained Deacon in 1950, Elder in 1953 and was received into Full Connection in 1961. His ministry carried him to the following churches as pastor: Daupin Island, St. Stephens, Gilbertown, Fowl River, Dothan Circuit, Wausau, Uriah, Evergreen Circuit, Forest Home, Echo, Curtis Memorial in Dothan and Bayou La Batre. He served as minister of visitation at the Pleasant Valley United Methodist Church from the time of his retirement until his death.

Brother Lewis struggled under difficult circumstances to prepare himself for the ministry to which he was called. With persistence and prayer, he qualified himself for full membership in the Alabama-West Florida Conference when he was 50 years old. As a young minister and member of the Conference Board of the ministry, this writer sat on the committee that brought Brother Lewis into the conference. His struggles, determination and dedication were apparent. His gentle sense of humor, not only smoothed the rough places in his own life, but also made him a source of joy to his friends.

Brother Lewis was survived by his wife, Myrtle Verneulle Lewis; eight daughters: Mrs. Perry E. (Lorraine) Brown, Mrs. Harlon (Marline) Walsingham, Mrs. Shelton (Nelda) Brown, Mrs. Lamar (Nennia Mae) Newman, Mrs. John (Linda) Hansel, Mrs. Duvall (Tiny) Steele, Mrs. Richard (Harriet) Stacy and Mrs. Richard (Debbie) Barbour; three sons: The Rev. Linwood A. Lewis, John I. Lewis, Jr. and Victor G. Lewis; thirty-one grandchildren and nine great grandchildren.

Brother Lewis entered the church triumphant on November 28, 1981. Funeral services were conducted at the Pleasant Valley United Methodist Church by The Reverends Carl Herndon, Louie Wilson and Bobby Smith. For those of us who knew and loved Brother Lewis, this world will be a lonelier place, but we celebrate his life, and thank God that we knew him.

Rev. Maffett served as Superintendent of the Georgia Training School for Boys, Augusta, Georgia, from October 1949 until 1964 simultaneously supplying the St. Mark Methodist Church. He served as General Superintendent in the Academic Department of the Youth Development Center in Milledgeville, Georgia, 1964-1974. From 1958-60 he served on the Conference Board of Hospitals and Homes. He retired in 1975 and returned to Alabama where he served as supply in The Alabama-West Florida Conference. At the time of his death, October 8, 1981, he was serving the Eclectic Circuit, Tallassee, Alabama.

Charles Maffett was a gentleman and a Christian in the highest sense of the words and his death was a great loss to the black community and to the Conference.

## ANGUS MORGAN SHIRAH 1898-1981

Angus Morgan Shirah was born February 25, 1898, in Dale County, Alabama near Dillard. His father was George W. Shirah. His mother was also a Shirah — Sarah Samantha Shirah. In the Southern part of the United States and in the Europe of the nineteenth century, it was common for cousins to marry each other. (This was often true in this author's family.)

Young Angus attended the public schools of Dale County. With the other children in his family, he joined his father in the work on their farm. When this little boy was only nine years of age, he would "preach" in the cotton or peanut fields. This he would do when a lull came in the plowing, planting, chopping or harvesting of the crops in the fields. In those times, he would often stand at the end of a row and "preach." His parents, the other children, the "hired help" and others would gather around the little preacher and listen. He received a respectful hearing, because what he said made sense. Indeed what A.M. Shirah said about God across the nearly eighty-four years of his living consistently made sense.

When fourteen years of age, Angus Shirah publicly accepted Jesus Christ as his Lord and Saviour at Pleasant Ridge Methodist Church in the northwest corner of Dale County. He had always been a religious boy, and this experience at Pleasant Ridge Church was an occasion for declaring to the whole church a faith that had ever been in his heart. This faith carried him through the many vicissitudes of his long and varied life.

World War I marked an early chapter in that interesting life. Two years after his Pleasant Ridge experience, at sixteen years of age, he was a member of the Alabama National Guard at Ozark, county seat of Dale County, that was soon sent to New Mexico to become a part of the United States armed services deployed to the Mexican border ostensibly to chase Francisco Villa, the Mexican "bandit" who was said to be harassing our states along the border. Historians seem now agreed that the real purpose for this "Villa affair" was to use it as a means of training United States troops for our later entry into World War I.

The whole Alabama National Guard sent to the border was under the command of Colonel Bibb Graves of Montgomery, later twice governor of our state. The colonel was most impressed with the lean, red headed, freckled faced lad from Dale County, who was so intelligent, polite and had "real religion." He made Shirah his personal valet and chauffeur. When roads were available the colonel used an automobile but most of the time Shirah drove a motorcycle with an open sidecar attached in which Graves sat. This vehicle was a remote ancestor of the present day jeep. Shirah with the colonel rode in and out of danger all along the border. Down through the years after the war, the two men remained friends. Brother Shirah was so modest that he almost never told anyone that he and the governor were close.

While in New Mexico, the Alabama National Guard was put in the Rainbow Division of the regular army and ordered to return to Alabama. On military leave early in 1917, Brother Shirah married Miss Elizabeth Mabel Crutchfield from Early County, Georgia. They were married fifty-nine years before her death in 1976. When war was declared against Germany, the Rainbow Division was ordered to New York City for embarkation to France.

The warfare in the muddy trenches of France was a far cry from the romantic chasing of a phantom "bandit" on a strange kind of motorcycle with a third wheel supporting an attached sidecar, wherein rode an amiable Alabama colonel. The boy Angus Shirah fought in that hell hole of France for the entire war. When the Armistice was declared November 11, 1918, he still had not reached his majority. During that "eternity" of about two years, he saw much combat; received a deep wound of about one foot length in his thigh and leg; was gassed; and, experienced the emotional trauma of shell shock and of the ghastly sights and action in "no man's land."

In after years Brother Shirah was very reticent about discussing his war experiences. But I was a guest in his parsonage home a number of times and remember an occasion when he broke this silence for me. This happened one morning before breakfast. I had gone out on the front porch and was sitting there by myself. In a little while he came to me. His face was distraught and troubled. He said, "I have just had a horrible nightmare. I was back on the front in hand to hand combat." Then he told me the details of that combat that I will spare the reader.

The first time I ever saw Brother Shirah was in 1936 or 37. In those days the Methodist Church in Alabama was very active to keep laws in the state prohibiting the sale of alcoholic beverages. At the time, I was pastor of the Geneva First Methodist Church and made speeches in favor of such laws on the streets of the towns of Geneva County. On one of those occasions I was told that a man was in the crowd who represented one of the Alabama daily papers that vigorously supported the repeal of all "dry laws." At the close of my speech this man came forward and I expected a row. The crowd eagerly pressed in upon the two of us, expecting some real excitement. The man was A.M. Shirah and he disappointed the crowd. He clearly indicated that while he managed the circulation of this daily paper in the county, he did not agree with the paper's position on this question.

During the 1930's Brother Shirah began religious work in Dale, Henry and Houston Counties. For some of that time the Reverend E.H. Brown was pastor of the Newton Circuit and guided the zealous red headed layman in these endeavors. Brother Shirah will long be remembered for what he accomplished in the Tumbleton Methodist Church in Henry County in this period of his life. Brother Borwn and others encouraged him realizing that this man was called to preach.

The Alabama-West Florida Conference is indebted to the Reverend Dr. E.C. Moore for "discovering" A.M. Shirah for the ministry. In 1937, Dr. Moore was appointed District Superintendent of the Marianna District. Brother Shirah's reputation as a dedicated Christian had already extended to Marianna, and Dr. Moore took notice. In 1939, Angus Morgan Shirah was licensed to preach and was eager to receive a charge as a Supply Pastor.

Dr. Moore was ready to appoint the forty-one year old "supply" to a charge in his district but wanted to fit him into a plan he had for Bay County, Florida, in the Marianna District. That county was growing like Jonah's gourd but Methodism there was cowed and intimidated by the overbearing spirit and policy of another denomination at work there. The unification of American Methodism, completed in the spring of 1939, added three Northern Methodist Churches in Bay County to Dr. Moore's district. These churches were Lynn Haven, St. Andrews and one whose name was not perpetuated. For years these churches had been without members but the church buildings were imposing, although in bad need of repair. We already had two Southern Methodist Churches in the county — Millville and First Church Panama City. Dr. Moore decided to make a frontal attack on Bay County with an abundance of faith and a small amount of Conference missionary money. To carry out this strategy he had the bishop at the November 30-December 3, 1939 Conference appoint a new pastor to each of the five churches. The five appointments were Gulf-Bay Mission, T.P. Dean; Lynn Haven, C.A. Cornell; Millville, P.W. Martin; First Church Panama City, A.S. Turnipseed; and St. Andrews, A.M. Shirah, Supply.

Dr. Moore spent much of his time in Bay County to keep us from becoming discouraged. He was our Colonel Bibb Graves and the five of us loyally followed his direction. Brother Shirah was "ordered" to go to St. Andrews and immediately do something to attract attention. He went there at once and began to cut the tall grass around the church building with a sling. The church was located near the stores where the docks are in that part of town and many saw this well dressed man cutting grass in the Church yard. Soon a crowd gathered around him and some "pitched in" to help him after he told them he was the new Methodist preacher at this church that had been without a pastor for many years. The next Sunday some of the "grass cutters" came to church at St. Andrews and the resurrection of that church had begun.

The results of Brother Shirah's ministry at St. Andrews were amazing. Almost suddenly that church gained strength and influence, but he had a sense of incompleteness. He wanted to be a full fledged Methodist preacher and member of the conference. At that time the law of the church required that a candidate for the Methodist Ministry had to have finished at least the first two years of college work before beginning the four year conference course of study. Dr. Moore and all of us wondered if Brother Shirah would be admitted to a college but he was willing to be appointed to a circuit near Troy State Teachers College and see if admission could be worked out. Thus at the end of two years at St. Andrews, he was appointed to Shady Grove Circuit near Troy. The same year (1941) I was sent to the First Methodist Church in Greenville.

That summer I went to see Dr. Charles Bunyan Smith, President of Troy State and a Methodist layman, about Brother Shirah's admission. He asked me how could he be admitted, if any rules were followed. I replied that this man transcended all rules. Then I told the president the story of this preacher's valiant life and pure Christian commitment. The president still demurred a little, saying the preacher had never attended high school. I answered that the preacher had gone to some kind of school in Mississippi just after the war as a veteran's benefit. Then Dr. Smith seemed deeply moved and said, "Well, see to it that Brother Shirah 'scraps up' those Mississippi credits and sends them in

here and I will see to it that he is admitted." He was admitted and passed the two years college work, studying with unbelievable application.

During those two years, I held revivals for him on the Shady Grove Circuit staying in the parsonage, where I saw him successfully toil with his college subjects. At that time I think I found out how he accomplished this academic miracle. It was due to his prayer life. In those revivals Brother Shirah would pray with the men in the grove before they went into the church for the services. He would pray in the church services, in the homes of the people we visited and in the parsonage. Brother Shirah began each prayer with the same words, "And our Father...", and then would go on with what he wanted to tell the Lord. It was just as though the constant prayer in his heart were interrupted with his spoken prayer and that the two were connected with the words, "And our Father...".

In due time, Angus Morgan Shirah was admitted on trial into the membership of the Alabama Conference (now Alabama-West Florida Conference) and went forward with the years of the Course of Study. He was admitted on the morning of November 4, 1943 at Dauphin Way Church, Mobile, Alabama. Because he had the minimum of two years of college credit, he had to be admitted under the rule where  $\frac{3}{4}$  of the clerical members approved. When the vote was taken, he was accepted by a unanimous vote of the preachers. On October 24, 1948, Angus Morgan Shirah and his son Samuel Curtis Shirah were both ordained Elder. Thus at fifty years of age the father had finished the entire ministerial process of becoming a Methodist Preacher.

For some men the start of a ministry so late in life would have meant the beginning of the end of a ministry. But not A.M. Shirah! He went ahead with a remarkable ministry until his retirement in 1967, and after that supplied charges. Throughout the years of his ministry he led many people to Christ and strengthened His Church and Kingdom wherever he served. His loving wife and devoted children gave him full support in all that he did. The four children survive their Mother and Father — Angus Morgan, Jr., the Reverend Samuel Curtis, Virginia Grace (Mrs. Amos E. Fuller) and Rebecca Joy (Mrs. Frank D. Grimmert). Before she married, Joy Shirah Grimmert was Director of Religious Education at Dexter Avenue Church, Montgomery during the author's pastorate there. In addition to the four children there are nine grandchildren living and one deceased and fourteen great grandchildren living.

Here was a man, like Enoch of old, who walked with God and at last God took him unto Himself!

## WIVES/WIDOWS OF MINISTERS

### MRS. ANNE PARK BAKER 1897-1981

A beautiful life slipped away after years of infirmity. Anne Douglas Park Baker, the widow of Dr. S.M. Baker, who lived so radiantly but peacefully for eighty-four years, died as she lived, quietly, serenely and lovingly.

Mrs. Baker was born in Pollard, Alabama, on February 18, 1897 and died August 15, 1981. She was married to Stewart Melvin Baker August 27, 1917. There were three children; Eloise, Martha and Melvin. When her only son, Melvin, was killed in Korea, Mrs. Baker lost much of her mirthful spirit. She bore her grief in secret but her suffering was intense. He seemed to ever be in her thoughts and aching heart.

It was the writer's privilege to be closely associated with this family for nearly fifty years. In 1934-36 I served with Dr. Baker on the Conference Board of Education. I soon learned that the high ideals and courageous spirit of the family could be largely traced to the love, encouragement and support of the devoted mother and companion of the parsonage.

It was always interesting to hear Mrs. Baker talk of those early years when she and her sister attended Downing Industrial School for girls, at Brewton. That was a time for an enriching education but also of lasting friendships which she maintained until her failing health. During the long years, while gradually deteriorating in body and mind, her beautiful spirit always remained an inspiration to all those who visited her. Never for a moment was she neglected by her family nor forgotten by her friends.

The memory of this Christian life will ever be cherished, but the reunion with her husband and son, with her Lord and all the saints who have gone before, is a reward of her gracious living and faithful following and service of her Master.

— Dan C. Whitsett

### MRS. MARIE B. BOTTOMS 1912-1982

Marie Belle Brandon was born in Fort Scott, Kansas on May 9, 1912. In her younger years she lived with her family in Missouri, Arkansas, Oklahoma and Colorado. On graduation from high school she entered nursing training and received the R.N. degree from Denver General Hospital. Continuing education in her chosen field took her through Colorado Women's College in Denver and on to Ohio State University for her degree in Nursing Science.

While serving as academy nurse in John Brown Academy in Sulphur Springs, Arkansas she married the Rev. W.R. Bottoms in 1939. That year he was received into the ministry of Alabama Conference of The Methodist Church.

They welcomed five children into the family, all of whom grew up to attend Huntingdon College. Dr. Betty Grundy is on the staff of University of Pittsburgh Medical School. Dr. Joyce Mathison serves under the Board of Global Ministries as medical missionary to Nigeria. Dr. W.R. Bottoms, Jr. is president of Semiconductor Equipment Group of Varian Associates in Palo Alto, California. Charles Bottoms, BSc, MSc, pursues further academic achievement in Pittsburgh, Pa. Dr. Sid Bottoms is on the staff of Case Western Reserve Medical School in Cleveland, Ohio. These all rise up to call her "Blessed."

Having rendered her last full measure of service, she was invited upward and responded on March 23, 1982.

Arthur and Myra were married for 65 years and to their union were born five children: Mrs. Luella Boykin, Evergreen; Mrs. F.D. Bishop, Naples, Florida; Arthur M. Carlton, Marion Junction; Stewart Carlton, Vero Beach, Florida; Marvin Carlton, Montgomery.

Arthur M. Carlton followed in his father's footsteps in the ministry and served as a member of Alabama-West Florida Conference for 34 years before retiring to Marion Junction in 1979.

Myra Stewart Carlton served alongside her husband in the Methodist ministry for 40 years. She was a gentle and kind woman who loved people wherever she happened to be as she moved across the Conference making a home for family and fulfilling her obligations as a minister's wife with grace and charm.

Mr. and Mrs. Carlton retired in 1957 and moved into a Conference home in Opelika. After ten years in Opelika they moved to a Conference home in Greensboro. In 1972 after their health began to decline, they moved to Wesley Manor in Dothan. At Wesley Manor they shared a happy life together until Mr. Carlton's death in 1977.

## IDA WILLIS HELMS 1901-1981

Ida Esther Willis Helms was born in Coffee County, Alabama, February 12, 1901 and died in Dothan, Alabama, on October 4, 1981. Between those dates of birth and death much was accomplished and a beautiful person served cheerfully and dedicatedly by the side of a loving husband the Cause of Christ through The United Methodist Church. When Ida and Robert Helms met, when they married and during the early years of their union he was a farmer. Together they grew in the Faith and together they faced the decision of a call to preach. Ida's father was a Baptist Minister, but when Robert shared his call to the Methodist ministry with her she responded, "I'll go with you wherever God sends."

Their early ministry was in the Methodist Protestant Church and Ida worked and studied along with her husband until he completed Westminster Seminary (now Wesley Seminary). All the time she was sharing his preparation for the ministry she was preparing for ministry in the Churches they would serve and for her to be a leader in the Woman's Society of Christian Service and United Methodist Women.

Ida's early leadership in the local Church was in her work with the children in Sunday School and Vacation Church School. She soon began her work with the women of the Church and for six years served as Vice-President of the Alabama-West Florida Conference. She served with distinction and made an outstanding record as a leader in the Conference.

Many of her years working in the Churches where her husband pastored and on the larger level of Conference service, Ida fought health problems but did so cheerfully and dedicatedly. When her health dictated and Robert's time for retirement came they settled at Wesley Manor. The last years she was bed-ridden but she remained faithful to the end.

Funeral Services for Ida Helms were held in the Lafayette Street United Methodist Church of Dothan by her District Superintendent, Dr. Floyd Enfinger and her Pastor, Dr. Cecil E. Bradley. She was taken to the Chestnut Grove United Methodist Church in Coffee County where a service was conducted by the Pastor, the Rev. Russell Teal, by a long time friend, Dr. Charles Hildreth, her nephew, the Rev. John Wayne Helms, Dr. Karl Stegall and Dr. Cecil E. Bradley. Burial was in the Chestnut Grove Cemetery and so the circle of service ended where it had begun sixty-one years earlier.

Ida Willis Helms was a gentle soul. She loved her Lord and served Him well. She was a true help mate to her Pastor Husband and together they traveled across Alabama and West Florida as true ministers of the Gospel of Christ. "Well done good and faithful servant!"

## EUNICE CLYDE HILDRETH JOHNSON 1912-1981

Eunice Clyde Hildreth was born to Missouri Mixson and George Travis Hildreth in Old Tabernacle community of Coffee County. On November 24, 1912, she was married to Joseph Macon Johnson of Farmers Academy Community. The couple had eight children: Dr. George Edwin, Dr. Leslie Macon and Charles Herbert, all deceased; Dr. Louis Lanier lives in Dothan; Vernon Hoyt, Auburn; Mabel Evelyn, married to Thomas Glenn Weeks of Ozark; Nellie Eunice Marshall of Orlando; and Sybil Miriam, married to William Beaty, lives in Louisville, Al. There are 21 grandchildren and 21 great-grandchildren.

Mrs. Johnson attended college in Martin College, Pulaski, Tenn., and finished at Troy Normal in Troy, Alabama. She started teaching in Farmers Academy in Coffee County and continued for several years. During World War II she did substitute teaching.

Through the years as a minister's wife, she taught Sunday School classes, was a life-long member of United Methodist

Women. She was also a member of D.A.R. Her musical talent was a real asset in the church work, and her friendly manner served as a ministry in itself, for she never knew a stranger. She knew how to "make do" in parsonages that didn't fit the family, absorbed the jolts that came when there was an unexpected move announced at Conference, and in spite of all the hardships of the parsonage life she loved her role.

It was not until she was 85 that she and her husband came to be residents of Wesley Manor, where she lived from May 14, 1978, to June 7, 1981. He continues to make his home there.

## MRS. A.C. LEE 1893-1981

As the wife of a Methodist Minister, she supported her husband in his work in all ways possible. She is remembered by many, many friends.

## MRS. A.L. LUMPKIN OCTOBER 16, 1981

## MRS. WALTER O. PHILLIPS

A Fourth of July celebration picnic in rural Lee County, Alabama, was the beginning of a three-score-and-ten year partnership dedicated to carrying out God's work and promoting Christian ideals and doctrines. This Christian journey encompassed thousands of miles and hundreds of people who were touched in some way by this remarkable couple. It is difficult to separate Clara and Walter Phillips into two different categories because their lives were so completely enmeshed. However, the person being honored today is my grandmother, who exemplified the highest in Christian womanhood.

Following courtship and marriage in 1909, they were students at Birmingham-Southern College. Clara played on the girl's basketball team, tennis on clay courts, and was a Suffragette. Several years later when Mr. Phillips was enrolled in Emory Theological School, she took many courses which would be helpful in their Far East ministry.

In 1920, when my own mother, Dorothea, was five, the three Phillips left by boat for a six-year tour as missionaries in Japan. Their headquarters were in Kobe, but they travelled extensively throughout the country. Clara taught English to Japanese women and was also involved in innumerable religious activities with them.

Enroute home they touched a number of ports, including Hong Kong, Shanghai, Saigon, Singapore, Colombo, Cairo, Marseille, and Genoa. They also traveled by train to many interesting points in India, Egypt, Italy, France, Switzerland and England. My grandmother wrote in her diary how expensive things were. Their main purchases were "views" and fruit. However, there was one exception. In Paris, my grandmother bought a beautiful dress (every woman dreams of a designer's dress from the haute couture in this city.) The dress was a black silk flapper style which was heavily beaded with jet, silver, copper, cut steel and the motif was Oriental and Indian. I had this lovely dress framed; it now hangs in the dining room of my home.

These are a few excerpts from the diary she kept on the return trip to the United States. (The ship was the *Laviathan*.)

March 29, 1926 — Hong Kong. "The rickshaws in this place are very funny looking, but they ride good."

April 23, 1926 — Cairo Pyramids. "While the police were dispersing the crowd, a big man took hold of my arm with both hands and would not turn me a loose until he landed me on his camel. I looked around and two others had Dorothea and we were off for a ride. It was thrilling."

May 16, 1926 — Paris. "We went to the English-Speaking Church and heard a good message. This was the first time that we had been to an English church since we left Kobe."

June 8, 1926 — Washington, D.C. "We will leave soon now for Atlanta. We have spent most of our money so we will not have a sleeper tonight."

Their reassignment on returning home was in the Alabama Conference where they served for twenty-eight years working as a team in all that they did. Their lives were dedicated to church and family. My grandmother's kind and gentle way was easily recognized, and was always available to those in need.

The year 1955 was another milestone — retirement — but, not retirement in the usual sense of the word. It was another stepping stone in her long path of faithful duty. For twenty-five years she was fervently engaged in church and civic affairs.

Truly, Clara Phillips made her mark in the Christian world. Her radiant smile, her understanding nature, her willingness to give of self to others will always be remembered by those whom she met and served. To me, this passage of scripture (Proverbs 31:10-31) parallels Clara's life.

The many facets of Clara's life seem to be summed up in her philosophy of a life as stated in the following excerpt from her diary: (WE ARE ALL ARTISTS) "Each one of us has a canvas upon which we are continually painting. We call it life. One need not have a fine home and plenty of money to be able to paint a good life picture. The artist may have seen a vision he wishes to paint. He may have his canvas ready, but if he has no brush he will never see his picture. A picture may be painted with one brush, but a good artist has several that he uses, some often and some rarely. There are three brushes which are especially useful in painting a life picture. They are called inclination, determination, and perseverance. Inclination comes first. We shall make nothing of life unless we desire to and desire to so badly that we make a beginning. We must want to make a worthy life picture or we shall never even make a start. Someone has said, 'Dreams dreams, but put foundation under them.' Determination helps one to fight against discouragement. Perseverance is just as necessary as determination. We may be determined to finish somehow anyhow but it is perseverance which makes the good finish. We have then the brush for life painting."

## MRS. VERSY LEE SPEARS SMITH 1915-1982

Mrs. Vergy Lee Smith, daughter of the late Napoleon and Hattie Spears, was born in Marianna, Florida in 1915. She moved to Pensacola, Florida at an early age, where she joined St. Paul United Methodist Church and remained faithful until her death.

She was married to the late E.A. Smith. To this union two daughters were born. She taught them to be God-loving and God-fearing, and that to live as a Christian is one of the greatest assets in life.

Mrs. Smith was married nineteen years ago to the late Rev. Spencer Smith; both served as pillars to the church and community until his death.

Mrs. Smith was a retired teacher and taught in Escambia County, Florida for 37 years. She was a member of Booker T. Washington Class of 1926, the Retired Teachers Association, Emancipation Scholarship Committee, The National Sorority of Phi Delta Kappa, and a former member of the National Education Association.

She was the devoted mother of Chandra F. Butts of Bay Shore, New York, and Carol D. Surles of Orlando, Florida; adored grandmother of Vertye Underwood, Keith Butts, Lisa Surles, Erroll Butts, Gerald Butts, and Phillip Surles; loving sister of Willie Speights, Lucille Salter, Essiola Bibbs, Pearl Wells, Catherine Dubose, Aggie Puryear, Enos Spears, and Idella Simpson; and step-sister of Rev. Hosea Bell. Other survivors include two sons-in-law, George Butts and Ronald Surles; nieces, nephews; and a host of other relatives.

### A RESOLUTION OPPOSING ABORTION

**Whereas**, abortion is a major issue facing our entire nation, including the states of Alabama and Florida; and,

**Whereas**, God's Word commands "Thou shalt not kill," and that the Bible tells us "we are known of God even before conception in the womb," and since life is sacred to God and is the highest form of all His creation:

**Be It Therefore Resolved** that the Alabama-West Florida Annual Conference of The United Methodist Church, in session May 23-26, 1982, go on record as opposing abortion in general and the availability of abortion, except in cases of incest or rape, or for valid medical reasons, particularly the health of the mother; and that we work earnestly toward the preservation of the teaching of God; and further, we urge all United Methodist Churches to support those who seek solutions to this complex issue.

**Be It Further Resolved** that the views of this Annual Conference on the issue of abortion be made available at the proper time for presentation to the General Conference of 1984.

### RESOLUTION

**Whereas**, Our Lord Jesus Christ proclaimed the love of God for all human persons, and we who name ourselves Christians are called to follow the way of redemptive love that Jesus practiced; and,

**Whereas**, The United Methodist Church is seeking to be racially inclusive and open in its own institutional life and is seeking to promote equality and justice for all peoples within the whole of society; and,

**Whereas**, we view with sadness, concern, and alarm the rise of the Ku Klux Klan and other such organizations which advocate and promote teachings contrary to our Christian faith:

**Therefore, Be It Resolved** that the Alabama-West Florida Conference of The United Methodist Church, meeting in its annual session at Huntingdon College in Montgomery, Alabama, May 23-26, 1982, does hereby urge all its ministers and lay people to resist the racially discriminatory teachings and practices of the Ku Klux Klan and all such organizations, while we seek to lead every person to the ultimate truth made manifest in Jesus Christ, which is that all human beings are brothers and sisters together under Almighty God; and,

**Be It Further Resolved** that the Alabama-West Florida Conference calls upon all persons to

reject any and all ideologies of racial supremacy and to renounce violence as a method of operation, and to turn instead to the Gospel of Jesus Christ, which is the answer to our human need.

Respectfully submitted,  
J. Walter Epps and other ministers

## RESOLUTION

**Whereas** the Council of Bishops of The United Methodist Church endorsed on April 29, 1982, the Joint Resolution on Nuclear Freeze and Arms Reduction, sponsored by more than 190 U.S. Senators and members of the House of Representatives; and

**Whereas** the Church of Jesus Christ our Lord is called to be not only peacekeepers, but also peacemakers;

**Be It Resolved** that we, delegates to the 1982 regular session of the Alabama-West Florida Conference not only affirm the witness of the Conference Board of Church and Society and the action of our Council of Bishops, but also endorse the Joint Resolution on Nuclear Freeze and Arms Reduction;

Respectfully submitted,

## RESOLUTION

**Whereas** the possibility is great that the issue of permitting casino gambling in the state of Florida will appear on the Ballot in that State, and

**Whereas** legalized gambling has a record of attracting organized crime and creating a climate of social problems, and

**Whereas** compulsive gambling is a vice that can destroy human personality and personal relationships,

**Therefore Be It Resolved** that the Alabama-West Florida Conference of The United Methodist Church, in session in Montgomery, Alabama, this 26th day of May in the year of our Lord 1982, urges the people of good conscience, good will, and social responsibility in the State of Florida both to vote against this proposal and to work for its defeat.

Respectfully submitted,

**Whereas**, the total budget for all churches in the Marianna District is \$2,537,825.00; and

**Whereas**, the 12 Panama City area churches have a total budget of \$1,187,126.00; and

**Whereas**, it is felt that since approximately one-half of the members of the Marianna District of the Alabama-West Florida Conference reside in the Panama City area that it would be fitting and proper to give recognition to the Panama City churches and to better identify the location of the District,

**Now, Therefore Be It Resolved** that the name of the Marianna District of the Alabama-West Florida Conference be changed from Marianna District to the Marianna-Panama City District of the Alabama-West Florida Conference.

## A CABINET VIEW OF THE SPIRITUAL STATE OF THE ALABAMA-WEST FLORIDA CONFERENCE

At every Annual Conference concerned and thoughtful United Methodists are challenged by the question as to whether their work makes any difference in the spiritual formation of persons and communities. But how do we measure making a difference? The criteria used in discerning the difference is of great importance in evaluating the spiritual state of the church.

Institutional growth seems to provide a basis of hope or conversely, a cause of despair. Using this barometer, our Conference can rejoice in the net gain of 1,136 persons in 1981. This affirms that we are responding faithfully to one of the major priorities of the church — evangelism. Participation in the "Proclaim the Word" event in 1981 contributed to the increase in membership. Hopefully, this will motivate our people to continue in the "Next Step" events planned for the coming months.

The return of former members who withdrew from The United Methodist Church in previous years is most encouraging. The affirmative manner in which they have been welcomed and received reveals the reconciling and caring spirit of our United Methodist people.

Our record of giving to World Service and to the Advance verify that we are endorsing our prayers for mission with action. In 1981 there was a 14% increase in giving to World Service and a 21% increase in the Advance giving.

Interest is growing in the "Volunteers in Mission" program which provides opportunities for personal participation in special projects and of sharing the Christian faith.

The support given to ethnic minorities in building churches demonstrate our growing spirit of inclusiveness and support of all races of people.

Under the able leadership of Dr. Paul Ruark, the new Christian Advocate is enabling the United Methodist "Message" to get into the homes and churches of our people. The Advocate, with its attractive format and new philosophy is helping to create a positive "image" of Methodism in our Conference and area.

While institutional growth and increasing support of missional priorities provide a basis for confidence and hope, there are other signals that alert us to the spiritual vitality of our

Conference. These signals transmit the good news that we are responding to the whole person and to all people in our society. These signals are coming from:

1. The Special Ministry Centers of our Conference — Dumas Wesley, Nellie Burge, Noah's Ark, Mobile Inner City, Baldwin County Migrant Ministry and others. It is here that the most difficult ministries are sustained and are least likely to be accompanied by the criterion of success. However, by the criterion of "Matthew 25", these ministries validate our faith and discipleship.
2. The network of United Methodist Disaster Relief which responds to the needs and hurts of people in emergency situations.
3. Those who are working and praying for world peace amid increasing nuclear armament and international conflict.
4. Those who are promoting freedom and equality for all persons at every level of life.
5. Those who are involved in disciplined Bible study and prayer groups seeking God's guidance and power in practicing the Christian faith in daily activities.

While we rejoice in every signal that conveys the spiritual state of our Conference to be vibrant and wholesome; we are sensitive to the goals and needs not met. We must continue to move toward then with a sense of oneness, confidence and hope.

The United Methodists of the Birmingham Area will host the Council of Bishops in Birmingham, Alabama, November 15-19, 1982. Many of the Bishops will visit and preach in churches of our Conference. In doing so, they will discover churches and a Conference that are marked by growth and spiritual vitality.

## REPORT OF THE COMMITTEE ON COURTESIES AND INTRODUCTIONS

It is not easy to identify all of the persons whose contributions have added significance to this Conference, but we can express appreciation to those who have been most helpful by their contribution in special ways. We express our sincere appreciation to the following:

The St. James United Methodist Church, Rev. Henry Eddins and members of their choir and staff hosted our opening communion service. There on Sunday evening as an overflowing crowd, we were reminded both by message and expressions of oneness, of the eucharistic dimension of our corporate life.

President Allen Jackson and his fine staff here at Huntingdon have surrounded us with an atmosphere of friendliness throughout our time together. The Conference met here on these grounds for the first time 35 years ago, in the year 1948. Both the accommodations and helpfulness of this institution are two of the many reasons that the Conference prefers to come here again and again. Especially, we would like to note our appreciation to Ed Scruggs, who has handled general arrangements for our meetings; Ben Mann, who has handled physical accommodations and maintenance; Bernice Bodiford, housekeeper; and Jessie Wallace, in charge of the dining hall.

The First United Methodist Church of this city provided us on Monday evening with a lovely environment in which to celebrate the ordination of the new deacons and elders of our church and the consecration of the diaconal ministers. We say a sincere "thank you" to Dr. Thomas Lane Butts, his fine staff, choir, and members, and especially to the ladies of the UMW, who with their usual style of charm and grace, hosted the reception for Bishop and Mrs. Robertson, Bishop and Mrs. Shamblin, the ordinands and their families.

We had many special guests throughout the Conference. The ministers and friends from the North Alabama Conference, especially Rev. Bill Davis the Fraternal Delegate, came to reaffirm our friendship and oneness in ministry; Mr. Joe Bailey, president of the United Methodist Men of the North Mississippi Conference, who spoke at the Laity Banquet; and many other outstanding guests from our colleges and seminaries and mission fields throughout the world. Especially, we would like to express our appreciation to Bishop J. Kenneth Shamblin, our Conference preacher, whose presence and message made us aware of the breadth and depth of our ministry in Christ.

We "give thanks" for those who have ordered our worship events and those who musically have encouraged our sense of corporateness and provided us with opportunities to voice a common witness to our faith amidst our works. Special choirs came from the Elba United Methodist Church, Auburn and Troy Wesley Foundation, Birmingham-Southern College and the Susanna Singers. Furthermore, we would like to take special note of Mr. Harold Rohlig, who has served the Conference as our organist for these sessions for 25 years.

The various banners and table decorations in the Dining Hall portraying the theme "Peace with Justice" were placed there by the members of Church and Society, and the center backdrop enhanced our place of meeting and heightened our awareness of the joint emphases of stewardship, "The Year of the Tithe", and Evangelism, "Mobilizing the Million". This artistic display was designed and painted by Sharon Yarvis, a school teacher in Green County, and Rev. Marquis and Jeannine Wingard. Marquis serves the Conference as chairman of the Council on Ministries' Committee on Interpretation.

We are further grateful for our Secretary, Charles Langford, and his assistants who kept us on course, and who have both chartered and recorded our journey; for Elvin Edgar, our Secretary for the Journal, who compiled and mailed to us the Brochure of Reports; and for Gerald Maddox, our registrar and his able assistants, who recorded our presence and cared for our many needs. And there are so many other persons whom we have scarcely seen who have provided services for the 841 delegates and kept us informed through the distribution of reports and the daily Advocate Edition.

And finally, to Bishop Frank Robertson, we wish to express a sincere thank you. He has, with firmness and fairness, directed our deliberations and has as our "chief pastor", taught and exhorted us throughout these sessions. We are grateful for the judicious and ever gracious manner in which he has guided the Conference through the complex issues and concerns of our corporate ministries. And that's a good place for you to say "Amen."
